Sounds of Silence - Nan Umrigar 2012-04-01
A Bridge Across Two Worlds "Nan Umrigar's

astounding and well-illustrated story will certainly open up many minds. It asks many questions and provides some answers that give new insights of life's greatest mysteries." - Reincarnation International Magazine, U. K. "I had absolutely no leanings towards spirituality or spiritualism for that matter," says Nan Umrigar. "And I must admit that the space for God remained restricted to simple visits to the Zoroastrian fire temple on birthdays and auspicious occasions. But all of this changed with the death of my son Karl, a champion jockey, whose accident on the race track of Mumbai cut short a brilliant career. After Karl's death, we felt betrayed and gave up God and religion and the belief that if you were good, kind and truthful, nothing would go wrong. My grieving family questioned the unjust hand of fate, and nothing could fill the void, till the time I met some people who communicated with their loved ones from the spirit world." Soon, Nan also began communicating with her son and received

messages that were to change her life forever. Karl was determined to show his mother the way to happiness. Sounds came in from the silence - conquering the great divide and proving that there is something far beyond the life we live. Sounds of Silence traces in moving detail her joy at coming in touch with Karl once again, and her gradual introduction to Meher Baba, her son's guru in the afterlife. In Sounds of Silence Nan bares her soul, reflecting her own initial scepticism and doubts, until the weight of the evidence left her in no doubt about the reality of the messages. This is a book that challenges many concepts about life and death and particularly life after death. Originally self-published, Sounds of Silence fast became an 'underground' bestseller, and a tremendous source of strength for thousands who were drawn to it. This is a story of a mother's unrelenting hope, and of a love that never dies. **The Hobbit** - Paddy Kempshall 2013-11-04

Pippa Funnell - Pippa Funnell 2012-08-16

Pippa Funnell is the golden girl of the British equestrian scene - but it hasn't always been so. She seemed doomed to be a 'misser' in the really big competitions, lacking that special ingredient that makes a true champion. Everything began to change for her in 1999 when her results, including her first European title, were excellent, but it was at the Sydney Olympics that she really came of age, winning a silver medal. Since Sydney, Pippa went from strength to strength. She completed the double of European Championships in 2001, she won Badminton in 2002, and in 2003 won the Rolex Grand Slam and was awarded Sportswoman of the Year by the Sunday Times. In 2004 Pippa was a double Olympic medallist in Athens, and this autobiography includes her Olympic diary, as she records the ups and downs of the

competition, the triumph of the dressage, her cross-country round and the showjump down that cost her a gold medal. As if all this were not enough, there was the controversy of the medals being reallocated on appeal, meaning Pippa won both a silver and a bronze.

Namibia's Rainbow Project - Robert Lorway
2014-11-28

What are the consequences when international actors step in to protect LGBT people from discrimination with programs that treat their sexualities in isolation from the "facts on the ground"? Robert Lorway tells the story of the unexpected effects of The Rainbow Project (TRP), a LGBT rights program for young Namibians begun in response to President Nujoma's notorious hate speeches against homosexuals. Lorway highlights the unintended consequences of this program, many of which ran counter to the goals of local and international policy makers and organizers. He shows how TRP inadvertently diminished civil opportunities at the same time as it sought to empower youth to claim their place in Namibian culture and society. Tracking the fortunes of TRP over several years, Namibia's Rainbow Project poses questions about its effectiveness in

the faces of class distinction and growing inequality. It also speaks to ongoing problems for Western sexual minority rights programs in Africa in the midst of political violence, heated debates over anti-discrimination laws, and government-sanctioned anti-homosexual rhetoric.

On the way he becomes a seeker. These states of mind are different. And they lead Nathan on different journeys. Walk with him.

Therapeutic Metaphors for Children and the Child Within - Joyce C. Mills 2014-07-11
Winner of the 1988 Clark Vincent Award for an "outstanding contribution to the profession through a literary work" and translated into four languages, the original edition of *Therapeutic Metaphors for Children and the Child Within* was considered a groundbreaking addition to the field of child and adolescent psychotherapy. The 1986 edition was the first—and to this day the only—book that solely intertwines the extraordinary foundational teachings and philosophies of Milton H. Erickson and creative healing approaches for children and adolescents. With resiliency at its core, this revision now brings forward important topics related to neurobiology and cultural value of metaphor and play, along with fresh case examples and creative activities to a new generation of mental health, education, and coaching professionals.
