Re-Imaging Japanese Women - Anne E.

Imamura 1996-07-31

Re-Imaging Japanese Women takes a revealing look at women whose voices have only recently begun to be heard in Japanese society: politicians, practitioners of traditional arts, writers, radicals, wives, mothers, bar hostesses,

department store and blue-collar workers. This unique collection of essays gives a broad, interdisciplinary view of contemporary Japanese women while challenging readers to see the development of Japanese women's lives against the backdrop of domestic and global change. These essays provide a "second generation"

analysis of roles, issues and social change. The collection brings up to date the work begun in Gail Lee Bernstein's *Recreating Japanese Women, 1600-1945* (California, 1991), exploring disparities between the current range of images of Japanese women and the reality behind the choices women make.

History of Soybeans and Soyfoods in Japan, and in Japanese Cookbooks and Restaurants outside Japan (701 CE to 2014) - William

Shurtleff 2014-02-19

The world's most comprehensive, well documented, and well illustrated book on this subject, with 445 photographs and illustrations. Plus an extensive index.

Foreigners in Japan - Gopal Kshetry
2008-12-20

Japan began to fascinate the West after the account of Marco Polos sojourn in China. This set off an interest in the oriental world. The Portuguese, being the first, arrived in Japan in 1543 which was followed by others. The

experience Japan had with Europeans put upon itself isolation for about 200 years. After the forceful opening by Mathew Perry in 1853, many Westerners again began to arrive in Japan. Later during the 1980s, there was an influx of migrant workers which become a hot topic of debate. The book throws much light onto the historical background as well as the events that lead up to the present state of affairs in relation to issues of discrimination, crimes and problems related to foreigners.

First published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

HCI International 2014 - Posters' Extended Abstracts - Constantine Stephanidis 2014-05-19

This is the second of a two-volume set (CCIS 434 and CCIS 435) that constitutes the extended abstracts of the posters presented during the 16th International Conference on Human-Computer Interaction, HCII 2014, held in Heraklion, Crete, Greece in June 2014 and consisting of 14 thematic conferences. The total of 1476 papers and 220 posters presented at the HCII 2014 conferences were carefully reviewed and selected from 4766 submissions. These papers address the latest research and development efforts and highlight the human

aspects of design and use of computing systems. The papers accepted for presentation thoroughly cover the entire field of Human-Computer Interaction, addressing major advances in knowledge and effective use of computers in a variety of application areas. The extended abstracts were carefully reviewed and selected for inclusion in this two-volume set. This volume contains posters' extended abstracts addressing the following major topics: social media and social networks; learning and education; design for all; accessibility and assistive environments; design for aging; games and exergames; health and well-being; ergonomics and safety; HCI in business, tourism and transport; human-human and human-agent communication; user experience case studies.

[The Life-Changing Magic of Tidying Up](#) - Marie Kondo 2014-10-14

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the

original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Learning Japanese Kanji Practice Book Volume 2 - Eriko Sato 2017-08-08

This is an invaluable study guide and practice book for learning basic Japanese kanji. Learning Japanese Kanji Practice Book is intended for beginning students or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise written Japanese. This book presents the kanji characters that are most commonly used. All the kanji and related vocabulary words in this book are those that students are expected to know for Level 4 of the Japanese Language Proficiency Test (JLPT). Characters that appear

in the AP Japanese Language and Culture Exam are flagged. Readings, meanings, and common compounds are presented. The correct method of writing each character is clearly indicated, and practice boxes with strokes that can be traced are provided, along with empty boxes for freehand writing practice. Lots of exercises are included to give students the opportunity to practice writing sentences containing the kanji. Indexes at the back allow you to look up the characters by their readings and English meanings. This kanji book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

India and Japan: Growing Partnership and Opportunities for Co-operation - 2019-08-26

This e-book is a compilation of the papers presented by the speakers during a two-day International Conference, curated around the

theme 'India and Japan: Growing Partnership and Opportunities for Cooperation', organised by CPPR - Centre for Strategic Studies, Kochi in collaboration with the Consulate-General of Japan in Chennai on February 26-27, 2019 at Riviera Suites in Kochi. It consists of eight chapters providing a comprehensive outlook on India-Japan relations.

The Just Bento Cookbook 2 - Makiko Itoh
2019-06-19

The author of the best-selling *Just Bento Cookbook* is back with hundreds of delicious new Japanese-lunchbox-style recipes — including many low-carb, vegetarian, and vegan options -- that can be made quickly and without a lot of fuss. The passion for bento boxes shows no signs of letting up. Leading the way in popularizing these compact and portable boxed meals has been Makiko Itoh, blogger extraordinaire and author of the perennial bestseller, *The Just Bento Cookbook*. Itoh was instrumental in spreading the word that bentos are perfect for

busy adults-on-the-go — they don't have to be cute and they don't have to take a lot of planning or prep time in order to be tasty, nutritious, and economical. In *THE JUST BENTO COOKBOOK 2: Make-Ahead Lunches and More*, Itoh offers hundreds of new recipes for bento-friendly dishes. The premise of this second cookbook is that anyone can make delicious, healthy bentos quickly and easily. Itoh focuses on three types of bentos with specific and appealing benefits: bentos that can be made ahead of time, "express" bentos that can be put together fast, using components right off the shelf or out of the refrigerator, and bentos for special dietary needs. Full-color photos accompany the directions and showcase the finished dishes. *THE JUST BENTO COOKBOOK 2* opens with Itoh's basic bento rules, revised to reflect comments she's heard from her many fans after the first book came out. "Build Up Your Stash" explains why having some items ready to pack up and go is the key to stress-free bento-making.

Here are tips on making foods that store well, organizing storage space, the best containers to use for different foods, what store-bought items to have on hand, etc. The first section, “Make-Ahead Bentos,” features recipes for a wide variety of dishes that can be prepared the night before or first thing in the morning. Here are different kinds of meatballs and burgers, including both Western versions and Japanese variations; mouth-watering chicken, pork, beef, egg and fish dishes; a section on “Tofu and Vegan” treats such as Ginger Tofu Teriyaki and Green Lentils and Brown Rice; and recipes for Rice Sandwiches such as Egg-wrapped Rice Sandwich with Bacon Rice Filling. A special section of Low Carb recipes based on shirataki noodles and konnyaku (konjac) offers fun and creative ways to use this no-cal, no-carb, no-sugar, gluten-free “miracle” noodle in dishes like Rice and Shirataki Pilaf with Shrimp, Shirataki Chicken “Ramen” in a Lunch Jar, and Shirataki with Sesame. “Express Bentos” presents very

quick-to-assemble boxes comprised of foods that don’t require detailed recipes and don’t rely on pre-homemade items. From Mediterranean Pasta and Yakisoba bentos to a Deconstructed Taco Salad and Stir-fry Bento, the ideas here will prove to be lifesavers for busy people who need to get out of the house in a hurry but still want their flavorful, filling, and healthy lunch. Other new and exciting additions to this second volume include an entire section of recipes for Vegetable Side Dishes (Roast Asparagus with Balsamic Vinegar, Spicy Broccoli, and Potato and Corn Salad), and one for Japanese Vegetable Side Dishes (Buttery Kabocha Squash, Crunchy Stir-fried Soy Beans, Hijiki Seaweed with Garlic). Recipes for different versions of dashi will help readers keep a supply of this staple ingredient at the ready. And advice on tools and equipment, types of bento boxes and accessories, as well as a glossary and resource section, will ensure that preparing bentos is as enjoyable as eating them. *Elementary Japanese Volume Two - Yoko*

Hasegawa 2006-02-15

This is an extensive beginning level Japanese textbook and Japanese language learning package. Elementary Japanese is designed for students who are just beginning their study of Japanese at the first-year college level or on their own. The author and contributors have created a highly structured approach to learning Japanese that is based on learning the fundamental patterns and constructions of the language as well as the writing system including basic kanji. Systematic grammatical explanations are provided in enough detail for this book to be used as a reference work as well as an introductory textbook. The accompanying MP3 audio CD is a great way to learn Japanese and ensures correct pronunciation and helps to build listening comprehension. After completing this course, you will be able to: Describe yourself, your family and your friends. Talk about daily events using basic vocabulary and grammatical constructions. Understand

conversations on these topics as well as classroom activities. Read Japanese articles and write short and simple compositions and letters. Japan - International Monetary Fund 2012-09-07 This paper is an analysis of Japan's credit channel. The economic condition has no hindrance, but credit demand showed an inert performance. The state's policies have helped the flow of finance and prevent bankruptcy, but several other aspects act as an impediment to credit control. The Executive Board expects restructuring of financial policies in government-affiliated institutions, promotion of electronic registrations, risk-based financing, and reinforcing bank administrations. The Board takes up this paper as a study of Japan's thoughts in an efficient route to credit boom. F & S Index of Corporations and Industries - 1969

Imploding Populations in Japan and Germany - 2011-06-09

Japan and Germany are at the vanguard of a new population dynamics in developed countries: population decline in the absence of war, famine and pandemics. This book presents an in-depth overview of the social and economic implications of this development.

World War II and Southeast Asia - Gregg Huff 2020-10-22

From December 1941, Japan, as part of its plan to build an East Asian empire and secure oil supplies essential for war in the Pacific, swiftly took control of Southeast Asia. Japanese occupation had a devastating economic impact on the region. Japan imposed country and later regional autarky on Southeast Asia, dictated that the region finance its own occupation, and sent

almost no consumer goods. GDP fell by half everywhere in Southeast Asia except Thailand. Famine and forced labour accounted for most of the 4.4 million Southeast Asian civilian deaths under Japanese occupation. In this groundbreaking new study, Gregg Huff provides the first comprehensive account of the economies and societies of Southeast Asia during the 1941-1945 Japanese occupation. Drawing on materials from 25 archives over three continents, his economic, social and historical analysis presents a new understanding of Southeast Asian history and development before, during and after the Pacific War.

Let's Go Japan 1st Ed - Let's Go Inc. 2003-12

The Little Book of Japanese Living - Yutaka Yazawa 2020-01-21

From Miyazaki to mountains, sake to sparking joy, find your Zen and make time to learn about how to live Japanese. Whether it's the cutting edge of film-making, revolutionizing the whisky market or competing with parents on lunchboxes, you'll be all the better for some time

spent with *How to Live Japanese*. With nearly 60 per cent of us living in cities, the mega-city of Tokyo, through centuries of raze and rebuild, is surely the guiding light for how we can live together amicably in an ever-urbanising world. Not only is Japan the mother of all metropolis' but with two thirds of the country covered in forest, there is still much respect and celebration of the natural world, with people perfectly placed to make the most of the green space around them. From the art of making tea, to going for a hike, or celebrating imperfections, there are ceremonies the Japanese have been honing for centuries that thrive alongside modern traditions and practices of well-being. From Japanese writer, Yutaka Yazawa, *The Little Book of Japanese Living* is the pocket edition of his popular insider guide to the country of Japan, full of inspiration and insight to help you experience the very best of Japanese design, cookery, philosophy, and culture. So get outdoors, be gracious to your neighbour and

start harmonizing your all too busy life.

Japan Report - 1968

Japanese from Zero! 1 - George Trombley
2006-05-01

"The Japanese language uses a set of symbols called 'hiragana' (to spell Japanese words), 'katakana' (to spell foreign words), and 'kanji' (to represent entire words or names). Over the course of BOOK 1, we will teach you groups of hiragana piece-by-piece to gradually build up your understanding and familiarity."--

Japanese for Busy People I - AJALT 2011-11-11
Japanese for Busy People is the most popular Japanese language textbook series in the world. With over 20 components including texts, workbooks, CDs, videos and teacher's manuals, it is also one of the most comprehensive. Now, a decade after its first revision, the entire series is being redesigned, updated and consolidated to meet the needs of 21st-century students and businesspeople who want to learn natural, spoken Japanese as effectively as possible in a

limited amount of time. The book features not only a sleek, new design but also a unit structure that groups thematically linked lessons together, making it easier than ever to learn Japanese. Moreover, it now comes with a CD containing audio for the dialogues and listening exercises from the text. The exercises in the book have also been thoroughly revised to incorporate more comprehension and production tasks. Many of these exercises are illustrated, making for a stimulating learning experience, and the purpose of each one is clearly stated. This first of three volumes introduces "survival Japanese"—the absolute minimum amount of Japanese needed to live in Japan. Thus, the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first-year course. In addition, the book features notes on Japanese culture intended to expand the learner's understanding of Japan, its customs and people. Japanese for Busy People I is available in two formats:

romanized and kana. The Romanized Version uses romanized Japanese throughout, with kana in the Opening Dialogues of each lesson. The Kana Version—exposing students to hiragana and katakana from the very beginning—uses only kana. The content of the two books is otherwise exactly the same. The companion volume, Japanese for Busy People 1: The Workbook for the Revised 3rd Edition contains a variety of illustrated exercises for mastering the basic sentence patterns presented in the main text.

Abacus Mind Math Level 1 Workbook 2 - Sai Speed Math Academy 2014-06-01
Abacus Mind Math Level 1 - Workbook 2 (for students): Topics covered: Dictation Plus and minus 2, 3, and 4 of 5 exchange concepts
Workbook 2 includes over 1575 practice problems for children to learn and master concepts introduced. Use this practice Workbook - 2 "after" completing: "Abacus Mind Math Level 1 Workbook 1: Excel at Mind Math

with Soroban, a Japanese Abacus"
Corresponding instruction for teachers and parents is sold separately under the title: "Abacus Mind Math Instruction Book Level 1: Step by Step Guide to Excel at Mind Math with Soroban, a Japanese Abacus" Adult Learners: Do you want to learn to work on the abacus and master mind math effectively? This book will be an excellent help for adults who are learning to use the abacus and to ultimately master mind math. The book introduces concepts one at a time, which helps in mastering abacus and increasing speed and accuracy effectively. Practicing mind math with this book will aid in your quest for mastery over mind math with effortless ease. Soroban, the Japanese abacus is a very useful visual tool that helps children 'see' numbers as beads while calculating. Soroban perfectly fits with the base 10 number system used at present and provides a systematic method (formulas) to follow while calculating both on the tool and in the mind. Mastering of

this tool will enhance your child's basic math comprehension, speed and accuracy. In general, when children practice mind math, they get a very important sense of achievement that helps raise their confidence as students. You can also see an improvement in their concentration, tenacity, memory power and listening skills.

Japanese Short Stories for Beginners - Lingo Mastery 2020-08-07

Do you know what the hardest thing for a Japanese learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading material can be so essential for somebody wishing to learn a new language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your

vocabulary and give you the tools to improve your grasp of the wonderful Japanese language. How Japanese Short Stories for Beginners works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Japanese culture. - Having trouble understanding Japanese characters? No problem - we provide you with the English translation below each paragraph, allowing you to fully grasp what you're reading! - The summaries follow a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance! Do not get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your

ease of learning! - Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Whether it's true or false, or if you're doing the single answer questions, don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Japanese; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Japanese Short Stories for Beginners and level up your Japanese language skills right now! *Learning Japanese Hiragana and Katakana* - Kenneth G. Henshall 2013-12-20 Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese

sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana

combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

Japanese Society and Lay Participation in Criminal Justice - Masahiro Fujita 2018-07-04
This book describes the state of the lay participation system in criminal justice, saiban-in seido, in Japanese society. Starting with descriptions of the outlines of lay participation in the Japanese criminal justice system, the book deals with the questions of what the lay participants think about the system after their participation, how the general public evaluate the system, whether the introduction of lay

participation has promoted trust in the justice system in Japan, and the foci of Japanese society's interest in the lay participation system. To answer these questions, the author utilizes data obtained from social surveys of actual participants and of the general public. The book also explores the results of quantitative text analyses of newspaper articles. With those data, the author describes how Japanese society evaluates the implementation of the system and discusses whether the system promotes democratic values in Japan.

Japanese from Zero! - George Trombley
2006-05

Japanese From Zero! is an innovative and integrated approach to learning Japanese developed by professional Japanese interpreter George Trombley and co-writer Yukari Takenaka. The lessons and techniques used in this series have been taught successfully for over fifteen years in classrooms throughout the world. Using up-to-date and easy-to-grasp

grammar, Japanese From Zero! is the perfect course for current students of Japanese as well as absolute beginners. In Book 2 of the Japanese From Zero! series, readers are taught new grammar concepts, over 800 new words and expressions, and also learn the katakana writing system. Features of Book 2: * Integrated Workbook with Answer Key * Over 800 New Words and Expressions * Learn to Read and Write Katakana * Easy-to-Understand Example Dialogues * Bilingual Glossaries with Kana and Romaji ...and much more!

Restructuring Japanese Business for Growth
- Raj Aggarwal 2012-12-06

Restructuring Japanese Business for Growth consists of eighteen previously unpublished invited chapters by experts on Japanese business. It will attract both commercial and academic interest. Japanese business can be expected to continue to be of great importance in global and Asian economics, especially as the Japanese economy is the dominant economy in

Asia, being larger than all other Asian economies combined. Policymakers and business people interested in understanding Japanese financial markets will find this book useful. In addition, this book should be a valuable resource for undergraduate, graduate, and executive development courses in international business, global finance, and Japanese business.

Japanese with Ease - Catherine Garnier 2007
Aims to take users from scratch to having a solid base in the language within six months, and to feel comfortable in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar. The method comprises two phases: the passive phase, in which users simply repeat

what they hear and read, and the active phase, in which users begin to create sentences and imagine themselves in a variety of everyday situations.
