Theoden Sura the death merchant, Prince of the city, devoted son of king Ara and Father and grandfather to all his children. This is the Theoden we know of since I started reading the new haven series where I was thrust into the land of sinfully deadly vampires, dragons and werewolves and where only the fittest and cleverest survive.

Theoden bowed to Ara ' s dominion as his sire relatively easily; there was a bit of conflict with his sibling—which exists even into the New Haven series; and a spattering of incidents that take us from the beginning of his journey (with quite a lot of feeling) to the end (with much less) without really revealing the growth of character necessary to get him there.

Check out this great listen on Audible.com. Lord Théoden has been given orders by King Ara to carry out under his new position, which goes against his desires. Noel, on other hand, has to figure out how to navigate his new life as an enforcer under the King's merciless decree and Marco's sa...

Follow Noel, a captured rebel of the human Resistance, as he endures his punishment at the hands of his supernatural enemies, the vampires. See where his fate lies. Highly erotic and extremely dark and twisted. Prepare yourself "I've been betrayed by someone I trusted. Because of him, I was captured by my loathed enemy: The vampires. Right now, the sun is still high in the sky, but I know when it sets, I'm as good as dead. They can't wait to get their fangs into me. I guess some would say I have it coming. I did raise a lot of hell with my Resistance crew, and I was planning on raising a hell of a lot more at dawn before I was sold out by Jonah. The vampires, werewolves and dragons, have been trying to track me down for months and I'd always been two steps ahead of them. I guess my number is up. I just hope they make it quick. You see, the vampires in my reality aren't the romantic lot you read about in books. They don't sparkle or hang out at high schools with their teenage girlfriends. Hell no, vampires are brutal, calculating, sadistic and bloodthirsty. As a matter of fact, all of the monsters are! That's how they were able to take over the world so easily and change an entire civilization to suit their needs. Whatever happens, I know it's not going to be pretty, so I'm preparing myself for the worst. May God help me." Warning: This novelette series contains hardcore sexual situations between men, not meant for sensitive eyes. I'm talking crude, lewd and full of attitude. This series will most likely either offend you or get ya revved up. This series isn't going to be pulling any punches whatsoever, so you've been warned. Mature Adult Content meant for readers looking for something dark, taboo, sexy, and unapologetic in their paranormal erotica. This is NOT a romance.

My name is Theoden, this is the story of my life. Apparently, there has been a huge demand for me to tell it. Normally, I do what I want, unless the command comes from my Sire, Ara. But, revealing the tale about how I became the powerful vampire Prince of the City is something I think I will enjoy telling. You'll see my first mission for the church, my first kill, the life-changing moment when I lost my virginity, and how I chose my first son, all of the things that mean something to me, that made me the vampire I am. So, sit back, and give me all of your attention, as I want your eyes on me. Now, let's begin.

Prince Theoden is now finally able to preside over his city now that King Ara's decree as been fulfilled. However, things may not run as smoothly has he'd like, considering Deacon has other plans for him and his vampires. The wolf Alpha desires more territory, and he's willing to manipulate and kill anyone to get what he wants. Noel, has his plate full becoming a Father to a willful son, as well as his training with Marco to be a General. Not to mention being used in negotiations by his Father, the Prince. There's never a dull moment in New Haven. Highly erotic and extremely dark and twisted. Prepare yourself. Warning: This book contains strong adult content not meant for sensitive eyes. This book is filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. The vampires are not misunderstood, hopeless romantics looking for love. The werewolves are not cute and cuddly and the dragons aren't the ones from your childhood. This is NOT a romance."

Come and Get me continues the epic sexual and dark adventures from the New Haven Series with new and old characters point of views. Everyone has an agenda and these supes do not care who they have to kill to get what they want. This series contains extremely graphic content meant for mature readers.

It was my lunch break, so why did I have to pullover the jerk speeding down the street in an Aston Martin? If ever there was a time to look the other way, that was the moment, but ignoring crime in progress isn't my thing. My name is Brian Cordero, a cop with the Alandale Police Force and I had no idea just how much my life was going to change the instant my fingers brushed Raphael Ledeo's. Now, I've been turned from human to demon, and that is just the beginning of this heap of trouble I've gotten myself into. Turns out, there are eight gates to hell, and one of them--the worst one--is open and a secret demon-hunting organization wants my help to close it. I'm in way over my head and It doesn't help that the demon inside of me lusts for the demon inside of Raphael, a man I'd rather steer way clear of. God, will I be able to resist the temptation and get used to my new demon life? I just don't know. Warning: This volume contains strong adult content not meant for sensitive eyes. The novelettes in this serial will be filled with dark, twisted, raunchy, steamy and even a little romantic scene between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. These demons play hard and they fight dirty.

Dominion is the tale of Mateo as he struggles for his freedom in a post-apocalyptic world that is as beautiful as it is ugly.

The Treason of Isengard is the seventh volume in Christopher Tolkien's History of Middle-earth and the second in his account of the evolution of The Lord of the Rings. This book follows the long halt in the darkness of the Mines of Moria (which ended The Return of the Shadow) and traces the tale into new lands south and east of the Misty Mountains. Tolkien introduces us to Lothlorien, land of the elves, where we meet the Ents, the Riders of Rohan, and Saruman the White in the fortress of Isengard. In brief outlines and penciled drafts dashed down on scraps of paper are the first entry of Galadriel; the earliest ides of the history of Gondor; and the original meeting of Aragorn with Eowyn, its significance destined to be wholly transformed. Conceptions of what lay ahead dissolve as the story takes its own paths, as in the account of the capture of Frodo and his rescue by Sam Gamgee from Minas Morgul, written long before J.R.R. Tolkien actually reached that point in the writing of The Lord of the Rings. A chief feature of the book is a full account of the original Map, with drawings of successive phases, which was long the basis and accompaniment of the emerging geography of Middle-earth. An appendix describes the Runic alphabets of the time, with illustrations of the forms and an analysis of the Runes used in the Book of Mazarbul found beside Balin's tomb in Moria.

An affair that stunned the world. Two men, committed to their impossible love. One general, determined to destroy them both. President Jack Spiers and former Secret Service Agent Ethan Reichenbach throw caution to the wind, committing themselves publicly as the first out male lovers and partners to occupy the White House. Jack moves Ethan into the Residence, but as Ethan settles into his new role as first gentleman of the United States, not everyone is thrilled with their choices. When it seems like the world turns against them, Jack and Ethan must turn to each other, finding the strength together to press on. In the chaos, Jack's relationship with the Russian president, Sergey Puchkov, grows closer, and the two nations find themselves working almost as allies. But President Puchkov has secrets of his own, secrets that could rip everything apart. And Ethan steps back into the action with Lieutenant Adam Cooper, taking charge of a covert kill team tasked with hunting down General Madigan once and for all. But Madigan is elusive, and his dangerous reach is long. He strikes at Jack and Ethan from the shadowy corners of the globe, unraveling their entire world. As the mad general draws new allies together, he is single-minded in his quest to destroy the only two men who ever beat him. He will stop at nothing until Jack and Ethan are shattered men, worlds apart, and struggling to get back to one another. And after that, Madigan's true revenge begins...
