Violence: A Writer's Guide (Second Edition) introduces writers to a world of terror, pain and blood. A world where lives are changed forever in a few desperate seconds. A world where innocent people, heroes, and the most depraved criminals live, thrive, suffer and die in a constant struggle for survival. This is your world. It's the real world. Bad things happen in the real world. This book is for writers who write about assault, fighting, war, and
