Private detective Adam Lapid has seen his share of death. He lost his family in Auschwitz. He survived the Holocaust. He nearly died in Israel's War of Independence. Now it is 1949, and he lives alone in Tel Aviv, Israel, haunted by bad memories and nightmares, trying to rebuild his life. But death is never distant. When an Arab called Ahmed Jamalka hires him to find out who murdered his sister, Maryam, Lapid launches an investigation that will plunge him into a murky underworld of crime and depravity, and bring him face to face with the sort of evil he thought he'd left behind in Europe. Adam Lapid will need to risk everything to solve this case. The Dead Sister is a thrilling mystery novel with a one-of-a-kind hero. Grab this book if you're a fan of historical mysteries, private eye crime novels, or interested in the history of the Middle East and the State of Israel.

The police don't want to catch the murderer. So he'll have to. It's 1949, and a killer roams free in Israel. A young Arab woman has been murdered and no one seems to care. The newspapers won't report it. The police won't investigate. The victim has been forgotten by everyone... ..except one man. If justice is to be served, private investigator Adam Lapid must find it himself. His investigation will plunge him into a sordid underworld of crime and depravity. And if he's not careful, he'll be the one who ends up dead next. To catch the murderer, Adam must come face-to-face with true evil that will stop at nothing to keep its deadly secret. Will Adam catch the killer? Or will he become another victim? You will love The Dead Sister because it's a page-turning mystery with plenty of action and unforgettable characters. Get it now. INTERVIEW WITH THE AUTHOR Q: What Makes The Adam Lapid Historical Mysteries Series Unique? A: I wanted to write a murder mystery series that takes place in the early days of the State of Israel, right after Israel became independent. As far as I know, there is no other mystery series that takes place in Israel at that time. Adam Lapid, the Jewish detective who's the hero of this series, is a private investigator like no other. Tough, smart, dedicated, and with a sense of justice uniquely his own. Throughout the books, Adam Lapid solves crimes and also attempts to rebuild his life after losing his entire family in Auschwitz. So you can expect an emotional and exciting reading experience, one that will stay with you long after you turn the last page. Q: Do I need to read the books in a specific order? A: Each book in the Adam Lapid series is a standalone mystery. You can pick any book you feel like and get started. That being said, you may find it better to read the books in chronological order. I recommend the following sequence: Ten Years Gone The Dead Sister The Auschwitz Violinist A Debt of Death A Deadly Act The Unlucky Woman (short story) Q: What sort of reader will enjoy reading The Dead Sister? A: If you like murder mysteries, crime fiction, or private investigator novels, you will love The Dead Sister. If you have a particular interest in Jewish fiction, Israeli history or historical thrillers, this is definitely the book for you. The Dead Sister is a thrilling murder mystery with plenty of action, nasty villains, and a memorable hero that you'll root for from page one to the very end. You will love it! Scroll up and click the BUY NOW button to dive right into this riveting historical mystery and suspense novel TODAY!

Sister Eve knows God moves in mysterious ways. And Eve adores a good mystery. Especially a murder. Two decades into her calling at a New Mexico monastery, Sister Evangeline Divine breaks her daily routine when a police officer appears, carrying a message from her father. Sister Eve is no stranger to the law, having grown up with a police captain turned private detective. She's seen her fair share of crime—and knows a thing or two about solving mysteries. But when Captain Jackson Divine needs her to return home and help him recover from surgery, Sister Eve finds herself taking on his latest case. A Hollywood director has disappeared, and the sultry starlet he's been running around with isn't talking. When the missing man turns up dead, Captain Divine's case escalates into a full-blown murder case, and Sister Eve's crime-solving instincts kick in with an almost God-given grace. Soon Sister Eve finds herself soul-searching every step of the way: How can she choose between the vocation in her heart and the job in her blood?

Download Ebook The Dead Sister Private Investigator Adam Lapid Mystery Thriller And Suspense Series Book 2

Two very different sisters. One killer team. Elite forensic sculptor Meg Schock is obsessed with solving cold cases and bringing justice to victims. When the local US attorney brings her the skull of a young murdered woman with similarities to one she's already reconstructed—but not identified—she and her sister, Charlie, dive head-first into a chilling investigation. The twisted killer is clever, drawing closer and closer when he discovers the sisters on his trail. Another body turns up—and another—but his modus operandi points to a convicted murderer already behind bars. Together, Meg and Charlie must face the fact this copycat is taunting them, leading them on a gruesome quest. He's picked up where his mentor left off—and he's coming for one of them next.

If you like Mystery and Romance, read this book! Two sisters, one's an old flame, the other wants to help him solve a murder. A wry story of mystery, intrigue, and two people that can't help falling in love. "A fresh take on the Detective Genre." Point Road, home of the obscenely wealthy and the Jeffries sisters. Eric Slater returns from the Navy to learn that his childhood friend's death may have been murder. Angela Jeffries, the woman he always wanted, begs him to investigate, and her little sister Maggie, wants to help. What Private Investigator doesn't want a beautiful redhead for a partner? As their feeling for each other grow, Maggie and Slater follow a trail of deception and murder, hoping to prove their dead friend innocent of what they fear most. No one is safe and the people involved will stop at nothing to cover their tracks, tracks that will lead the pair back to Point Road and a stunning realization.

Fast-paced, irreverent, and very funny, *The Spellman Files* is like *Harriet the Spy* for grown-ups. Curtis Sittenfeld, author of *Eligible* and *American Wife* Izzy Spellman is 28, single and works for Spellman Investigations, a family-run private detective agency. She might have a chequered past littered with romantic mistakes - but at least she's good at her job. Invading people's privacy comes naturally. To the whole family. To be a Spellman is to snoop on a Spellman; tail a Spellman; dig up dirt on, blackmail and wire-tap a Spellman. But when Izzy's parents hire her 14-year-old sister to discover the identity of her new boyfriend, Izzy decides she wants out. Before they'll let her go, her parents ask her to solve one last case - a 15-year-old, ice-cold, missing person, impossible-to-solve case. But when a disappearance occurs far closer to home, Izzy's Impossible Case becomes the most important of her life. "Hilarious. My enjoyment of *The Spellman Files* was only slightly undercut by my irritation that I hadn't written it myself. The funniest book I've read in years!" Lauren Weisberger, author of *The Devil Wears Prada* "The *Spellman Files* is hilarious, outrageous, and hip. Izzy Spellman, P.I., is a total original, with a voice so fresh and real, you want more, more, more. At long last, we know what Nancy Drew would have been like had she come from a family of lovable crackpots. Lisa Lutz has created a delicious comedy with skill and truth. I loved it!" Adriana Trigiani, author of *Lucia*, *Lucia* and *Big Stone Gap*

How do you find someone who doesn't exist? With over 500,000 copies sold and thousands of 5-star reviews between them, the Lee Callaway series will leave you turning the pages to know what happened next. Isaiah Whitcomb is found dead in a parked car. Isaiah is a promising athlete and he also happens to be Detective Greg Holt's nephew. It's personal for Holt and he will stop at nothing to find who is behind his nephew's murder. Private Investigator Lee Callaway is having a terrible day when Elle Pearson, a blind woman, appears at his door. Elle wants him to find her missing sister. The only problem is no one has seen or heard of her sister. How is Isaiah's death linked to Elle's missing sister? And who is the mysterious stranger looking to avenge a betrayal from years before? As Callaway gets closer to the truth he is faced with the biggest shock of his life. Fans of James Patterson, Harlan Coben, and David Baldacci will love this bestselling series. Praise for Thomas Fincham "James Patterson look out." "Thomas Fincham kept me up until almost 2am with this Lee Callaway novel." "Type faster Mr. Fincham!" "I LOVE a good mystery and this is a good one. I TOTALLY ENJOYED the journey. I will definitely look for more books by Thomas Fincham." "Another good one by Mr. Fincham! I recently "discovered" his work and love his books! This book certainly did not disappoint." "It's beyond 5 stars once you get into the book it's Unstoppable total page-turner thank you Thomas Fincham." "Was up until 6 AM finishing this book because I could not put it down. I will definitely be reading more books by Mr. Fincham." "Deff. Patterson style, kept me on the edge of my seat, going to read rest of series." "Thank you so much Mr Fincham." "This is my first Fincham book, but certainly not the last!"

On the dusty streets of post-war Tel Aviv, a crafty killer roams free... Israel, 1949 - Private detective Adam Lapid knows how it feels to lose everything. His whole family died in Auschwitz. He barely survived. Now he spends his nights haunted by nightmares and his days solving cases the police won't handle. Hired to find a missing boy, Adam thinks the case is hopeless. But he can't turn down a mother searching for her only child. What Adam doesn't realize is that this case will soon put him in mortal danger. For at the root of the mystery lies a double murder that has stayed unsolved for ten long years. Adam must untangle a web of lies and betrayal to get to the truth. And he'd better watch his back because some of the suspects are willing to kill to keep their dark secrets buried.

In this spellbinding memoir (The Washington Post), a private investigator revisits the case that has haunted her for decades and sets out on a deeply personal quest to sort truth from lies. "Beautifully written." Heather Ann Thompson, Pulitzer Prize-winning author of *Blood in the Water* In 1990, Ellen McGarrah was a young reporter for the Miami Herald when she covered the execution of Jesse Tafero, a man convicted of murdering two police officers. When it later emerged that Tafero may have been innocent, McGarrah was appalled by her unquestioning acceptance of the state's version of events. The revelation propelled her into a new career as a private investigator. Decades later, McGarrah finally decides to find out the truth of what really happened in Florida. Her investigation plunges her back into the Miami of the 1960s and 1970s, a dangerous world of nightclubs, speed boats, and cartels, all awash in violence. She combs through stacks of court files and interviews everyone involved in the case. But even as McGarrah circles closer to the truth, the story of guilt and innocence becomes more complex, and she gradually discovers that she hasn't been alone in her need for closure. Because whenever a human life is forcibly taken—by bullet, or by electric chair—the reckoning is long and difficult for all. A fascinating glimpse into the mind of a private investigator, *Two Truths and a Lie* is ultimately a deeply personal exploration of one woman's quest to find answers in a chaotic world.

A missing girl. An international underworld. A PI who will not quit. Two years ago, Adam Park was a private investigator at the top of his game, when a bitter ethical battle with his partners sent him into a semi-retirement of surfing and travel around his native Britain. But when his former mentor's niece goes missing, Adam's sabbatical comes to an abrupt end. Returning to face his former colleagues, Adam learns that not only is the young woman dating a violent ex-con, but prior to disappearing, the pair ripped off a local criminal on the rise, and fled the country. Now this corrupt individual is demanding revenge. Using cutting-edge technology, Adam tracks the couple through the Parisian underground, and onward to dangerously exotic locales, where he will confront a ruthless international network that trades human lives like a business commodity. To return the girl safely, protect the ones he loves, and save his own skin, Adam will need to burn down his concepts of right and wrong; the only path to survival is through the darkest recesses of his soul. *The Dead and the Missing* is the first installment in a series of globe-trotting private detective novels that include a determined but flawed protagonist, gripping suspense, a sardonic sense of humor, and enough twists to keep you guessing all the way to the last page. Review from Readers' Favourite: *The Dead and the Missing* is loaded with twists and turns and excitement, and had me holding my breath in fear several times, never being one hundred percent sure of
