Since the horrific night a drunk driver slammed into their car during his driving lesson, young Teddy has had to live with the memory of seeing his beloved father, Stan, die. Now just sixteen, he carries both sorrow and survivor's guilt. Concerned for her grieving son, Mary decides to put as much

distance as she can between Teddy and the nightmarish Phoenix intersection that claimed Stan's life. She moves the family to Stan's small Indiana hometown, a place of peace in which she hopes they can build new memories. There, Teddy finds inspiration in an old book his great-grandfather carried with him to America, a book Bulgarian fathers have always read to their sons. Is Stan reaching out to his son from the grave? Mary also makes an equally life-changing discovery in the small town—Rosetta, Stan's high school sweetheart. The deeper Mary digs, the more she learns of the forbidden love Stan and Rosetta shared. During the Civil Rights Movement, they dared to reach out for love across racial lines. Now as their three lives intertwine, Teddy, Mary, and Rosetta must make difficult choices. Will they choose happiness? Or will old pains cause them to live as victims of circumstances? Beginning in 1912 on Ellis Island and told in three voices over four generations, I'll Always Be with You is a profound celebration of the power of family.

Especially after the sinewy cowboy kidnapped her. Seth claimed to be her bodyguard and that he needed to take her to a safe house. But when the Montana mountain cabin blows up, he becomes all that stands between Levi and an untimely death. Running for their lives and with no one to trust, Levi is at the mercy of the sexiest man she'd ever met. For thirty years starting in the mid-1970s, the byline of Jim Dooley appeared on riveting investigative stories of organized crime and political corruption that headlined the front page of Honolulu's morning daily. In *Sunny Skies, Shady Characters*,

James Dooley revisits highlights of his career as a hard-hitting investigative reporter for the Honolulu Advertiser and, in later years, for KITV television and the online Hawaii Reporter. His lively backstories on how he chased these high-profile scandals make fascinating reading, while providing an insider's look at the business of journalism and the craft of investigative reporting. Dooley's first assignment as an investigative journalist involved the city housing project of Kukui Plaza, which introduced him to the "pay to play" method of awarding government contracts to obliging consultants. In later stories, he scrutinized bloody struggles over illicit gambling revenue, the murder of a city prosecutor's son, local syndicate ties to the Teamsters Union, and the dealings of Bishop Estate. His groundbreaking coverage of the forays by yakuza into Hawaii and the continental United States were the first of its kind in American journalism. As Dooley pursued stories from the underside of island society, names of respected public figures and those of violent criminals filled his notebook: entertainer Don Ho, U.S. Senator Daniel Inouye, Governors George Ariyoshi and Ben Cayetano, Mayor Frank Fasi, and notorious felons Henry Huihui, Nappy Pulawa, and Ronnie Ching. Woven throughout is the name of Big Island rancher Larry Mehau—was he the "godfather of organized crime" in Hawaii as alleged by the FBI, or simply an ex-cop who befriended power brokers in the course of doing business for his security guard firm? The book includes a timeline of Mehau's activities to allow readers to judge for themselves.
