This volume is an essential, cutting-edge reference for all practitioners, students, and teachers in the field of dispute resolution. Each chapter was written specifically for this collection and has never before been published. The contributors--drawn from a wide range of academic disciplines--contains many of the most prominent names in dispute resolution today, including Frank E. A. Sander, Carrie Menkel-Meadow, Bruce Patton, Lawrence Susskind, Ethan Katsh, Deborah Kolb, and Max Bazerman. The Handbook of Dispute Resolution contains the most current thinking about dispute resolution. It synthesizes more than thirty years of research into cogent, practitioner-focused chapters that assume no previous background in the field. At the same time, the book offers path-breaking research and theory that will interest those who have been immersed in the study or practice of dispute resolution for years. The Handbook also offers insights on how to understand disputants. It explores how personality factors, emotions, concerns about identity, relationship dynamics, and perceptions contribute to the escalation of disputes. The volume also explains some of the lessons available from viewing disputes through the lens of gender and cultural differences.

Improve student enrollment outcomes and meet institutional goals through the effective management of student enrollments. Published with the American Association for Collegiate Registrars and Admissions Officers (AACRAO), the Handbook of Strategic Enrollment Management is the comprehensive text on the policies, strategies, practices that shape postsecondary enrollments. This volume combines relevant theories and research, with applied chapters on the management of offices such as admissions, financial aid, and the registrar to provide a comprehensive guide to the complex world of Strategic Enrollment Management (SEM). SEM focuses on achieving enrollment goals, and sustaining institutional revenue and serving the needs of students. It provides insights into the ways SEM is practiced across four-year institutions, community colleges, and professional schools. More than just an enhanced approach to admissions and financial aid, SEM examines the student's entire educational cycle. From entry through graduation, this volume helps SEM professionals and graduate students interested in enrollment management to anticipate change and balancing
