to deal in a straightforward fashion with the common needs of clients. The book begins by looking at the essential legal framework of wills, trusts and taxation through a combination of detailed and authoritative commentary, worked examples and expertly drafted precedents. It then examines specific topics including: transferable nil rate band, using IPDIs, provision for children, pilot trusts, gifts, APR and BPR, instruments of variation and disclaimer, and tax efficient administration. The authors narrative commentary is supplemented by 40 precedents which are included on an accompanying CD-ROM, allowing users to download and adapt each document as necessary.

A brand new edition of Wills, Administration and Taxation, encompassing all the latest developments and case law. An essential purchase for those studying the subject at LLB or LPC level, and for practitioners looking for a practical guide.

This is the eighth edition of the text which applies a practical approach to a subject which forms a large part of the work of many solicitors. It deals comprehensively with tax considerations, the substantive law and also covers in detail drafting, probate practice and procedure.

Written by leading lawyers in the field, this popular guide to the tax-efficient drafting of wills, estate planning and administration provides practitioners with help and guidance on everyday estate planning and will drafting and discusses the typical problems and pitfalls that may be encountered in practice. The precedents have been carefully selected to deal in a straightforward fashion with common needs of clients. The book begins by looking at the essential legal framework of wills, trusts and taxation through a combination of detailed and authoritative commentary, worked examples and expertly drafted precedents. It then examines specific topics including: transferable nil rate band, using IPDIs, provision for children, pilot trusts, gifts, APR and BPR, obtaining the grant, instruments of variation and disclaimer, constituting and administering the will, and tax efficient administration. This edition has been extensively revised and includes four new chapters: Notes for the Will Draftsman Gifts to Charity and the Reduced IHT Rate Obtaining the Grant Constituting and Administering the Will. The authors' narrative commentary is supplemented by 40 precedents which are included on an accompanying CD-ROM, allowing users to download and adapt each document as necessary.
