Barack Hussein Obama Sr. (/ b æ r k h u s e n o b m /; 18 June 1936 – 24 November 1982) was a Kenyan senior governmental economist and the father of Barack Obama, the 44th president of the United States. He is a central figure of his son's memoir, *Dreams from My Father* (1995). Obama married in 1954 and had two children with his first wife, Kezia.

From one of our preeminent journalists and modern historians comes the epic story of Barack Obama and the world that created him. In *Barack Obama: The Story*, David Maraniss has written a deeply reported generational biography teeming with fresh insights and revealing information, a masterly narrative drawn from hundreds of interviews, including with President Obama in the Oval Office, and a trove of letters, journals, diaries, and other documents. The book unfolds in the small towns of Kansas and the remote villages of western Kenya, following the personal struggles of Obama's white and black ancestors through the swirl of the twentieth century. It is a roots story on a global scale, a saga of constant movement, frustration and accomplishment, strong women and weak men, hopes lost and deferred, people leaving and being left. Disparate family threads converge in the climactic chapters as Obama reaches adulthood and travels from Honolulu to Los Angeles to New York to Chicago, trying to make sense of his past, establish his own identity, and prepare for his political future. *Barack Obama: The Story* chronicles as never before the forces that shaped the first black president of the United States and explains

Follow Barack Obama's extraordinary journey to the White House with 30 handsome illustrations and captions that mark significant events in his life ? from his childhood, education, and marriage to his historic victory as the 44th President.

#1 NEW YORK TIMES BESTSELLER • Barack Obama ’ s lucid vision of America ’ s place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate “ In our lowdown, dispiriting era, Obama ’ s talent for proposing humane, sensible solutions with uplifting, elegant prose does fill one with hope. ” —Michael Kazin, *The Washington Post* In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners ’ minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called “ the audacity of hope. ” *The Audacity of Hope* is Barack Obama ’ s call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the “ endless clash of armies ” we see in congress and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of “ our improbable experiment in democracy. ” He explores those forces—from the fear of losing to the perpetual need to raise money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is Barack Obama ’ s vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions

within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the principles that gave birth to our Constitution, Obama says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he writes— “ waiting for Republicans and Democrats to catch up with them. ”

**#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE ’ S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS** In this iconic memoir of his early days, Barack Obama “ guides us straight to the intersection of the most serious questions of identity, class, and race ” (The Washington Post Book World). “ Quite extraordinary. ” —Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother ’ s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father ’ s life, and at last reconciles his divided inheritance. *Praise for Dreams from My Father* “ Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride ’ s *The Color of Water* and Gregory Howard Williams ’ s *Life on the Color Line* as a tale of living astride America ’ s racial categories. ” —Scott Turow “ Provocative . . . Persuasively

# Download File PDF Who Is Barack Obama Who Was

describes the phenomenon of belonging to two different worlds, and thus belonging to neither. ” —The New York Times Book Review

“ Obama ’ s writing is incisive yet forgiving. This is a book worth savoring. ” —Alex Kotlowitz, author of *There Are No Children Here*

“ One of the most powerful books of self-discovery I ’ ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel. ” —Charlayne Hunter-Gault, author of *In My Place*

“ *Dreams from My Father* is an exquisite, sensitive study of this wonderful young author ’ s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white. ” —Marian Wright Edelman
