At the Origin of the Christian Claim - Luigi Giussani 1998

In At the origin of the Christian claim Liugi Giussani examines Christ's "claim" to identify himself with the mystery that is the ultimate answer to our search for the meaning of existence. Giussani argues that if we accept the hypothesis that the mystery entered the realm of

human existence and spoke in human terms, the relationship between the individual and God is no longer based on a moral, imaginative or aesthetic human effort but instead on coming upon an event in one's life. Thus the religious method is overturned by Christ; in Christianity it is no longer the person who seeks to know the mystery but the mystery that makes himself known by entering history. At the origin of the Christian claim presents an intriguing argument supported with ample documentation from the gospels and other theological writing.

**Chiara Corbella Petrillo** - Simone Troisi  
2015-09

Chiara Petrillo was seated in a wheel chair looking lovingly toward Jesus in the tabernacle. Her husband, Enrico, found the courage to ask her a question that he had been holding back. Thinking of Jesus's phrase, "my yoke is sweet and my burden is light," he asked: "Is this yoke, this cross, really sweet, as Jesus said?" A smile came across Chiara's face. She turned to her husband and said in a weak voice: "Yes, Enrico, it is very sweet." At 28 years old, Chiara passed away, her body ravaged by cancer. The emotional, physical, and spiritual trials of this young Italian mother are not uncommon. It was her joyful and loving response to each that led

one cardinal to call her "a saint for our times." Chiara entrusted her first baby to the blessed Virgin, but felt as though this child was not hers to keep. Soon, it was revealed her daughter had life-threatening abnormalities. Despite universal pressure to abort, Chiara gave birth to a beautiful girl who died within the hour. A year later, the death of her second child came even more quickly. Yet God was preparing their hearts for more—more sorrow and more grace. While pregnant a third time, Chiara developed a malignant tumor. She refused to jeopardize the life of her unborn son by undergoing treatments during the pregnancy. Chiara waited until after Francesco was safely born, and then began the most intense treatments of radiation and chemotherapy, but it was soon clear that the cancer was terminal. Almost immediately after giving birth to Francesco, Chiara's tumor became terminal and caused her to lose the use of her right eye. Her body was tested, and so was her soul as she suffered through terrible

dark nights. She said “yes” to everything God sent her way, becoming a true child of God. And as her days on earth came to an end, Enrico looked down on his wife and said, “If she is going to be with Someone who loves her more than I, why should I be upset?” Each saint has a special charisma, a particular facet of God that is reflected through her. Chiara’s was to be a witness to joy in the face of great adversity, the kind which makes love overflow despite the sorrow from loss and death.

*Sadhana* - Anthony De Mello 1984-09-01  
Christian Exercises in Eastern Form Truly a one-of-a-kind, how-to-do-it book, this small volume responds to a very real hunger for self-awareness and holistic living. It consists of a series of spiritual exercises for entering the

contemplative state -- blending psychology, spiritual therapy, and practices from both Eastern and Western traditions. Anthony de Mello offers here an unparalleled approach to inner peace that brings the whole person to prayer -- body and soul, heart and mind, memory and imagination. In forty-seven exercises that teach things such as awareness of physical sensations, stillness, healing of hurtful memories, and consciousness of self and world, de Mello succeeds in helping all who have ever experienced prayer as difficult, dull, or frustrating. The essential key, he notes, is to journey beyond mere thought-forms and discover satisfying new depths in prayer from the heart. This allows for a greater sense of awareness amid silence, and disposes the one who prays to untold riches, spiritual fulfillment, and ultimately, a mystical experience of God-centeredness. Drawing on Scripture, as well as insights from Eastern and Western spiritual masters, the author has a unique appeal that

transcends time, culture, and religious background. For many years a bestseller in the English language, Sadhana has now been translated into more than two dozen foreign languages. Readers the world over have eagerly received this sincere spiritual leader, who has led many toward the wealth of insight and spirit that dwells within them.

**The Book of Disquiet** - Fernando Pessoa 2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would

have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

Edmund Campion - Evelyn Waugh 2005

Evelyn Waugh presented his biography of St. Edmund Campion, the Elizabethan poet, scholar and gentleman who became the haunted, trapped and murdered priest as a simple, perfectly true story of heroism and holiness. But it is written with a novelist's eye for the telling incident and with all the elegance and feeling of a master of English prose. From the years of success as an Oxford scholar, to entry into the newly founded Society of Jesus and a professorship in Prague, Campion's life was an inexorable progress towards the doomed mission to England. There followed pursuit, betrayal, a spirited defense of loyalty to the Queen, and a horrifying martyr's death at Tyburn.

[Get Us Out of Here!!](#) - Nicky Eltz 2002-12-01

Dear Reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this

is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.
