Life in the well-manicured London locale of Hexam Place is not as placid and orderly as it appears. Behind the tranquil gardens and polished entryways, relationships between servants and their employers are set to combust. Henry, the handsome valet to Lord Studley, is sleeping with both the Lord's wife and his university-age daughter. Montserrat, the Still family's lazy au pair, is helping to hide Mrs. Still's illicit affair with a television actor—for a small fee. June, the haughty housekeeper to a princess of dubious origin, is hard at work forming a "society" for servants to address complaints about their employers. Meanwhile, a disturbed gardener, Dex, believes a voice in his cellphone is giving him godlike instructions—that could endanger the lives of all who reside in Hexam Place. A deeply observed and suspenseful update to the upstairs/downstairs genre, *The St. Zita Society* is Ruth Rendell at her incisive best.

When millionaire banker, Preston Still, kills his wife's lover by pushing him down the stairs, he looks to the family au-pair to help him dispose of the body. But the au pair belongs to the Saint Zita Society, a self-formed group of drivers, nannies and gardeners, who are servants to the rich - and whose intentions are not entirely benign. Accident murder, illicit affairs, and a young man recently released from a hospital for the criminally insane come together with devastating consequences in Ruth Rendell's gripping new crime novel.

The psychologically charged affairs between residents and servants on a posh London street escalate to violence involving a handsome valet who is sleeping with a lord's wife and daughter, an au pair who accepts fees for aiding her mistress' affair and disturbed gardener who believes he is receiving instructions from a god on his cellphone. By the Edgar Award-winning author of *Tigerlily's Orchids*. 50,000 first printing.

When Stuart Font decides to throw a house warming party in his new flat he invites everyone in his building. The party will be one everyone remembers; but not for the right reasons. Living opposite, in reclusive isolation, is a young, beautiful Asian woman, christened Tigerlily by Stuart. As though from some strange urban fairytale, she emerges to exert a terrible spell on the occupants of Lichfield House.

INCLUDES AN EXCERPT OF RENDELL ' S FINAL NOVEL, DARK CORNERS Ruth Rendell is widely considered to be crime fiction ' s reigning queen, with a remarkable career spanning more than forty years. Now, in Portobello, she delivers a captivating and intricate tale that weaves together the troubled lives of several people in the gentrified neighborhood of London ' s Notting Hill. Walking to the shops one day, fifty-year-old Eugene Wren discovers an envelope on the street bulging with cash. A man plagued by a shameful addiction—and his own good intentions—Wren hatches a plan to find the money ' s rightful owner. Instead of going to the police, or taking the cash for himself, he prints a notice and posts it around Portobello Road. This ill-conceived act creates a chain of events that links Wren to other Londoners—people afflicted with their own obsessions and despairs. As these volatile characters come into Wren ' s life—and the life of his trusting fiancée—the consequences will change them all. Portobello is a wonderfully complex tour de force featuring a dazzling depiction of one of London ' s most intriguing neighborhoods—and the dangers beneath its newly posh veneer.

He was young, arrogant, wealthy and in the bloom of health—or was he? " Undoubtedly one of the best writers of English mysteries and chiller-killer plots. " —The Los Angeles Times Like any small community, Linchester has its intrigues: love affairs, money problems, unhappy marriages. But the gossip is elevated to new heights when young Patrick Selby dies on the very night of his beautiful wife ' s birthday party. The whole neighborhood was there, witness to the horrible attack of wasp stings Patrick suffered at the end of the evening. But did Patrick die of a wasp sting? Dr. Greenleaf thinks not. Heart failure, more likely. Still, Greenleaf isn ' t at peace about his death. After all, everyone in Linchester hated Patrick. With the help of a certain naturalist, Dr. Greenleaf begins to think about murder. .... " Rendell is awfully good. " —The New York Times Book Review

Two years ago he had been a promising young novelist. Now he survived - you could hardly call it living - in a near derelict cottage with only an unhooked telephone and his own obsessive thoughts for company. Two years of loving Drusilla - the bored, rich, unstable girl with everything she needed, and a husband she wanted dead. The affair was over. But the long slide into deception and violence had just begun. ...

When four bodies are discovered in a house in St. John's Wood, former Chief Inspector Wexford is pulled out of retirement to follow a complex trail of clues, only to have his life thrown into turmoil by a devastating personal tragedy.

INCLUDES AN EXCERPT OF RENDELL ' S FINAL NOVEL, DARK CORNERS From " one of the most remarkable novelists of her generation " (People) a " refined, probing, and intelligent " (USA TODAY) mystery in the masterful Inspector Wexford series...more enthralling than ever after fifty years. A female vicar named Sarah Hussein is discovered strangled in her Kingsmarkham vicarage. A single mother to a teenage girl, Hussein was working in a male-dominated profession. Moreover, she was of mixed race and wanted to modernize the church. Could racism or sexism have played a factor in her murder? Maxine, the gossipy cleaning woman who discovered the body, happens to also be in the employ of retired Chief Inspector Wexford and his wife. Wexford is intrigued by the unusual circumstances of the murder, and when he is invited by his old deputy to tag along with the investigators, he leaps at the chance. As Wexford searches the Vicar ' s house, he sees a book on her bedside table. Inside the book is a letter serving as a bookmark. Without thinking much, Wexford puts it into his pocket. Wexford soon realizes he has made a grave error in removing a piece of valuable evidence from the scene without telling anybody. Yet what he finds inside begins to illuminate the murky past of Sarah Hussein. Is there more to her than meets the eye? No Man ' s Nightingale is Ruth Rendell ' s masterful twenty-fourth installment in one of the great crime series of all time, an " absorbing and rewarding " (Seattle Times) mystery that explores issues of sexism, class, and racism. As Stephen King said: " No one surpasses Ruth Rendell. "

A Sight for Sore Eyes tells three stories, and for the longest time, the reader has no inkling of how they will come together. The first is a story of a little girl who has been scolded and sent to her room when her mother is brutally murdered; as Francine grows up, she is haunted by the experience, and it is years before she even speaks. Secondly, we become privy to the life of a young man, Teddy, born of unthinking young parents, who grows up almost completely ignored. Free of societal mores, he becomes a sociopath, who eventually discovers that killing can be an effective way to get what he wants. Thirdly, we meet Harriet, who from an early age has learned to use her beauty to make her way in the world. Bored by marriage to a wealthy, much older man, she scans the local newspapers for handymen to perform odd jobs around the house, including services in the bedroom. When these three plots strands finally converge, the result is harrowing and unforgettable. A Sight for Sore Eyes is not just the work of a writer at the peak of her craft. It is an extraordinary story by a writer who, after 45 books, countless awards, and decades of international acclaim, is still getting better with every book.
