The key to unlocking your power—and the inspired life that comes with it—from the renowned voice and acting coach. You know that person: the one with that certain something. And you've probably dismissed that something as unattainable, simply innate. But it's a myth that some are born with "it" and others aren't. Everybody can have that presence—and the peaceful self-acceptance that powers it. Patsy Rodenburg reveals that the secret is learning to inhabit "the second circle": the optimal state between the first circle of introversion and self-doubt and the third of aggression and narcissism. She provides exercises to help you break the habits that constrict your real power and to better cope with the negative behaviors and attitudes of those around you. With wisdom and patience, Rodenburg teaches you how to communicate effectively at home, work, school, and—most important—with yourself. The Second Circle will empower you to meet life's most extraordinary trials with brio and to embrace the joys and challenges of every single day.

Life in the Second Circle is the first collection from Michael Cantor, finalist in the 2011 Able Muse Book Award. Cantor's poetry globe-trots in time and place. It teems with such culturally diverse characters and scenes as Genghis Khan and Muhammad Ali; a pithy *mise-en-scène* of a Venice travelogue; Brighton Beach in Florida and its natives or turistas; and what can happen in Japan on tatami mats or behind shoji screens, whether you're a geisha or samurai or gaijin. His themes span the mystical to the hard-edged and "badass," fluently deployed in formal poems in received or nonce forms and free verse. From the narrative to the imagistic and even the surreal, Cantor's versecraft is eclectic, brimming with wit and wisdom, and realized with the craft of a master storyteller. He has created a collection of unique pleasures not to be missed. PRAISE FOR LIFE IN THE SECOND CIRCLE: Dante's second circle of hell was reserved for sins of lust, but Cantor's narrator does not judge his infernal cast of characters; rather, he causes us to identify with their essential human neediness. What's more, he does so

through a cinematic gift for storytelling and a mastery of poetic form. □ Julie Kane Michael Cantor uses words to paint and sculpt the world. He writes the world too□which I don't say as an afterthought, since verbal wit is Cantor's forte. Life in the Second Circle is a sensory kaleidoscope where the poems are more like movies. □ Deborah Warren (from the □Foreword□) To be called □a poet's poet□ passes for a compliment among poets. Michael Cantor is another, rarer kind of poet□let's say □a novelist's poet.□ This poet knows things that writers of fiction know about writing, and that other poets ignore at their peril. This extraordinary collection is testament to his unaffected generosity and genuine interest in other people, qualities that make him good company in person and in print. □ Alfred Nicol This is not your mother's book of poems. □ Wendy Videlock Like Muhammad Ali, one of the □Box Men□ he celebrates in a virtuosic crown of sonnets, Cantor is a master of floating like a butterfly in a small, roped-off space. In his hands the most formidably difficult forms□villanelles, triolets, Petrarchan sonnets, sestinas, ballades, and equally rigorous stanzas of his own invention□become spurs to imaginative freedom. Like the vividly drawn characters who populate Life in the Second Circle, we are constantly reminded that one never knows where life will go, or how or when or where. But it's a pleasure to be along for the ride. □ Catherine Tufariello

What she doesn't need is a tempting long-haired rocker or the paparazzi that follow him around. But Dred has other ideas. Pixie's sweet hazel eyes, purple hair and kaleidoscopic tattoo of exotic flowers that swirl up her arm haunt his dreams, and he knows she wants him too. He just has to convince her. But as a juicy exposé threatens to expose their pasts, and a blackmailer terrorizes their present, Pixie and Dred have to decide what really matters and fight like hell to keep it. In Scarlett Cole's *The Strongest Steel*, Harper Connelly never expected to find herself outside of a tattoo parlor at one in the morning. The scars that decorate her back are just one more reminder of things she'd rather forget, the past she wants to leave far behind her, but before she can move on, she needs him. Tattoo artist Trent Andrews has his own reasons for specializing in inking over scars. And there's no way in hell he's going to turn Harper away. Not when a swirling mix of tenderness and desire slams into him every time he sees her. She stirs feelings in him he thought were long gone... if he can only get past her carefully constructed defenses. As each session at Second Circle Tattoos gives Harper new ink to cover up old demons, it brings her closer and closer to Trent. His lingering touches seduce her, making her believe in a life without fear, where she can be happy, whole, in love. But when cryptic messages start appearing on Harper's phone, strange deliveries arrive at her door, and Second Circle is vandalized, Harper is convinced that her ex-boyfriend has tracked her down, and worse, that he knows about Trent. She ran from her past once before; this time will she have the strength to fight back? "This book gave me so many feels! Angst, passion, and love all set in Miami, my favorite city. I can't wait for more from this author and I can't recommend this book enough." - Sidney Halston, USA Today bestselling author of *Against the Cage* "An incredible story about healing, pain, and trust...you don't want to miss this one!" --New York Times bestselling author Jen McLaughlin

Thrown together by fate and friends, a bad boy tattoo artist and down on her luck waitress are about to find that opposites really do attract in the follow-up to Scarlett Cole's *The Strongest Steel*. All things, when placed under pressure, eventually break or leave a mark. Tattoo artist Brody "Cujo" Matthews knows how to keep things simple. Tattoos, a good time with friends—and steer clear of relationships. Abandoned as a child by a mother who refused to stick around to raise three boys she didn't want, he has no interest in getting involved with complicated women. That all changes when he's asked to help organize his best friend Trent's engagement party, which means working with Trent's fiancée's best friend, Drea, the definition of high maintenance and sizzling curves. And the one woman he doesn't want to walk away from. Andrea "Drea" Caron is broke and tired. After years of caring for her ailing mom, she's at the end of her rope trying to manage the piling medical bills, two jobs, and a life placed on hold. She certainly doesn't need the added frustration of a sexy playboy tattoo artist messing up her best friend's engagement party or her carefully balanced life. But when Drea witnesses the abduction of a woman from the café she works at, she can't help but turn to the sexy, inked Cujo, who's determined to prove to Drea that he's someone she can count on forever. But as they attempt to bring the truth to light, someone is working to bring that forever to a sudden, deadly halt. *The Fractured Heart* is a full-length romance in the Second Circle Tattoos series that can be read as a standalone!

After a string of failed relationships and a bruised heart Lia is not looking for forever, and the hot mechanic, with his sexy scruff and shaggy hair, is simply impossible to resist. He's the perfect candidate for a mind-blowingly-perfect, no-strings-attached one-night stand. Reid left his life in Chicago far behind him and hasn't been back, but he's never been able to escape the guilt he feels about his own painful role in inviting a monster into his baby sister's life. A monster who almost destroyed her. Being with Lia is an unexpected gift, one he doesn't feel he deserves. As unique and beautiful as the designs she inks, their one night together has him wanting more than he should. When he surprises her at her tattoo studio, Second Circle Tattoos, in Miami, he's in for a shock—and a fist to the face—when his past and present collide. With secrets coming to the surface, Reid and Lia are thrown into a world of betray and lies that threatens to pull them under, and the last link to his former life may be the darkest of them all.
