Funny Boy - Shyam Selvadurai  
2013-01-29

In this remarkable debut novel,  
a boy's bittersweet passage to  
maturity and sexual awakening  
is set against escalating  
political tensions in Sri Lanka,  
during the seven years leading  
up to the 1983 riots. Arjie  
Chelvaratnam is a Tamil boy  
growing up in an extended  
family in Colombo. It is through  
his eyes that the story unfolds  
and we meet a delightful,  
sometimes eccentric cast of  
characters. Arjie's journey from  
the luminous simplicity of  
childhood days into the more  
intricately shaded world of  
adults - with its secrets, its  
injustices, and its capacity for

violence - is a memorable one, as time and time again the true longings of the human heart are held against the way things are.

Mia, age 6, BBC Learning is Fun "It's easy to see why Horrid Henry is the bestselling character for 5-8 year olds." Liverpool Echo "Because it's funny "My two boys love this book and I have actually had tears running down my face and had to stop reading because of laughing so hard. My oldest son is rereading all the books in this series on his own now and he still loves them. Happy reading!" T. Franklin, Parent "A modern comic classic." SF Said, Guardian Children's Books Supplement Kids get to be harmlessly rebellious "Henry is a beguiling hero who has entranced millions of reluctant readers... little rebels will love this collection and

even little angels will be secretly thrilled by Henry's anti-heroic behaviour." Herald Henry's naughtiness is a yardstick against which children can get a sense of their own moral goodness and social justice "What is brilliant about the books is that Henry never does anything that is subversive. She creates an aura of supreme naughtiness (of which children are in awe) but points out that he operates within a safe and secure world." Emily Turner, Angels And Urchins Magazine Reaches the most important age group - children who are learning to read "I have tried out the Horrid Henry books with groups of children as a parent, as a babysitter, and as a teacher. Children love to either hear them read aloud or to read them themselves. The books are spot on for the 5-8 age range and are fun for the adults who share them too." Danielle Hall, Teacher The structure provides new readers with a real sense of accomplishment "My son is 7 years old and a big Horrid

Henry fan. This book lived up to his expectations! Horrid Henry is like most boys: he always has a plan and is always getting into mischief! It was amusing, and he could not put it down. Can't wait for the next. He read it cover to cover by himself in 2 days! That for me sells a book! He can't wait for the next one to be published. He has recommended it to all his friends." Mrs. Tami Gold, Parent Reaches both boys and girls equally "Wonderfully appealing to girls and boys alike, a precious rarity at this age." Judith Woods, Times Books A global publishing phenomenon with 12 million copies sold! WHAT PEOPLE ARE SAYING ABOUT HORRID HENRY: "Parents reading them aloud may be consoled to discover that Henry can always be relied upon to behave worse than any of their own offspring." Independent "An absolutely fantastic series and surely a winner with all children. My son took this book as his favourite during book week at his school and converted a few children to the

cause. Long live Francesca Simon and her brilliant books! More, more please!" "My 5-year-old adores them so much he couldn't wait to start reading because of them." **The Narrative of Arthur Gordon Pym of Nantucket** -

Edgar Allan Poe 2022-06-02  
"The Narrative of Arthur Gordon Pym of Nantucket" is the only complete novel written by American writer Edgar Allan Poe. The story was inspired by a newspaper account of the shipwreck and subsequent rescue of the two men on board. Poe developed the story into a tale of the young Arthur Gordon Pym, who stows away aboard a whaling ship called the Grampus. Yet, it's not the mere adventures that make

this book a literary masterpiece. Poe imbued his tale with allegorical richness, biblical imagery, and psychological insights. This novel has influenced numerous writers, including Melville, James, Verne, and Nabokov.
