The Bucket List - Georgia Clark 2019-10-01

“Emotional, hilarious, and thought-provoking.” —People “Witty, sexy.” —Los Angeles Times #1
Cosmopolitan Best New Books of Summer PureWow Best Reads of Summer From the author of the critically acclaimed “lively and engrossing parable for women of all generations” (Harper’s Bazaar) *The Regulars*, comes a deeply funny and thoughtful tale of a young woman who embarks on an unforgettable bucket list adventure. Twenty-five-old Lacey Whitman is blindsided when she’s diagnosed with the BRCA1 gene mutation: the “breast cancer” gene. Her high hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double mastectomy. Lacey doesn’t want to lose her breasts. For one, she’s juggling two career paths. Secondly, small-town Lacey’s not so in touch with her sexuality: she doesn’t want to sacrifice her breasts before she’s had the chance to give them their hey-day. To help her make her choice, she (and her friends) creates a “boob bucket list”: everything she wants do with and for her boobs before a possible surgery. This kicks off a year of sensual exploration and sexual entertainment for the quick-witted Lacey Whitman. *The Bucket List* cleverly and compassionately explores Lacey’s relationship to her body and her future. Both are things Lacey thought she could control through hard work and sacrifice. But the future, it turns out, is more complicated than she could ever imagine. Featuring the pitch-perfect “compulsively delicious” (Redbook) prose of *The Regulars*, *The Bucket List* is perfect for fans of Amy Poeppel and Sophie Kinsella.

The Bucket List Journal - Ben Nemtin 2021-07-16

This journal is a safe place for your dreams to live. This is where you can track your dreams and update them as you evolve over time. This journal is designed to help you overcome the greatest barriers that will stop you from achieving your goals. The following pages will help you take tangible steps towards your goals and help you achieve them. The problem is that our personal goals often take the back burner in our busy lives. They are the first things to fall through the cracks of our packed schedules and most of us continue to push our personal goals until it's too late. When we reach our final days we regret the things we didn't do, not the things we did. When researchers from Cornell asked thousands of people on their deathbed to name the biggest regret in their entire life, 76% of participants had the same answer, "Not fulfilling my ideal self." This statistic not only broke my heart but it was a turning point in my life. My mission became to not only ensure that I didn't end up in that 76% but to also help as many people as I could to not end up there either. It's wild to think that over three-quarters of the population will reach the end of their life and think, "Damn. I wish I'd had the courage to live a life true to myself. Not the life that others expected of me." The goal of The Bucket List Journal is simple: ensure that you do not reach your deathbed regretting the things you did not do. My bucket list transformed my life. It changed the realities of my friends and my family and I believe it has the power to change your life too.

My Bucket List - Wild Journals 2019-07-24

The perfect bucket list journal to write down all the things you've always wanted to do but never got around to doing. Life is short and there is only so much time to get them done before 'kicking the bucket'! Let your imagination run free jotting down all the wonderful adventures out there that you have yet to explore. With 100 guided entries, this journal has enough room for you to be creative and think outside the box with your ultimate bucket list choices. A few inspirational quotes sprinkled within to keep you motivated on reaching your goal and marking off the achievements on your list. Write down what you want to do, what you need to get you there, and all your treasured thoughts and memories of the event. Have a moment of self-reflection then ask yourself, if you could do it all over again, would you? Pick one up for yourself and while you're at it why not gift one to someone in your life who is ready to take control and live out their innermost dreams and wishes. The adventure is only beginning, if not now, when?
