about the condition. Brand: Yamaha. Model: APX500. Yamaha APX500 Electric Acoustic Guitar Black. Condition is Used. This guitar has hardly been played since purchasing earlier this year and is in good condition apart from the odd light scratch on the back of the body. Selling since this was an impulse buy and I could use with the extra money.

Acoustic Guitar magazine. This indispensable guide begins by acquainting players with their instruments and laying to rest some pervasive guitar myths, then proceeds through various aspects of basic care, setup, common repairs, and pickup installation. Whether it's cleaning and polishing a beloved guitar, protecting it from theft or changes in humidity, selecting a case, or performing diagnostics, readers will become more savvy acoustic guitar owners and repair-shop customers and can forego dubious advice from well-meaning friends and anonymous "experts" on the Web. Includes a primer and glossary of terms.

Serious about jamming, understanding, and creating guitar-driven music? Easy. With an approachable and engaging style, *Guitar Theory For Dummies* goes beyond guitar basics, presenting the guidance intermediate to advanced players need to improve their improvisational and compositional skills. Plus, with access to audio tracks and video instruction online you can master the concepts and techniques covered in the book. Key content coverage includes: pentatonic and major scale patterns; the CAGED chord system, chord progressions, and playing by numbers; roots, keys, and applying scales, plus modes and modal scales; intervals and chord extensions; popular song references and theory applications that help you understand how to play popular music and contemporary guitar styles, and create music of your own. This title also features companion audio tracks and video content hosted online at Dummies.com The expert instruction and easy-to-digest information provides comprehensive guidance on how to apply music theory concepts to fretted instruments If you already have a handle on the basics and want to know more about the building blocks and theory behind guitar music, *Guitar Theory For Dummies* has you covered.

Blessed is the Spot is a simple and beautiful prayer book for children. Illustrated with warm and inviting imagery by Constanze von Kitzing, whose work strikes the perfect balance between playful and reverent, the book contains a single prayer from the writings of the Bahai Faith. The prayer has long been loved and cherished by the Bahai community for its exquisite yet accessible words, and it is hoped that many new readers, both children and parents alike, will fall in love with the prayer and find inspiration in its uplifting words.

A complete reference for the design and construction of the steel-string folk guitar and the classical guitar.
