On the Path to Enlightenment - Chris Hamilton 2013-10-17

On the Path to Enlightenment: A Hope for Humanity seeks to provide insight into the purpose of life. Author Chris Hamilton explains that it is the lessons we are learning in our everyday lives that define our life's purpose. These lessons give us hope to move forward into the light through love, releasing fear and judgment as we find peace and listen to our

inner voice. We also realise that we do have help in our daily life through the guidance we are each given on a daily basis. We were born to experience life in all its many facets—to find love and to live that love. From personal tragedy in Chris's life comes a warm story of understanding our spiritual side through this guidance and ultimately finding peace and forgiveness. She has received what she believes to

be divine guidance over a period of time, some of which was channelled to uplift her in times of sadness, doubt, or frustration. She feels it has been given, not for her alone, but for everyone. As our planet moves towards a higher dimension, we, mankind, must move forward with it if we are to remain on the earth in our physical forms. On the Path to Enlightenment seeks to help us make that move. "Profound and uplifting, this book by Chris Hamilton has grown from a long study of esoteric knowledge, channelled guidance, and personal tragedy." —Lawrence and Michael Sartorius, authors of *The New Earth Hawaii's Story* - Liliuokalani (Queen of Hawaii) 1898

*The Story of the Seer of Patmos* - Stephen N. Haskell 1993-05

The book of Revelation pronounces a blessing upon everyone who "reads" or even "hears" it read. Yet, many treat it as a mysterious book that should not be read and cannot be understood. S. N. Haskell has opened the book of Revelation up in an easily read style that explains it and its

relation to our day. This facsimile, originally printed in 1905, makes an excellent study book for young and old.

*Channeling* - Jon Klimo 1998-04-17

In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco Bay Area, writes with clarity about "the communication of information to or through a physically embodied human being from a source...on some other level or dimension of reality other than the physical as we know it." He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and Edgar Cayce. He discusses the sorts of people who are channels, kinds of information channeled, sources of information channeled and varieties of channeling like clairvoyance and automatic

writing. According to Klimo, few people tap into their abilities to perform channeling and for those who think they can, he serves as guide.

#### Eagles Of The New Dawn -

Patricia Pereira 2011-03-15

In 1987 Patricia Pereira started receiving telepathic communications from the star Arcturus and was requested to begin a series of galaxy-inspired manuscripts. The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well-being of our planet and all creatures who live upon her. Philosophical in scope, the essays in these books provide pragmatic, practical suggestions for emotional, mental, physical, and spiritual transformation. They remind readers of humans' relationships to the beings of light who inhabit the great star nations. The books are like cosmic flash cards: they can be opened and read at any part or in their entirety. Patricia Pereira was called to

write through telepathic communications from the star Arcturus begins with the definitions of the sky warriors, also called "eagles of the new dawn." The book focuses on information regarding the Arcturians and their role with humans, earth as a planet seeded by stars, and humans as starseeds, and includes a fascinating rewrite of history featuring extraterrestrial involvement. The author's work encourages readers not to fear extraterrestrial contact, realize their telepathic ability, and awaken to proper stewardship of the earth.

*No Crystal Stair* - Vaunda Micheaux Nelson 2013-08-01  
"You can't walk straight on a crooked line. You do you'll

break your leg. How can you walk straight in a crooked system?" Lewis Michaux was born to do things his own way. When a white banker told him to sell fried chicken, not books, because "Negroes don't read," Lewis took five books and one hundred dollars and built a bookstore. It soon became the intellectual center of Harlem, a refuge for everyone from Muhammad Ali to Malcolm X. In *No Crystal Stair*, Coretta Scott King Award-winning author Vaunda Micheaux Nelson combines meticulous research with a storyteller's flair to document the life and times of her great-uncle Lewis Michaux, an extraordinary literacy pioneer of the Civil Rights era. "My life was no crystal stair, far from it. But I'm taking my leave with some pride. It tickles me to know that those folks who said I could never sell books to black people are eating crow. I'd say my seeds grew pretty damn well. And not just the book business. It's the more important business of moving our people forward that has

real meaning."

*Man and His Symbols* - Carl G. Jung 1968-08-15

The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung’s revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society.”—The Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life’s work that the unconscious mind comes to be understood as an expansive, rich world just as

vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a

revelatory, absorbing, and relevant experience.

**The Intuitionist** - Colson Whitehead 2012-05-23

This debut novel by the two time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys* wowed critics and readers everywhere and marked the debut of an important American writer. Nominated as one of America's best-loved novels by PBS's *The Great American Read* it is a time of calamity in a major metropolitan city's Department of Elevator Inspectors, and Lila Mae Watson, the first black female elevator inspector in the history of the department, is at the center of it. There are two warring factions within the department: the Empiricists, who work by the book and dutifully check for striations on the winch cable and such; and the Intuitionists, who are simply able to enter the elevator cab in question, meditate, and intuit any defects. Lila Mae is an Intuitionist and, it just so happens, has the highest

accuracy rate in the entire department. But when an elevator in a new city building goes into total freefall on Lila Mae's watch, chaos ensues. It's an election year in the Elevator Guild, and the good-old-boy Empiricists would love nothing more than to assign the blame to an Intuitionist. But Lila Mae is never wrong. The sudden appearance of excerpts from the lost notebooks of Intuitionism's founder, James Fulton, has also caused quite a stir. The notebooks describe Fulton's work on the "black box," a perfect elevator that could reinvent the city as radically as the first passenger elevator did when patented by Elisha Otis in the nineteenth century. When Lila Mae goes underground to investigate the crash, she becomes involved in the search for the portions of the notebooks that are still missing and uncovers a secret that will change her life forever. *Oathbringer* - Brandon Sanderson 2017-11-14

The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the

ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. The Path to Your Ascension - Annice Booth 2010-12-07

"The Path to Your Ascension will empower you to focus on what's really important in life. It will help you rediscover what your soul has known from the beginning—that life does have a higher purpose. And that each encounter along the way, no matter how difficult, is a stepping-stone that will lead you back to your source. The world's religions have singled out great masters who have walked the earth and "ascended" to God. Elijah was swept up into heaven in a chariot of fire. Gautama Buddha entered Parinirvana. Jesus ascended to the Father, and Mary was assumed into heaven. These masters were not exceptions to the rule. They were teachers, mentors, examples. They came to show us how we, too, can master the circumstances of our life and walk the path home to God. The Path to Your Ascension shapes the wisdom of these

ascended masters into a personal guide for your own soul's liberation. It offers practical techniques to accelerate your spiritual growth and describes the angels and masters who can help you achieve your goal. In down-to-earth terms, sprinkled with touching anecdotes, it reveals your greatest opportunities for spirituality and the most serious challenges to making it all the way home. "

Peace brings the esoteric to the practical and maps out how to become your Best Self and feel empowered in all areas of your life. It also explains: Why we are the way we are individually and collectively; and how we got this way. How we find peace within ourselves by making peace in our relationships and all situations. That God does not allow for suffering! We create it by upholding dualistic concepts of me-and-you and us-and-them that we embraced at our beginnings and before form. The precursor to the Big Bang was the need for form to play out those dualistic concepts we chose at our beginnings: all our issues stem from those original concepts based on ideas of separation rather than unity. That understanding time makes the seven-day creation model valid. What are the extraterrestrials origins? How we can reconcile the growing evidence of our past association with the ETs and our scriptures and beliefs. Our need to embrace the Indigenous peoples connection

to Gaia. That we chose to be here at this time of the Shift to bring about our personal and Gaias Ascensions.

**The Crystal Stair** - Eric Klein 1998-11-01

Since Eric Klein first brought through the messages in this book, his works have sold over 100,000 copies, been translated into eight foreign languages, and have played a major role in placing the idea of ascension on the map of human consciousness. This new, updated edition further supports those who have chosen to dedicate their lives to the spiritual path during these times of massive planetary change. A timeless work, *The Crystal Stair* glows with love, truth, hope and inspiration, serving as a remarkable key to unlocking the mystery of the transformation called ascension.

**Intuition by Design** - Victor R. Beasley 1995

*Intuition By Design* is an instrument for harmonizing within the individual the highest frequencies of both intuition and intellect. This

unique blend of spontaneous insight and linear thought has been called the "intelligence of the Heart". Such applied wisdom brings the clarity of true inner knowing to bear upon all of your daily activities. This work introduces the Intuition Quotient Cards -- an adaptation of ancient geometric technology that has been updated for contemporary use. Each card carries a geometric pattern which generates a specific energy field on one side, and corresponding written verse on the other.

**Forthcoming Books** - Rose Arny 1993

**Dante's Paradise** - Dante (Alighieri) 1984

*The Paradise*, which Dante called the sublime canticle, is perhaps the most ambitious book of *The Divine Comedy*. In this climactic segment, Dante's pilgrim reaches Paradise and encounters the Divine Will. The poet's mystical interpretation of the religious life is a complex and exquisite conclusion to his magnificent

trilogy. Mark Musa's powerful and sensitive translation preserves the intricacy of the work while rendering it in clear, rhythmic English. His extensive notes and introductions to each canto make accessible to all readers the diverse and often abstruse ingredients of Dante's unparalleled vision of the Absolute: elements of Ptolemaic astronomy, medieval astrology and science, theological dogma, and the poet's own personal experiences.
