The Mirror of Fate is the fourth book in T.A. Barron's Merlin series. It is an interesting book and very well written. I would recommend it to younger teens or tweens, as it could get boring for older teens and adults. The new characters were surprising and introduced well.

twentieth century. Interweaving a transfixing account of the battle of Stalingrad with the story of a single middle-class family, the Shaposhnikovs, scattered by fortune from Germany to Siberia, Vasily Grossman fashions an immense, intricately detailed tapestry depicting a time of almost unimaginable horror and even stranger hope. *Life and Fate* juxtaposes bedrooms and snipers' nests, scientific laboratories and the Gulag, taking us deep into the hearts and minds of characters ranging from a boy on his way to the gas chambers to Hitler and Stalin themselves. This novel of unsparing realism and visionary moral intensity is one of the supreme achievements of modern Russian literature.
