The Freedom Writers Podcast is a show about education and how it can change the world.

Freedom Writers Foundation | Home Page
The Freedom Writers Diary is a captivating story of the life of students living in Long Beach, California, and simultaneously an important achievement to those responsible for its creation. It recounts the experiences of teenaged students, and presents them in a way that, to many, is surprisingly relatable. Despite the obvious major differences that their stories have to others, they describe ...

A standards-based teacher's guide from the educator behind the #1 New York Times bestseller The Freedom Writers Diary, with innovative teaching techniques that will engage, empower, and enlighten. Don't miss the public television documentary Freedom Writers: Stories from the Heart In response to thousands of letters and e-mails from teachers across the country who learned about Erin Gruwell and her amazing students in The Freedom Writers Diary and the hit movie Freedom Writers, Gruwell and a team of teacher experts have written The Freedom Writers Diary Teacher's Guide, a book that will encourage teachers and students to expand the walls of their classrooms and think outside the box. Here Gruwell goes in depth and shares her unconventional but highly successful educational strategies and techniques (all 150 of her students, who had been deemed "unteachable," graduated from Wilson High School in Long Beach, California); from her very successful "toast for change" (an exercise in which Gruwell exhorted her students to leave the past behind and start fresh) to writing exercises that focus on the importance of journal writing, vocabulary, and more. In an easy-to-use format with black-and-white illustrations, this teacher's guide will become the essential go-to manual for teachers who want to make a difference in their pupils' lives.

#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, Freedom Writers: Stories from the Heart In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture Freedom Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

Percy is incredibly accident-prone, and holds the dubious record of the most accidents. Percy has had a small rivalry with Harold, however, they are always willing to help each other when in trouble.

A true account of a teacher who confronted a room of "at-risk" students details their life-changing journey and includes diary excerpts

Survivor... a word continuously thought of when reading this memoir. Upon the release of The Freedom Writers Diary and film adaptation starring Hilary Swank in 2007, New York Times bestselling author Darrius Garrett realized that both book and movie tell the Freedom Writer Story as a whole, but not on a personal level. During speaking engagements, the same questions always surface: 'Did Ms. Gruwell change you? How did you make it out of the gang life? What stopped you from killing yourself?' Darrius's answers are inside. Diary of a Freedom Writer takes you on a journey beyond the classrooms to the treacherous streets of Long Beach, California. An innocent little boy born in poverty and raised in a violent environment, Darrius became a product of the streets, written off by the school and judicial systems alike, growing up in an environment full of gangs and drugs. He spent his life searching for a father figure until he became a Freedom Writer, motivational speaker, bestselling author, and finally a father himself. His story is that of a man realizing his experiences are what made him the man he has been seeking to be all his life. Upon beating the odds, Diary of a Freedom Writer serves as proof that Darrius's story of struggle, life, change, and hope will uplift, educate, encourage, and inspire.

The film and television star draws on personal experiences to present a series of motivational letters that explores such topics as the value of a good education and the media's inappropriate emphasis on material wealth.

The author describes her life and work as a teacher and advocate for at-risk youngsters, introducing the principles and practices of her innovative educational program designed to teach tolerance through literature and writing.

Lyrics and never-before-seen poetry and sketches from the iconic musician of Florence and the Machine Songs can be incredibly prophetic, like subconscious warnings or messages to myself, but I often don't know what I'm trying to say till years later. Or a prediction comes true and I couldn't do anything to stop it, so it seems like a kind of useless magic.

A chronicle of the war in Sarajevo from a child's perspective details the author's struggle for survival and a normal life in a chaotic nation from 1991 through 1993, revealing how an innocent life of piano lessons and birthday parties was transformed into horrifying days of food shortages, friends dying, and hiding out in a neighbor's cellar during bombings. Reissue.
