The Corporate Director's Guidebook is recognized as the premier authority on the director's role and the board's functions. It is read, consulted and cited by board members, executives, lawyers and academics nationwide. Now available as a new Fifth Edition, the Guidebook completely updates its fourth edition published in 2004. This new Fifth Edition addresses recent effects the Sarbanes-Oxley Act has had in the corporate governance arena and its impact on the legal responsibilities of directors of public companies.

As directors continue to grapple with ever expanding agendas and complex issues in the boardroom, the Director's Handbook provides a valuable practical resource that identifies 101 topics commonly encountered by public company directors. This valuable resource focuses on equipping individual directors to function at a higher level by arming them

on a diverse range of issues. An all-star contributor list including Ram Charan, Bob Monks, Nell Minow, and Mark Nadler, among others, gives you the insight of thought leaders in the areas relevant to your organization. A well-functioning board is essential to an organization's achievement. Whether the goal is furthering a mission or dominating a market, the board's composition, strategy, and practices are a determining factor in the organization's ultimate success. This guide provides the information essential to building a board that works. Delve into the board's strategic role in value creation Gain useful insight into compensation, risk, accountability, legal obligations Understand the many competencies required of an effective director Get up to speed on blind spots, trendspotting, and social media in the board room The board is responsible for a vast and varied collection of duties, but the singular mission is to push the organization forward. Poor organization, one-sided composition, inefficient practices, and ineffective oversight detract from that mission, but all can be avoided. The Handbook of Board Governance provides practical guidance and expert insight relevant to board members across the spectrum.

Joining a board of directors is a great honour, but it involves responsibilities and risks; where regulation and litigation are
