Relazioni Pericolose - Claudia Moscovici 2017-02-22

Imbattersi in uno di loro significa iniziare una relazione pericolosa, come è capitato all'autrice che ha però saputo fare tesoro dell'esperienza e ha studiato il fenomeno, dal punto di vista del predatore e delle vittime. Attraverso l'analisi dei casi degli psicopatici più famosi della letteratura, della cronaca e dell'arte, da Pablo Picasso a O.J. Simpson, l'autrice spiega chi sono, come funzionano le loro menti, perché sono così attraenti e chi prendono di mira. Soprattutto, aiuta a trovare la forza di troncane la relazione tossica e a voltare pagina, più forti e consapevoli, per avere un futuro migliore, recuperare l'autostima e, di conseguenza, la propria vita. Edizione italiana a cura di Titti Damato, curatrice del blog www.relazionipericoloseblog.com

The Seducer - Claudia Moscovici 2011-12-21

This psychological thriller shows both the hypnotic appeal and the deadly danger of psychopathic seduction. This novel traces the downfall of a married woman, Ana. Feeling trapped in a lackluster marriage, she has a torrid affair with Michael, a man who seems to be her soul mate and her dream come true. Having already tired of his fiancée, Karen—in spite of the fact she does everything possible to please him and keep him in her life—the seducer moves on to his next prey. Although initially torn between love for her family and her passion for Michael, Ana eventually relents to her lover's pressure. That's when Michael's "mask of sanity" unpeels to reveal the monstrously selfish psychopath underneath. Written in the tradition of Tolstoy's Anna Karenina, *The Seducer* shows that true love can be found in our ordinary lives rather than in flimsy fantasies masquerading as great passions.

The Aladdin Factor - Jack Canfield 1995-10-01

Learn how to get everything you want with this motivational book from the #1 New York Times bestselling authors of the Chicken Soup for the Soul series. Anything is possible...if you dare to ask! And with this knowledge, we can reap the riches of a truly well-lived life—a treasure that comes not from an enchanted lamp, but from the heart.

The City of Your Final Destination - Peter Cameron 2010-05-11

A wryly humorous, impeccably observed novel about the capriciousness of love Omar Razaghi posts a letter on September 13, 1995 that will change the course of his life forever. A doctoral student at the University of Kansas, he writes to the estate of the Latin American author Jules Gund, requesting permission to write Gund's authorized biography. His request is refused, but Omar has already accepted a fellowship from the university, and with his girlfriend's vehement encouragement, he goes in person to Uruguay to petition to Gund's three executors. Although Caroline Gund, Jules' wife, and Arden Langdon, Jules' mistress and mother of his child, are initially opposed to the idea of a biography, Omar has the support of Adam, Jules' older brother, and hopes to be able to persuade the two women. Omar's unexpected arrival in Uruguay reverberates through this odd and isolated little family group, and his stay in the languid, dreamy Ochos Rios makes him question his former life in Kansas, and his ability—even his desire—to write an "authorized" life.

A novel about the random nature of love, and the ways in which we confront or avoid life's choices, *The City of Your Final Destination* is a touching, clever and wonderfully comic fourth novel from Peter Cameron. *The City of Your Final Destination* was made into a film, starring Anthony Hopkins, Laura Linney and Charlotte Gainsbourg. It was released in 2007.

Romanticism and Postromanticism - Claudia Moscovici 2007-02-09
Claudia Moscovici asserts in *Romanticism and Postromanticism* that the Romantic heritage, far from being important only in a historical sense, has philosophical relevance and value for contemporary art and culture. With an emphasis on artistic tradition as a continuing source of inspiration and innovation, she touches upon each main branch of philosophy: aesthetics, epistemology, and ethics.

Psychiatry and the Cinema - Glen O. Gabbard 1999

Psychiatry and the Cinema explores this complementary relationship from two angles, psychiatrists who have studied the movies and movies that have depicted psychiatry. This second edition has updated this definitive text with a discussion of new trends in psychoanalytically oriented film theory, and an expanded list of movies is analyzed.

Divorce Islamic Style - Amara Lakhous 2012-03-27

Secret identities, criminal conspiracies, and forbidden love converge in this "whimsical and at times heartbreaking look" at the Muslim communities of Rome (*The New York Times*). The Italian secret service believes that a group of Muslim immigrants is planning a terrorist attack. Christian Mazzari, a young Sicilian translator who speaks perfect Arabic, goes undercover in Rome's Egyptian neighborhood, Viale Marconi, to infiltrate the group. Posing as a recently arrived Tunisian in search of a job and a place to sleep, Christian soon meets Sofia, a young Egyptian immigrant whose arranged marriage is anything but fulfilling. While Christian attempts in vain to uncover terrorist activity, Sofia is on another kind of secret mission—in defiance of a husband who forbids her to work. In alternating voices, Algerian-born Italian author Amara Lakhous examines the commonplaces and stereotypes of life in modern, multicultural Italy. *Divorce Islamic Style* mixes the rational and the absurd as it depicts the conflicts and contradictions of today's globalized world.

The Greeks and the Irrational - Eric R. Dodds 2004-06-16

In this philosophy classic, which was first published in 1951, E. R. Dodds takes on the traditional view of Greek culture as a triumph of rationalism. Using the analytical tools of modern anthropology and psychology, Dodds asks, "Why should we attribute to the ancient Greeks an immunity from 'primitive' modes of thought which we do not find in any society open to our direct observation?" Praised by reviewers as "an event in modern Greek scholarship" and "a book which it would be difficult to over-praise," *The Greeks and the Irrational* was Volume 25 of the Sather Classical Lectures series.

Intelligent Emotion - Frances Wilks 1998

What Your Mother Couldn't Tell You and Your Father Didn't Know - John Gray 1995

A practical guide to achieving and maintaining personal fulfillment within a thriving and exciting long-term relationship, without having to choose between self-sacrifice or divorce.

Liquid Life - Zygmunt Bauman 2013-04-18

'Liquid life' is the kind of life commonly lived in our contemporary, liquid-modern society. Liquid life cannot stay on course, as liquid-modern society cannot keep its shape for long. Liquid life is a precarious life, lived under conditions of constant uncertainty. The most acute and stubborn worries that haunt this liquid life are the fears of being caught napping, of failing to catch up with fast moving events, of overlooking the

'use by' dates and being saddled with worthless possessions, of missing the moment calling for a change of tack and being left behind. Liquid life is also shot through by a contradiction: it ought to be a (possibly unending) series of new beginnings, yet precisely for that reason it is full of worries about swift and painless endings, without which new beginnings would be unthinkable. Among the arts of liquid-modern living and the skills needed to practice them, getting rid of things takes precedence over their acquisition. This and other challenges of life in a liquid-modern society are traced and unravelled in the successive chapters of this new book by one of the most brilliant and original social thinkers of our time.

Eros and Pathos - Aldo Carotenuto 1989

Why do we fear love? How do we invite betrayal? What can we learn about ourselves from eroticism, abandonment, solitude? What unconscious drives are at work and seduction and jealousy? Are love, suffering and creativity connected? This book brings to light a treasure in the darkness.

1848 - Mike Rapport 2009-02-03

In 1848, a violent storm of revolutions ripped through Europe. The torrent all but swept away the conservative order that had kept peace on the continent since Napoleon's defeat at Waterloo in 1815—but which in many countries had also suppressed dreams of national freedom. Political events so dramatic had not been seen in Europe since the French Revolution, and they would not be witnessed again until 1989, with the revolutions in Eastern and Central Europe. In 1848, historian Mike Rapport examines the roots of the ferment and then, with breathtaking pace, chronicles the explosive spread of violence across Europe. A vivid narrative of a complex chain of interconnected revolutions, 1848 tells the exhilarating story of Europe's violent "Spring of Nations" and traces its reverberations to the present day.

Anne Pedersdotter - Hans Wiers-Jensen 1917

The Welfare State - Henrik Jensen 2002

"Don't You Know Who I Am?" - Ramani S. Durvasula Ph.D 2019-10-01

"Don't You Know Who I Am?" has become the mantra of the famous and infamous, the entitled and the insecure. It's the tagline of the modern narcissist. Health and wellness campaigns preach avoidance of unhealthy foods, sedentary lifestyles, tobacco, drugs, and alcohol, but rarely preach avoidance of unhealthy, difficult or toxic people. Yet the health benefits of removing toxic people from your life may have far greater benefits to both physical and psychological health. We need to learn to be better gatekeepers for our minds, bodies, and souls. Narcissism, entitlement, and incivility have become the new world order, and we are all in trouble. They are not only normalized but also increasingly incentivized. They are manifestations of pathological insecurity—insecurities that are experienced at both the individual and societal level. The paradox is that we value these patterns. We venerate them through social media, mainstream media, and consumerism, and they are endemic in political, corporate, academic, and media leaders. There are few lives untouched by narcissists. These relationships infect those who are in them with self-doubt, despair, confusion, anxiety, depression, and the chronic feeling of being "not enough," all of which make it so difficult to step away and set boundaries. The illusion of hope and the fantasy of redemption can result in years of second chances, and despondency when change never comes. It's time for a wake-up call. It's time to stem the tide of narcissism, entitlement, and antagonism, and take our lives back.

The Resistance Versus Vichy - Peter Novick 1968

Velvet Totalitarianism - Claudia Moscovici 2009-07-29

This book introduces students and the general public to the post-Stalinist phase of totalitarianism, focusing on Romania under the Ceausescu dictatorship, through the dual optic of scholarship and fiction, in a story about a family surviving difficult times under a totalitarian regime due to the strength of their love.

Religious Conversion and Identity - Massimo Leone 2004-06-01

The way in which people change and represent their spiritual evolution is often determined by recurrent language structures. Through the analysis of ancient and modern stories and their words and images, this book describes the nature of conversion through explorations of the encounter with the religious message, the discomfort of spiritual uncertainty, the loss of personal and social identity, the anxiety of destabilization, the reconstitution of the self and the discovery of a new language of the soul.

The Sisterhood Of The Travelling Pants - Ann Brashares 2012-05-01

From the New York Times bestselling author Ann Brashares Best friends Lena, Tibby, Bridget and Carmen, all born within weeks of one another, are preparing to spend their first summer apart. When Carmen buys a pair of second-hand jeans, the girls discover that despite their different physiques, the jeans look great on all of them. They promise to rotate the magical jeans, dubbed 'the travelling pants', amongst them and at the summer's end record their favourite adventure while wearing the pants. The jeans travel the world with the girls, visiting grandparents in Greece, attending soccer camp in Mexico, spending summer with Dad in South Carolina and working at home. They tie together the four distinct characters, each individual and courageous young woman, as they find their own strength in the face of new love, unexpected friendships, a father's remarriage and a reckless relationship. The result is a true sisterhood of support and acceptance.

Animal Migration - D. J. Aidley 1981-10-30

Renaissance Rewritings - Helmut Pfeiffer 2017-09-25

'Rewriting' is one of the most crucial but at the same time one of the most elusive concepts of literary scholarship. In order to contribute to a further reassessment of such a notion, this volume investigates a wide range of medieval and early modern literary transformations, especially focusing on texts (and contexts) of Italian and French Renaissance literature. The first section of the book, "Rewriting", gathers essays which examine medieval and early modern rewritings while also pointing out the theoretical implications raised by such texts. The second part, "Rewritings in Early Modern Literature", collects contributions which account for different practices of rewriting in the Italian and French Renaissance, for instance by analysing dynamics of repetition and duplication, verbatim reproduction and free reworking, textual production and authorial self-fashioning, alterity and identity, replication and multiplication. The volume strives at shedding light on the complexity of the relationship between early modern and ancient literature, perfectly summed up in the motto written by Pietro Aretino in a letter to his friend the painter Giulio Romano in 1542: "Essere modernamente antichi e anticamente moderni".

The Cambridge Companion to Constant - Helena Rosenblatt 2009-04-13

Benjamin Constant is widely regarded as a founding father of modern liberalism. The Cambridge Companion to Constant presents a collection of interpretive essays on the major aspects of his life and work by a panel of international scholars, offering a necessary overview for anyone who wants to better understand this important thinker. Separate sections are devoted to Constant as a political theorist and actor, his work as a social analyst and literary critic, and his accomplishments as a historian of religion. Themes covered range from Constant's views on modern liberty, progress, terror, and individualism, to his ideas on slavery and empire, literature, women, and the nature and importance of religion. The Cambridge Companion to Constant is a convenient and accessible guide to Constant and the most up-to-date scholarship on him.

The Divine Sarah - Arthur Gold 1991

Draws on unpublished writings and the reminiscences and critical appraisals of friends, admirers, and detractors to present a portrait of the iron-willed and tempestuous actress

Ithaca Forever - Luigi Malerba 2019-10-01

After twenty years, Odysseus finally returns to Ithaca, but instead of receiving the homecoming he had hoped for finds himself caught in an intense battle of wills with his faithful and long-suffering wife Penelope. When Penelope recognizes him under the guise of a beggar, she becomes furious with him for not trusting her enough to include her in his plans for ridding the palace of the Suitors. As a result, she plays her own game

of fictions to make him suffer for this lack of faith, inspiring jealousy, self-doubt, and misgivings in her husband, the legendary Homeric hero. In this captivating retelling of the Odyssey, Penelope rises as a major force with whom to be reckoned. Shifting between first-person reflections, Ithaca Forever reveals the deeply personal and powerful perspectives of both wife and husband as they struggle for respect and supremacy within a marriage that has been on hold for twenty years. Translated by PEN award-winner Douglas Grant Heise, Luigi Malerba's novel gives us a remarkable version of this greatest work of western literature: Odysseus as a man full of doubts and Penelope as a woman of great depth and strength.

Dangerous Liaisons - Claudia Moscovici 2011-11-15

What do Scott Peterson, Neil Entwistle and timeless literary seducers epitomized by Don Juan and Casanova have in common? They are charismatic, glib and seductive men who also embody the most dangerous human qualities: a breathtaking callousness, shallowness of emotion and the incapacity to love. In other words, these men are psychopaths. Unfortunately, most psychopaths don't advertise themselves as heartless social predators. They come across as charming, intelligent, romantic and kind. Through their believable "mask of sanity," they lure many of us into their dangerous nets. *Dangerous Liaisons* explains clearly what psychopaths are, why they act the way they do, how they attract us and whom they tend to target. Above all, this book helps victims find the strength to end their toxic relationships with psychopaths and move on, stronger and wiser, with the rest of their lives.

The Outlaws - Ernst Von Salomon 2013

It is November 1918. Germany has just surrendered after four years of the most savage warfare in history. It is teetering on the brink of total social and economic collapse, and the German people now lie at the mercy of new, liberal politicians who despise everything Germany once stood for. The Communists are rioting in the streets, threatening to topple the new government in Weimar and bring about their own revolution. The frontline soldiers are returning from the hell of the war to find an unrecognizable land, the principles and traditions they had sacrificed so much to defend now the stuff of mockery. The narrator of *The Outlaws*, a 16-year-old military cadet, is too young to have served in the trenches, but feels the sting of this betrayal no less than they. Since Germany's armies have been all but disbanded, he joins the paramilitary Freikorps - groups of veterans who refuse to lay down their arms, and who have pledged to stop the Communists - and begins fighting, first in the streets of Germany's cities, and then in the Baltic states, defending Germany's eastern frontiers from Communist subversion while ignoring the calls to disengage by the meek politicians at home. After months of intense fighting abroad, the Freikorps soldiers return to settle scores with their enemies in Germany, dreaming of a nationalist counter-revolution, and, their trigger fingers still itchy, fix their sights on bringing down the hated new government once and for all... *The Outlaws* is a chronicle of the experiences of the men who fought in the Freikorps, but it is also an adventure and a war story about an entire generation of soldiers who loved their homeland more than peace and comfort, and who refused to accept defeat at any price. "What we wanted we did not know; but what we knew we did not want. To force a way through the prisoning wall of the world, to march over burning fields, to stamp over ruins and scattered ashes, to dash recklessly through wild forests, over blasted heaths, to push, conquer, eat our way through towards the East, to the white, hot, dark, cold land that stretched between ourselves and Asia - was that what we wanted? I do not know whether that was our desire, but that was what we did. And the search for reasons why was lost in the tumult of continuous fighting." - p. 65 Ernst von Salomon (1902-1972) was one of the writers of the German Conservative Revolution of the 1920s. Like the narrator of *The Outlaws*, he was a military cadet at the end of the First World War, and joined the Freikorps, participating in many of the events described in the book, including the assassination of Foreign Minister Walther Rathenau, for which he was imprisoned. He went on to write many books and film scripts.

The True Memoirs of Little K - Adrienne Sharp 2010-10-26

Exiled in Paris, tiny, one-hundred-year-old Mathilde Kschessinska sits down to write her memoirs before all that she believes to be true is forgotten. A lifetime ago, she was the vain, ambitious, impossibly charming prima ballerina assoluta of the tsar's Russian Imperial Ballet in St. Petersburg. Now, as she looks back on her tumultuous life, she can still recall every slight she ever suffered, every conquest she ever made. Kschessinska's riveting storytelling soon thrusts us into a world lost to time: that great intersection of the Russian court and the Russian theater. Before the revolution, Kschessinska dominated that world as the greatest dancer of her age. At seventeen, her crisp, scything technique made her a star. So did her romance with the tsarevich Nicholas Romanov, soon to be Nicholas II. It was customary for grand dukes and sons of tsars to draw their mistresses from the ranks of the ballet, but it was not customary for them to fall in love. The affair could not endure: when Nicholas ascended to the throne as tsar, he was forced to give up his mistress, and Kschessinska turned for consolation to his cousins, two grand dukes with whom she formed an infamous ménage à trois. But when Nicholas's marriage to Alexandra wavered after she produced girl after girl, he came once again to visit his Little K. As the tsar's empire—one that once made up a third of the world—began its fatal crumble, Kschessinska's devotion to the imperial family would be tested in ways she could never have foreseen. In Adrienne Sharp's magnificently imagined novel, the last days of the three-hundred-year-old Romanov empire are relived. Through Kschessinska's memories of her own triumphs and defeats, we witness the stories that changed history: the seething beginnings of revolution, the blindness of the doomed court, the end of a grand, decadent way of life that belonged to the nineteenth century. Based on fact, *The True Memoirs of Little K* is historical fiction as it's meant to be written: passionately eventful, crammed with authentic detail, and alive with emotions that resonate still.

Crossing the Mangrove - Maryse Conde 2011-03-02

In this beautifully crafted, Rashomon-like novel, Maryse Conde has written a gripping story imbued with all the nuances and traditions of Caribbean culture. Francis Sancher—a handsome outsider, loved by some and reviled by others—is found dead, face down in the mud on a path outside Riviere au Sel, a small village in Guadeloupe. None of the villagers are particularly surprised, since Sancher, a secretive and

melancholy man, had often predicted an unnatural death for himself. As the villagers come to pay their respects they each--either in a speech to the mourners, or in an internal monologue--reveal another piece of the mystery behind Sancher's life and death. Like pieces of an elaborate puzzle, their memories interlock to create a rich and intriguing portrait of a man and a community. In the lush and vivid prose for which she has become famous, Conde has constructed a Guadeloupean wake for Francis Sancher. Retaining the full color and vibrance of Conde's homeland, *Crossing the Mangrove* pays homage to Guadeloupe in both subject and structure.

Saints and Signs - Massimo Leone 2010-08-31

Catholic saints are also signs. Through the saints, the Catholic Church communicates certain models of spirituality. After the Reformation, saints became the media through which the Catholic Church represented and promoted a renewal of the Catholic faith in Europe and in its colonies. *Saints and Signs* analyzes hagiographies, paintings, and other texts representing the sanctity of Ignatius of Loyola, Philip Neri, Francis Xavier, and Therese of Avila, in order to answer the following question: How did these words and images influence the Catholic spirituality at the beginning of modernity?
