The Portable Italian Mamma - Laura Mosiello 2009-02-18

You're so skinny—what have you been eating? Have you spoken to your brothers today? Would it kill you to go to Mass with your mother? Everyone who has ever walked into an Italian mother's kitchen has been met with a kiss on the cheek and spoonful of her special gravy—whether you're a relative, friend, friend of a relative, or paperboy. This book packs the kisses, sauces, and everything and anything else expected from Ma into a funny and poignant book. Authors Laura Mosiello and Susan Reynolds cook up and serve plenty of recipes, jokes, facts, and stories for Italians and non-Italians alike. They deliver the same wisdom and love Mama has been talking about (with her hands) for years. This book makes the praise, hugs, and finger wagging available at all times.

Learn Italian for Kids - Pro Language Learning

Improve Your Child's Italian Skills in no Time with the Most Amusing Book for Kids and Beginners! Would you like your child to: - Help your child improve their Italian? - Learn proper Italian pronunciation? - Discover the most commonly used phrases in daily conversations? The Italian Kid Did It - Tom Golisano 2022-02-01

Entrepreneurs, business owners, investors: here is the rare, no-nonsense advice you haven't heard—straight from Paychex founder and billionaire philanthropist Tom Golisano—to overcome the most common (and some not so common) obstacles to live a successful life. Watching his father struggle to support his family through bigotry and other challenges in being an Italian immigrant, Tom Golisano learned early on the value of thinking outside the box and not letting perception sway your view of reality. Now, for the first time, Golisano shares the political shenanigans, behind the scenes stories, significant characters from his remarkable life, and key insights to thrive in your career. Filled with humor and wisdom, *The Italian Kid Did It!*: Reveals the secrets behind much of Golisano's success and teaches you how to apply those same success-hacks to your own life. Emboldens you to see the world differently in terms of what's possible despite what others may have you believe. Entertains and enlightens you along the way, with Golisano's stories of running for Governor two times, purchasing a failing NHL franchise, the Buffalo Sabres, and dry sense of humor throughout. The American Dream is possible to all of us if we are willing to take risks and work for it. The stories, wisdom, and insight in *The Italian Kid Did It!* just might be the shortcut you need to get there faster.

Am I Small? Adim Obere? - 2014-02-12

Bilingual Edition English-Igbo "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "This is baby's favorite book!" -Amazon Customer Review from the United States "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "This has been my daughter's favourite book since she was 4 months old. The sentences are nice and short so she doesn't lose interest in the pictures while I'm reading each page." -Amazon Customer Review from the UK "Muito legal esse livro. Singelo, divertido e relacionado ao universo da criança. Bom pra desenvolver o vocabulário. As ilustrações são lindas. Meu filho adorou." -Amazon Customer Review from Brazil "You are small or big depending on with what you relate to. A simple

cute book which exactly portrays this message." -Amazon Customer Review from India "Muy buen libro infantil. Dinámico, orgánico, perfecto para aprender en romaji. De fácil lectura y con una protagonista realmente encantadora" -Amazon Customer Review from Mexico "Beautifully illustrated and cleverly written." -Amazon Customer Review from Australia "We are in love with this book!"-Amazon Customer Review from the United States "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review from the United States "Whenever I have time to read to her, she wants this book. And she repeats words. That's insanely cute." -Amazon Customer Review from Canada "Mia figlia di due anni e mezzo è entusiasta dei disegni bellissimi e dei colori. Apprezza anche le vicende di una bimba nè grande nè piccola ma giusta così." -Amazon Customer Review from Italy "My three year olds love it and the story's concept will grow with them for several years to come making it a keeper." -Amazon Customer Review from the U.S. "A nuestra hija le ha encantado. [...] Estamos muy satisfechos con la compra." -Amazon Customer Review from Spain "I got this book to read with my granddaughters, one from the US and one from Portugal. It is so incredibly cute! They loved it, and I did too. I highly recommend this book!" -Amazon Customer Review from the U.S. "Ce petit livre est tout ce que j'aime !!! Le graphisme, les couleurs, tout y est magnifiquement soigné, poétique et charmant !!! [...] Une merveille de beauté et de magie à ne pas louper !!!" -Amazon Customer Review from France "My little boy loves this as a bedtime story. It's colourful and quirky. [...] I thought it would be uninteresting to a child, to be read to in another language, but he asks for 'Bin ich klein' and it melts my heart!" - Amazon Customer Review from the United Kingdom "readers will emerge from this book feeling slightly more confident about themselves- whatever their size."-ForeWord Clarion Reviews "This is done with simplicity at its finest. The art is whimsical, the message is clear and most of all my grandson loves it. I would recommend this book to any child provider as part of their reading library." -Amazon Customer Review from the U.S. Languages Available for every country in at least one official language. Please note: This book is a bilingual picture book

with a 1:1 translation created by human translators (see translator's credits for details).

The Silver Spoon for Children New Edition - Amanda Grand 2019-09-25
On the 10th anniversary of its first publication, a new edition of this bestselling collection of quick, wholesome, easy-to-make Italian dishes for kids to prepare Following the global success of the first edition of The Silver Spoon for Children (adapted especially for children from the most influential Italian cookbook of the last 50 years), and to mark the 10-year anniversary of its publication, this newly designed edition presents a fresh, easy-to use layout. Kids will love to cook and eat the authentic regional Italian dishes - chosen by a nutritional specialist for their simple instructions, achievability, and balanced nutrition. With its charming specially commissioned illustrations, a lively layout, and bright and tempting photographs of the finished dishes, this book is sure to please budding cooks in kitchens around the world.

Cousins Forever - Elisavet Arkolaki 2021-02-14

Cousins Forever is a beautifully written and illustrated book that captures the special relationship that cousins share. When one of the two families moves abroad, the two cousins do not let the distance come between them. They talk often about their friends, animals, different seasons, and outdoor activities, via video chat. With new words and languages being part of their everyday life, the two girls come up with a fun, painting game, the "Word Swap". A lovely tribute to the unique friendship of cousins. Parents, aunts, uncles, and grandparents can share this book with little ones who are just beginning the lifelong journey as cousins together. Close friends are family also, so if you don't have an extended family, your child's best friend may also be referred to as a cousin. After reading this book, children will: □Be prompted to write their very own favorite words □Be encouraged to express themselves through art □Want to paint and get creative Albert Einstein has been quoted to have said that creativity is intelligence having fun, and that imagination is more important than knowledge. Creativity is the highest form of intelligence because it goes beyond knowledge recall and extends into knowledge creation. Did you know that creative young

children who use their imagination are more effective, resourceful, resilient, and confident than their peers? Creative children are also better equipped to overcome obstacles and navigate changes in life. This book makes the perfect gift for creative little boys and girls, teachers, librarians, and parents. Perfect for all children ages 3, 4, 5, 6, 7, 8, and up. Most suitable for Pre-K, grade 1, grade 2, grade 3, and parents and teachers who appreciate a well-written and beautifully illustrated book with traditional watercolor art to enhance a child's world. Cousins Forever is also available in several bilingual editions (English-Spanish, English-Greek, English-Portuguese, English-French, English-German, English-Italian).

Wish You Were Italian - Kristin Rae 2014-05-06

Enjoy *Wish You Were Italian* and the other standalone titles in Bloomsbury's contemporary *If Only* romance line centered around an impossible problem: you always want what you can't have! The summer before senior year of high school. It's supposed to be one of the biggest summers of her life, but Pippa is headed to an art program she has no interest in. The one saving grace is it's in Italy. And when the opportunity strikes, she decides to ditch the program and travel Italy accomplishing her own list of goals. Things like swimming in the Mediterranean Sea, eating a whole pizza in one sitting...and falling in love with an Italian boy! As she explores the famous cities of Rome and Pompeii, Pippa finds herself falling for two boys: a local guy she knows is nothing but trouble

and a cute American archaeology student who keeps disappearing and reappearing at the strangest moments. Will Pippa find her true love before her parents find out the truth about her summer program?

Representing Italy Through Food - Peter Naccarato 2017-03-09

Italy has long been romanticized as an idyllic place. Italian food and foodways play an important part in this romanticization - from bountiful bowls of fresh pasta to bottles of Tuscan wine. While such images oversimplify the complex reality of modern Italy, they are central to how Italy is imagined by Italians and non-Italians alike. *Representing Italy through Food* is the first book to examine how these perceptions are constructed, sustained, promoted, and challenged. Recognizing the power of representations to construct reality, the book explores how Italian food and foodways are represented across the media - from literature to film and television, from cookbooks to social media, and from marketing campaigns to advertisements. Bringing together established scholars such as Massimo Montanari and Ken Albala with emerging scholars in the field, the thirteen chapters offer new perspectives on Italian food and culture. Featuring both local and global perspectives - which examine Italian food in the United States, Australia and Israel - the book reveals the power of representations across historical, geographic, socio-economic, and cultural boundaries and asks if there is anything that makes Italy unique. An important contribution to our understanding of the enduring power of Italy, Italian culture and Italian food - both in Italy and beyond. Essential reading for students and scholars in food studies, Italian studies, media studies, and cultural studies.

Abandoned Children of the Italian Renaissance - Nicholas Terpstra 2020-04-07

Based on extensive archival research and individual stories, *Abandoned Children of the Italian Renaissance* demonstrates how gender and class shaped individual orphanages in each city's network and how politics, charity, and economics intertwined in the development of the early modern state.

My First Italian Lesson - Roz Fulcher 2019-05-15

Ciao, tutti! (Hello, everyone!) You'll be speaking Italian subito (right away) with the help of this coloring book and its more than 60 pages of vocabulary. Kid-friendly artwork accompanies terms for family members, animals, the days of the week, and other common words and simple phrases. English translations and helpful pronunciation guides appear beside each term or expression.

Lingo Dingo and the Italian Chef - Mark Pallis 2022-04-30

Learning Italian for children has never been more fun! Following on from the success of the wildly popular *The Fabulous Lost and Found* and the little Italian mouse, bestselling author, and writer on the Emmy Winning *Tales of Peter Rabbit*, Mark Pallis returns to make learning Italian for kids and children even more fun! "Lingo Dingo loves to help. Anyone. Anytime. Anyhow...." In this heartwarming story, Lingo travels to the stars to help a Italian chef. There's just one problem. The chef only speaks Italian.... What could go wrong!?! This heartwarming English Italian kids book: Blends an English language story with over 50 Italian words and phrases so that children learn Italian without realising; Builds a child's confidence in engaging with a new language; Cements the foundation of a lifelong love of the Italian language. This book uses the unique Story Powered Language Learning method work to help children learn Italian without realising it. Unlike other Italian English books for children, or traditional bilingual Italian English childrens books (or bilingual Italian English kids books), this Italian language learning book for kids is different. We take a fun character, Lingo Dingo, who kids will love, and then we put her in a tight squeeze, where she needs to figure out the meaning of the Italian words and phrases in the story in order to help save the day. Kids will be so busy laughing that they don't realise they're learning. Message from the Author I am passionate about learning languages. There is something special about that sense of connection you get when you talk to another person in their mother tongue. The expression 'they really spoke my language' really captures that magic feeling. So unlike other Italian childrens books, this book makes Italian for kids fun. I really wanted to focus on words and expressions that would make people smile. Imagine the joy on the child's

face when they say that special phrase to a native speaker! They'll feel so proud, and you will too! best, Mark This book is for people interested in: Italian language learning for kids; kids books 1 year old Italian; bilingual Italian English kids book; learning Italian for kids; Italian for kids beginners; kids Italian books for 2nd graders; Italian flash cards for kids; Italian language learning kids; learn Italian for kids; English Italian kids books; Italian kids books, Italian childrens books; Italian childrens books in Italian; Italian English childrens books; Italian textbook for children; learning Italian for children; learning Italian for children; Italian story books for children; Italian dictionary children; learn Italian children; Italian stories for children; bilingual Italian English childrens books; Italian language childrens book; Italian picture books; Italian language learning kids; learn Italian for kids; Italian workbook for kids; Italian for children; Italian dictionary children;; Italian stories for children; bilingual Italian English childrens books; Italian language childrens book; book to teach kids Italian; dual language story to learn Italian; italian for kids; learn italian for kids; italian childrens books exercise books; italian for babies; italian childrens story book; italian workbook for children; italian stories for children; italian books for children; italian gifts for children; learn italian for children; italian toys for children; bilingual italian English book children; learn italian words childrens; dual language books for children italian; italian flashcards for children; teach italian to children; italian story books for children; books in italian

Where Is My Little Dog? - Wo Ist Mein Kleiner Hund? - Ingo Blum 2018-06-18

This book is perfect for kids learning English or German as their second language. Includes 4 pages for coloring. Are you looking for your little dog named Bobby? Little dogs like to play, right? But sometimes, they disappear, what a shame! The search for Bobby the little dog is a delightful read-aloud. Let's search for him! Why did he leave without his bone? Did he go to the dentist because he could not chew his bone anymore? Is he in the park chasing ducks? Where did he go? Kids will learn different places, objects, simple questions and answers, but mostly they will be more than happy when the little dog is discovered at the end. Where? Well, just read... Kids learn well through repetition, and simple language. Each line is translated into German directly below for easy comprehension. The colors and large text in this collection make learning easy and fun. The text is simple and partly repetitive, suitable for early age learning. This dual-language bedtime story is part of the series „Where is...?“ which is specifically designed to teach children new foreign words and phrases as you read to them. The book is also available in other languages. A Quick Good Night And Funny Bedtime Story. This

story will capture children's interest and imagination and shall inspire a lifelong love of literature and reading. Now available: THREE more books in the series. Make sure to check them out!

Italian Kid Songs and Rhymes - Lisa Yannucci 2012-03-01

Italian Kids Songs and Rhymes: A Mama Lisa Book Italy! A land with a rich tradition of children's songs and rhymes! In this book we've gathered over eighty Italian songs and rhymes, presented in their original language and with translations into English. Many have commentary sent to us by our correspondents around the world. It's an ideal resource for teachers of the Italian language, parents who want to share memories with their children, and anyone who loves the Italian culture. You'll find nursery rhymes like "Batta le Manine" (Clap Your Hands), songs like "La bella lavanderina" (The Pretty Washerwoman) and Christmas carols like the beloved "Tu scendi dalle stelle" (You Come Down from the Stars). Italy has been at the center of Western civilization for thousands of years, and we've included representatives from that entire time span. So you'll even find a few songs in Latin, the language of the Roman Empire and the Church, like "Personent hodie" (This Day Resounds), a carol from the 1500's. We're also very pleased to include several songs in different Italian dialects. Italy has had varied linguistic influences over the ages and this has led to many different variants of the language still being spoken there. Many have also been preserved in immigrant communities, particularly in the US, though these are fading as the children and grandchildren of immigrants often speak only English. Yet those same people have treasured memories of the rhymes and songs their grandparents sang to them. There's not always a sharp distinction between songs sung by children and by adults. So we've included a sampling of popular traditional songs like "Santa Lucia". "Italian Kids Songs and Rhymes" is produced by Mama Lisa's World,

where we work with ordinary people around the globe to build a platform to preserve and exchange traditional culture. Most of the featured songs and rhymes have been provided by our contributors, to whom we're very grateful! The book works in concert with our web site. At the end of each item, there's a web address to an online version of the song or rhyme.

There we are often able to include sheet music, recordings and videos of performances. We hope this book will help foster love of the Italian language and culture all over the world! Grazie! This book includes: - Italian songs, rhymes, lullabies, and carols -Each in the original language and with translations into English -Commentary from ordinary people about what the songs have meant to their lives -Web links to recordings and sheet music -Illustrations

MISSION. - 1913

Italian Children's Literature and National Identity - Maria Truglio
2017-07-20

This book bridges the fields of Children's Literature and Italian Studies by examining how turn-of-the-century children's books forged a unified national identity for the new Italian State. Through contextualized close readings of a wide range of texts, Truglio shows how the 19th-century concept of recapitulation, which held that ontogeny (the individual's development) repeats phylogeny (the evolution of the species), underlies the strategies of this corpus. Italian fairy tales, novels, poems, and short stories imply that the personal development of the child corresponds to and hence naturalizes the modernizing development of the nation. In the context of Italy's uneven and ambivalent modernization, these narrative trajectories are enabled by a developmental melancholia. Using a psychoanalytic lens, and in dialogue with recent Anglophone Children's Literature criticism, this study proposes that national identity was constructed via a process of renouncing and incorporating paternal and maternal figures, rendered as compulsory steps into maturity and modernity. With chapters on the heroic figure of Garibaldi, the Orientalized depiction of the South, and the role of girls in formation narratives, this book discloses how melancholic itineraries produced

gendered national subjects. This study engages both well-known Italian texts, such as Collodi's *The Adventures of Pinocchio* and De Amicis' *Heart*, and books that have fallen into obscurity by authors such as Baccini, Treves, Gianelli, and Nuccio. Its approach and corpus shed light

on questions being examined by Italianists, Children's Literature scholars, and social and cultural historians with an interest in national identity formation.

New York Teachers' Monographs - 1917
