Dream Guide - Michael Turner 2014-08-24

A lot of people probably won't believe this, but your dreams have a lot to do with your life while you're awake. The subconscious mind has a lot of answers to the things that your conscious mind, is too busy to figure out. For example...all your life you've been steered towards the engineering field, but your grades reflect differently, as well as your heart. A dream dictionary can help you realize that you abhor engineering. If you've been dreaming about railroad tracks, that means your subconscious is trying to tell you your life is off track. Dream interpretations are useful.

**Dream Tending** - Stephen Aizenstat 2011

You had the most amazing dream last night. It spoke to your highest aspiration-your most secret wish-and presented a vision of a future that was right for you. But now, in the cold light of day, that inspiring dream is gone forever-or is it? According to Dr. Stephen Aizenstat, a psychotherapist, university professor, and dream specialist, dreams are not just phantoms that pass in the night, but a present living reality that you can engage with and learn from in your daily life. In *Dream Tending*, Dr. Aizenstat shows how to access the power of your dreams to transform nightmare figures into profound and helpful mentors; bring fresh warmth and intimacy into your relationships; overcome obsessions, compulsions, and addictions; engage healing forces of your dreams through imaginary medicines ; re-imagine your career and cope with difficulties in the workplace; discover the potential of your untapped creativity; and see the world around you from a new and dynamic perspective.

**John's Apocalypse** - T. Craig Isaacs 2016-08-02

Two things confound and confuse most of us: our dreams and the book of Revelation. However, people remain fascinated with both. This study tackles both subjects. The book of Revelation is a vision, a dream, yet it is most often interpreted as if it were a piece of consciously created literature. One should never attempt to decipher a dream or vision by purely rational methods; rather, the dream needs to be approached as poem, art, and mythic story. In this book you will learn a means of understanding your dreams and then apply this to approaching a renewed view of the book of Revelation.

[Learning to Dream Again](#) - Samuel Wells  
2013-04-26

Meditations that beautifully articulate a contemporary Christian wisdom Through a series of short, thoughtful meditations, *Learning to Dream Again* shows what true wisdom -- wisdom shaped by Jesus' earthy humility, shameful suffering, and effervescent joy -- might look like for Christians today. Through the lens of this Christian wisdom, Samuel Wells addresses a number of difficult personal and social issues, including taxes, abortion, torture, hunger, and Christian engagement with broader culture in the arts, sciences, athletics, and medicine. As he seeks to present a faithful rendering of the mind of Christ, Wells deftly ties abstract ideas to everyday Christian living. He groups his meditations thematically into these six chapters: Learning to Love Again Learning to Live Again Learning to Think Again Learning to Read Again Learning to Feel Again Learning to Dream Again Beautifully written and extraordinarily insightful, *Learning to Dream Again* is both for Christians who have been to church for years but long to ponder the ambiguities and hard questions of faith and life and for new Christians who are just beginning to investigate how the gospel connects to their most searching questions.

*I Dream He Talks to Me* - Allison Moorer  
2021-10-12

When Allison's son, John Henry, stopped using his growing vocabulary just before his second birthday, she knew in her bones that something was shifting. In the years since his autism diagnosis, Allison and John Henry have embarked on an intense journey filled with the adventure, joy, heartbreak, confusion, and powerful love lessons that are the hallmarks of a quest for understanding. In *I Dream He Talks to Me*, Allison details the meltdowns and the moments of grace, and how the mundane expectations of a parent turn into extraordinary achievements. The saying goes, "If you know one person with autism, you know one person with autism"; no two stories are alike, and yet there are universal truths that apply to all parent-child relationships. With gorgeous prose, Allison shares her and John Henry's experience while also creating a riveting narrative that will speak to anyone who parents—and who has questioned their own ability to do so. An exploration of resilience and compassion—both for ourselves and for others—I *Dream He Talks to Me* is also a moving meditation on our place in the world and how we get there; what words mean, what they don't; and, ultimately, how we truly express ourselves and truly know those whom we love.

**Lucid Dreams** - Jayne Omojayne 2016-09-01

Lucid dreaming has been acknowledged for centuries, but has till lately remained a rare and little recognized phenomenon. My own scientific and personal explorations, together with the findings of additional dream researchers across the world, have merely started to shed light on this strange state of consciousness. Lately, this fresh research field has captivated the attention of the population outside the domain of scientific dream research as studies have demonstrated that given suitable training, individuals may learn to have lucid dreams. It has been stated that "everything is dependent on remembering," and this is surely true of lucid dreaming.

Learning to recall your dreams is essential if you wish to learn how to dream lucidly. Till you have excellent dream recall, you won't bear much probability of bearing many lucid dreams. *Kingdom Man* - Tony Evans 2012-03-01

"A kingdom man is the kind of man that when his feet hit the floor each morning the devil says, 'Oh crap, he's up!'" So begins this powerful volume from Dr. Tony Evans, now in softcover. Tony believes that God wants every man to be a world-changer. He skillfully takes readers along a journey through the principles of biblical manhood, exploring how those who live, work, and minister around a kingdom man benefit from his leadership and care. Men will be challenged to fully understand their position under God as well as their position over what God has given them. Equipped with these concepts, they can actively pursue ways to maximize and develop the character qualities of biblical manhood in their lives. As Tony contends, the enemy doesn't want you to know it, but you're not the man you think you are. You're a whole lot more. Starting now, you can be a kingdom man.
