Staying Focused in a Hyper World - John Gray
PH D 2014-07-28

Without focus, communication breaks down in all relationships and frustration increases. In the midst of our accelerated progress, our modern society has lost our way. We have a greater consciousness of new possibilities but we feel less connected in our relationships due to our loss of focus. Gray offers practical strategies for increasing focus, clarity, memory, motivation and sustaining positive moods. He explains what causes ADHD, and perhaps even dementia, Alzheimer's disease and Parkinson's disease.
Getting the Love You Want - Harville Hendrix

Feline Philosophy - John Gray 2020-11-24

The author of *Straw Dogs*, famous for his provocative critiques of scientific hubris and the delusions of progress and humanism, turns his attention to cats—and what they reveal about humans' torturous relationship to the world and to themselves. The history of philosophy has been a predictably tragic or comical succession of palliatives for human disquiet. Thinkers from Spinoza to Berdyaev have pursued the perennial

questions of how to be happy, how to be good, how to be loved, and how to live in a world of change and loss. But perhaps we can learn more from cats--the animal that has most captured our imagination--than from the great thinkers of the world. In *Feline Philosophy*, the philosopher John Gray discovers in cats a way of living that is unburdened by anxiety and self-consciousness, showing how they embody answers to the big questions of love and attachment, mortality, morality, and the Self: Montaigne's house cat, whose un-examined life may have been the one worth living; Meo, the Vietnam War survivor with an unshakable capacity for "fearless joy"; and Colette's Saha, the feline heroine of her subversive short story "The Cat", a parable about the pitfalls of human jealousy. Exploring the nature of cats, and what we can learn from it, Gray offers a profound, thought-provoking meditation on the follies of human exceptionalism and our fundamentally vulnerable and lonely condition. He charts a path toward a life without illusions and delusions, revealing how we can endure both crisis and transformation, and adapt to a changed scene, as cats have always done. *Practical Miracles for Mars and Venus* - John Gray 2009-10-06

The author of the modern classic, *Men Are from Mars, Women Are from Venus* presents a practical guide to living our lives to the fullest in a time of tremendous change. In this powerful book, John Gray encourages readers to return to what's most important in order to create a life of lasting love, health, and happiness. John Gray reveals that by awakening the hidden power to create miracles, readers will more effectively adjust to life's challenges and respond with greater peace, joy, confidence, and love. He provides nine guiding principles to live by and shows how to fill each day with increasing wonder, power, and fulfillment: 1. Believe as if miracles are truly possible 2. Live as if you are free to do what you want 3. Learn as if you are a beginner 4. Love as if for the first time 5. Give as if you already have what you need 6. Work as if money doesn't matter 7. Talk to God as if you are being heard 8. Feast as if you can have whatever you want John Gray once again helps readers live a rich and fulfilling life. *Practical Miracles for Mars and Venus* presents an

inspiring message of self-acceptance and joy.

Woman Unleashed: Release Your Story, Revive Your Hormones & Reclaim Your Freedom - Sonya Jensen 2021-12-07

Dr. Sonya Jensen has been working with women for over a decade, inspiring them to be the best versions of themselves and helping them gain freedom from the chains of society, their hormones, and the mantra that continuously plays in so many of their minds, I'm not enough. Dr. Jensen has made it clear that healing hormones isn't just a job for the physical body but the heart, mind, and even the soul. The experiences a woman has from the womb onward, dictate her thoughts and beliefs about herself and life. These beliefs, in turn, dictate the actions and communication pathways of her hormones, creating her personality and, therefore, creating her life. Dr. Jensen details the science behind hormones and the wisdom behind womanhood, illustrating how the dance between the two makes way for either a woman's healing or her suffering. This book will take you on a journey of self-discovery as you learn more about your hormones and yourself. In *Woman Unleashed*, you will:

- Gain a deeper understanding of each hormone and the roles they play throughout your lifetime
- Discover how stress, trauma, and your childhood experiences shape your hormone blueprint
- Understand the reasons why your hormones are causing chaos in your body and life
- Find solutions to balancing your hormones, from dietary suggestions to self-awareness practices
- Practice meditations and yoga sets to help you along the way
- Learn everything you need to know to gain freedom from hormonal symptoms and what steps you can take to decode your unique hormonal story

With this book by your side, you will tap into your innate wisdom that has been longing to help you live a healthier and more joyful life. Discover the power your body has and the freedom you deserve!

The Mars and Venus Diet and Exercise Solution - John Gray 2003-03-04

Describes how men and women have different body chemistries, and suggests ways to achieve greater health by using diet and exercise to gain the greatest advantage from the body's natural hormones.

Heresies - John Gray 2015-07-02

By the author of the best-selling *Straw Dogs*, this book is a characteristically trenchant and unflinchingly clear-sighted collection of reflections on our contemporary lot. Whether writing about the future of our species on this planet, the folly of our faith in technological progress, or the self-deceptions of the liberal establishment, John Gray dares to be heretical like few other thinkers today.

The Boy Crisis - Warren Farrell, Ph.D. 2018-03-13

What is the boy crisis? It's a crisis of education. Worldwide, boys are 50 percent less likely than girls to meet basic proficiency in reading, math, and science. It's a crisis of mental health. ADHD is on the rise. And as boys become young men, their suicide rates go from equal to girls to six times that of young women. It's a crisis of fathering. Boys are growing up with less-involved fathers and are more likely to drop out of school, drink, do drugs, become delinquent, and end up in prison. It's a crisis of purpose. Boys' old sense of purpose—being a warrior, a leader, or a sole breadwinner—are fading. Many bright boys are experiencing a "purpose void," feeling alienated, withdrawn, and addicted to immediate gratification. So, what is *The Boy Crisis*? A comprehensive blueprint for what parents, teachers, and policymakers can do to help our sons become happier, healthier men, and fathers and leaders worthy of our respect.

Conscious Men - John Gray 2016-02-12

Conscious Men guides a man to look within and discover his purpose and mission; to be in touch with his feelings but not ruled by his feelings; to live a life that is in pursuit of his path, while honoring the commitments he made during that pursuit. This book is a practical roadmap to support every man to discover and live his unique calling. *Conscious Men* explores 12 qualities of the New Masculinity. Each chapter offers a vivid portrait of each quality, with insights about how it is influenced by biochemistry. It presents a road map for the challenges men face today in living their fullest potential, as well as dozens of suggested practices for how to develop each quality. The book also has a "To Women" section for each chapter: offering women insight about how to recognize a good and trustworthy man, as well as how to support a man to bring the best out of

himself.

Beyond Mars and Venus - John Gray 2017-01-24

The author of the most well-known and trusted relationship book of all time returns with an updated guide for today's generation. Two decades ago, *Men Are from Mars, Women Are from Venus* revolutionized the way we thought about love and partnership. John Gray's work has helped countless readers improve and even save their relationships. But as society evolves, relationships do, too. It's time to move beyond Mars and Venus, toward a new relationship model for modern couples. Today, men and women are no longer trapped by rigid societal roles. Now more than ever, we have the freedom to be our authentic selves. Women can access their masculine side, and men can embrace their feminine side. This new freedom is a good thing, but it also brings new challenges. Men and women still need the right tools and skills to help build stronger relationships. While previous generations sought "role mate" relationships, based on the more rigid gender roles of the time, today's couples need a new kind of relationship: a "soul mate" relationship. These more emotionally satisfying relationships require a deeper understanding of our partners' individual needs. In *Beyond Mars and Venus*, Gray teaches you how to strengthen your bond and grow in love together, so you and your loved one can meet each other's needs in the best way possible, bringing you lasting happiness and a fulfilling partnership.

Together Forever will help men and women explore new frontiers in their relationships, communicate effectively with each other, and discover the secret of "happily ever after."

The Female Brain - Louann Brizendine, M.D. 2007-08-07

Since Dr. Brizendine wrote *The Female Brain* ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

Straight from the heart—real-life couples share inspiring, edifying stories of Mars and Venus in love. Millions of readers have learned about relationships from John Gray's previous bestsellers, such as *Men Are from Mars, Women Are from Venus*; *Mars and Venus on a Date*; and *Mars and Venus in the Bedroom*. Inspired by this enthusiasm, Gray asked a number of readers to share their own stories of how they've put his principles to work in their relationships. The result is this amazing collection of first-person accounts—along with Gray's own enlightening commentary—that will have you laughing, crying, and nodding in recognition. Gray's contributors answer such questions as: What problems have you had in your relationship, and how have you overcome them? What special things do you and your partner do for each other? How do you best communicate with each other? How do you practice what you've learned? How does your love feel different now from how it felt before? Their answers illustrate more eloquently than any textbook how to use Gray's advice and counsel to create your own fulfilling, healthy, and loving relationships.

The Go-Giver Marriage - John David Mann 2022-03-08

"To say love is what makes a marriage work is like saying it takes oxygen to climb a mountain. Yes, oxygen is necessary. But not sufficient." From the author of the bestselling *Go-Giver* series and his wife, a clinically trained therapist, this one-of-a-kind relationship guide shows readers how to unlock a deeply satisfying, abundant relationship based on simple, everyday acts of generosity. In this new narrative, a position has opened up at the top of the multinational giant Rachel's Famous Coffee, and Tom desperately wants the job. To gain the position, he must first go through a series of interviews with the company's top executives, including its eccentric CFO, Jeremiah. Tom's wife, Tess, is facing her own challenges. The couple first met on the job, where Tess was a rising star—until her career was put on hold by

the birth of a son with special needs. The trauma and heartbreak of the past six years has put tremendous stress on their marriage. Now, Tess has learned that her best friend Amy is getting a divorce. Could she and Tom be drifting in the same direction? The thought leaves her stomach in knots. But Tom and Tess are about to have a transformational day. Over the next few hours, they will each learn from a wise cast of characters (including some surprise guests from previous Go-Giver stories) about five powerful secrets to building a love that lasts. Over the years since the original book's publication, the term "go-giver" has become shorthand for a defining set of values that has helped hundreds of thousands of people around the world find greater professional success. Now, with its charming fable-within-a-parable, followed by an in-depth practical guide, *The Go-Giver Marriage* brings the personal side of *The Go-Giver* to life.

Treating Trauma and Addiction with the Felt Sense Polyvagal Model - Jan Winhall 2021-06-25

In sharp contrast with the current top-down medicalized method to treating addiction, this book presents the felt sense polyvagal model (FSPM), a paradigm-shifting, bottom-up approach that considers addiction as an adaptive attempt to regulate emotional states and trauma.

The felt sense polyvagal model draws from Porges' polyvagal theory, Gendelin's felt sense, and Lewis' learning model of addiction to offer a graphically illustrated and deeply embodied way of conceptualizing and treating addiction through supporting autonomic regulation. This model de-pathologizes addiction as it teaches embodied practices through tapping into the felt sense, the body's inner wisdom. Chapters first present a theoretical framework and demonstrate the graphic model in both clinician and client versions and then teach the clinician how to use the model in practice by providing detailed treatment strategies. This text's informed, compassionate approach to understanding and treating trauma and addiction is adaptable to any school of psychotherapy and will appeal to addiction experts, trauma specialists, and clinicians in all mental health fields.

What You Feel You Can Heal - John Gray 2002

In *What You Feel You Can Heal* John Gray discusses the idea of finding feelings that have been 'lost' and regaining the respect and love for yourself that is a necessary prerequisite to giving and receiving love from others, in sexual and all other relationships. In his encouraging way, Gray also offers simple and do-able techniques to help achieve this state of 'unconditional love' and move on to develop fulfilling and lasting relationships. Find out how to:--Improve

communication--Increase self-esteem and self-love--Transform negative feelings into positive ones--Enrich loving relationships

Men Are from Mars, Women Are from Venus - John Gray 1993-04-23

Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles ("get close", "back off"), and female self-esteem fluctuations ("I'm okay", "I'm not okay"). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional "trash from the past" from invading new relationships, *Men Are from Mars, Women Are from Venus* is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.

Mars And Venus On A Date - John Gray
2011-09-30

From first look and first date to first fight, breaking up and making up, the world of dating can be a minefield for the unprepared.

International relationship guru, John Gray turns his expertise to the language and behaviour of dating couples. Asking questions such as: -How should you act on your first date? -How can you

tell if your partner means what he says? -Is this love or just lust at first sight? John Gray helps new couples figure out whether they are partners for life or just enjoying a brief encounter. His approach will help both men and women play the dating game with its complex rules of etiquette and behaviour, and explains how to separate fact from fantasy in conversation, body language and future expectations. His humorous insight and practical advice will help young and old alike to reach closer understanding, love and commitment, and have fun on the way!

The Myth of Mars and Venus - Deborah Cameron 2007

Popular assumptions about gender and communication--famously summed up in the title of the massively influential 1992 bestseller *Men Are From Mars, Women Are From Venus*--can have unforeseen but far-reaching consequences in many spheres of life, from attitudes to the phenomenon of "date-rape" to expectations of achievement at school, and potential discrimination in the work-place. In this wide-ranging and thoroughly readable book, Deborah Cameron, Rupert Murdoch Professor of Language and Communication at Oxford University and author of a number of leading texts in the field of language and gender studies, draws on over 30 years of scientific research to explain what we really know and to demonstrate how this is often very different from the accounts we are familiar with from recent popular writing. Ambitious in scope and exceptionally accessible, *The Myth of Mars and Venus* tells it like it is: widely accepted attitudes from the past and from other cultures are at heart related to assumptions about language and the place of men and women in society; and there is as much similarity and variation within each gender as between men and women, often associated with social roles and relationships. The author goes on to consider the influence of Darwinian theories of natural selection and the notion that girls and boys are socialized during childhood into different ways of using language, before addressing problems of "miscommunication" surrounding, for example, sex and consent to sex, and women's relative lack of success in work and politics. Arguing that what linguistic differences there are between

men and women are driven by the need to construct and project personal meaning and identity, Cameron concludes that we have an urgent need to think about gender in more complex ways than the prevailing myths and stereotypes allow.

What Your Mother Couldn't Tell You and Your Father Didn't Know - John Gray 1995

Spirit Into Form - Cherionna Menzam-Sills 2021-04-25

Forewords by Jaap van der Wal and Marcy Axness *Spirit into Form* invites you to explore with mindful, embodied awareness your earliest experiences in this life with curiosity, compassion and creativity. It guides you through developmental milestones, starting with pre-conception, through conception, coming into physical form as an embryo, negotiating the birth canal and hopefully being welcomed at birth. Each stage offers details of embryological development in simple, accessible terms with hand-drawn illustrations, elaborating potential challenges and lifelong effects of having met them. More than a traditional book on embryology, *Spirit into Form* includes psychological and spiritual aspects and the original embryological potential of this early time. This book is for anyone who wonders about the origins of human life and bodies, as well as personality, relationship and behavioral tendencies. Therapists and practitioners of many types, particularly those with somatic/body-centered or psychological approaches, bodyworkers, movement practitioners, birth practitioners, and also new parents and parents-to-be, can benefit from the gentle, mindful guidance in exploring your earliest beginnings, roots of many issues and strengths, and how to access potential that may have become occluded

by challenges and conditions life presents. Cherionna Menzam-Sills's book, *Spirit into Form*, is based on her long experience as a craniosacral therapist and somatic prenatal and birth therapist. Cherionna takes you on a tour of important developmental stages during gestation. But in addition to that she has much to say about the larger fields of Love, Spirit, and Soul and how they are connected to the body. The scope of the material is wide, broad and encompassing. Cherionna's message is that when we come to understand our early experiences and how they establish in us lifelong patterns, habits, addictions and tendencies, we can begin to integrate, let go, and make new choices. Her book is a subtle distillation of wisdom, stylistic grace, and excellent advice for pregnant or soon-to-be pregnant persons. Highly recommended. -- Thomas R. Verny MD, DHL (Hon), DPsych, FRCPC, FAPA Associate Editor, Journal of Pre and Peri-natal Psychology and Health (JOPPAH), Past President APPPAH, Author of *The Secret Life of the Unborn Child* with John Kelly and *Pre-Parenting* with Pamela Weintraub. This is an absolutely necessary contemporary creation story that is integrative rather than reductionistic. Cherionna writes a narrative that helps us to enter the mystery of conception, birth and death. It is a narrative that points to a solution found in front of us and in us - our body. Marie-Louise Von Franz, a preeminent Jungian analyst says in her book *Creation Myths*, that any creation story that unfolds in stages is the "best" creation story. Cherionna unfolds our collective story, which is my story, chapter by chapter with her expert guidance. It is an unfoldment of our embryo as humanity and as embodiment. This is a book that inspires self-compassion, love and altruism as the necessary remedy for healing as a body and a body politic in the context of our planet now. She shows us the steps to recover and make meaning of our embryo - our lived perpetual embryo. Contained herein is the most genuine and authentic nature of her embodied experience. Simultaneously, it is a fountain of authoritative knowledge referencing relevant science superseding all such attempts that have come before yet holding perfectly all its predecessor's. This beautiful and spellbinding book must be required reading to become a full human being inherently complete

In *Why Mars and Venus Collide*, Gray focuses on the ways that men and women misinterpret and mismanage the stress in their daily lives, and how these reactions ultimately affect their relationships.

[First, Kill All the Marriage Counselors](#) - Laura Doyle 2015

Every marriage has its rough patches. If you're wondering how to repair yours, step away from the therapist, put down the magazine, and pick up this book. If you want to build a long, happy, fulfilling marriage, why not learn from the women who've done it? Laura Doyle's marriage was in trouble. After five years, her husband had become distant. He seemed checked out of their relationship, preferring watching TV to making love. There were frequent fights that ended with tense silences and even threats of divorce. Marriage counseling actually made their problems worse. Each session seemed to reinforce the feeling that she and her husband were just too far apart. Desperate to avoid divorcing the man she loved, Laura tried something different. Rather than consulting with experts or professionals, she simply started talking to women who'd been happily married for more than fifteen years. What she discovered shocked her. Everything she had heard in marriage counseling was wrong. Laura realized that there are some basic truths to relationships that can help women maintain loving, intimate marriages, such as: The happiness of your relationship is up to you! Women hold the keys to a happy relationship 95 percent of the time (and will learn what to do the other 5 percent). What men want most of all is to be treated with respect. Treat your man with respect (even if you aren't feeling it), and he will treat you with love and care. Your man wants to know he has your trust. Give it to him, and he'll realize you are special . . . because you will be! After seeing her own marriage transform, Laura set out to help other women do the same. In this book, you'll learn Laura's Six Intimacy Skills," which

have been used by over 50,000 women who have transformed their previously unhappy marriages into blissful unions. Stop reading articles about how important it is to schedule date night, and learn how to transform your relationship into one bursting with energy, intimacy, and love. First, Kill All the Marriage Counselors will put you on the path to having the marriage you want with the man you love.

The Empowered Wife - Laura Doyle
2017-03-28

Can a wife single-handedly bring a boring or broken marriage back to life? This improved and expanded edition of Laura Doyle's acclaimed *First, Kill All the Marriage Counselors* features real-life success stories from empowered wives who have done just that—and provides a step-by-step guide to revitalizing your own marriage. Laura Doyle's marriage was in trouble, and couples counseling wasn't helping. On the brink of divorce, she decided to talk to women who'd been happily married for over a decade, and their advice stunned her. From it, she distilled Six Intimacy Skills—woman-centric practices that ended her overwhelm and resentment, restoring the playfulness and passion in her marriage. Now an internationally-recognized relationship coach, Doyle has shared her secrets with women around the globe, saving thousands of marriages with her fresh, revolutionary approach. Practical and counter-intuitive, the Six Intimacy Skills are about focusing on your own desires and transforming your own life—not bending over backwards to transform your husband. Incorporating these skills will empower you to: Attract his attention like a magnet when you relax more and do less Receive affection not because you told him to make more of an effort, but because he naturally seeks you out Feel more like yourself—and like yourself more If you've been trying to "fix" your relationship and it's not working, maybe the problem was never you, or your husband, or even the two of you as a couple. Maybe the problem is that nobody ever taught you the skills you need to foster respect, tenderness, and consideration. With humor and heart, *The Empowered Wife* shows you how to improve

your relationship in ways you hadn't thought possible. You'll join a worldwide community of over 150,000 empowered wives who finally have the marriages they dreamed of when they said "I do."

Men Don't Love Women Like You! - G. L. Lambert 2015-12-04

Most men don't want you, they want to f**k you, know the difference. Most men don't love you, they love what you do for them, know the difference. *Men Don't Love Women Like You!* is a Step-By-Step manual on how to stop manipulation, command attention, and be seen as a must have by any man! ***** You are the type of woman that men grow bored with and replace. Your beauty, your brains, your perceived uniqueness is hype. In your bias world, a man would be lucky to have a woman like you because you aren't like every other female. The brutal truth that we men refuse to tell you, is that you are painfully typical. You flirt like every other woman. You hold the same conversations as every other woman. You read the same typical relationship advice and try the same tricks as every other woman. All because you are obsessed with being loved like every other woman. Men play along but they don't play

for long. You are the woman we date and then dump. Sleep with then forget. Get into a relationship with, then eventually grow bored of. You will never work out because you don't stand out! The men you want the most, want you the least because you are just as ordinary as the women you claim to be better than. No man is hard to figure out. No man is emotionally unavailable. No man is unready to settle down. When a man tells you he's not looking for anything serious, he means "with you!" There are two types of women The Placeholder & The Game Changer. You are The Placeholder, that girl who fills a man's needs until The Game Changer arrives. A man will date you, sleep with you, even enter into a relationship, but you are not what he really wants. You are a practice woman, preparing him for his future wife. Aren't you tired of being just another seat filler? Will you become yet another mediocre woman that ends up settling for average because great men don't see her as anything special? Or are you ready to Spartan Up and learn how to become his Game Changer... *Men Don't Love Women Like You*, is a brutally honest manual that will transform you from typical to priceless. The secrets in this book will guide you step by step as you learn what men think, how to counter their Bullsh*t, and the exact ways to turn the table in your favor. No matter who the man is, how young, old, rich, or popular he may be, this book will show you how to attain power over him. From the first meeting to the first date. From a new relationship hitting its first bump to an old relationship on its last legs. You will learn

to dominate men in ways you never dreamed of. You will become what you were always meant to be A Goddess in the flesh. Typical bitches get Typical results! Empowered women get powerful results! Open this book and learn how to get away with Pu\$\$y Power at a level never before seen and change your life.
