Pandemic, Inc. - J. David McSwane 2022-04-12

"This startling, vital book deserves our attention." —San Francisco Chronicle For readers of *War Dogs* and *Bad Blood*, an explosive look inside the rush to profit from the COVID-19 pandemic, from the award-winning ProPublica reporter who saw it firsthand. The United States federal government has spent over \$10 billion on medical protective wear and emergency supplies, yet as COVID-19 swept the nation, life-saving equipment such as masks, gloves, and ventilators was nearly impossible to find. In this brilliant nonfiction thriller, award-winning investigative reporter J. David McSwane takes us behind the scenes to reveal how traders, contractors, and healthcare companies used one of the darkest moments in American history to fill their pockets.

Determined to uncover how this was possible, he spent over a year on private jets and in secret warehouses, traveling from California to Chicago to Washington DC, to interview both the most treacherous of profiteers and the victims of their crimes. *Pandemic, Inc.* is the story of the fraudster who signed a multi-million-dollar contract with the

government to provide lifesaving PPE, and yet never came up with a single mask. The Navy admiral at the helm of the national hunt for additional medical resources. The Department of Health whistleblower who championed masks early on and was silenced by the government and conservative media. And the politician who callously slashed federal emergency funding and gutted the federal PPE stockpile. Winner of the Goldsmith Prize for Investigative Reporting, McSwane connects the dots between backdoor deals and the spoils systems to provide the definitive account of how this pandemic was so catastrophically mishandled. Shocking and revelatory, *Pandemic, Inc.* exposes a system that is both deeply rigged, and singularly American.

The Incomplete Book of Running - Peter Sagal 2019-09-10

Peter Sagal, the host of NPR's Wait Wait...Don't Tell Me! and a popular columnist for Runner's World, shares "commentary and reflection about running with a deeply felt personal story, this book is winning, smart, honest, and affecting. Whether you are a runner or not, it will move you" (Susan Orlean). On the verge of turning forty, Peter Sagal—brainiac Harvard grad, short bald Jew with a disposition towards heft, and a sedentary star of public radio—started running seriously. And much to his own surprise, he kept going, faster and further, running fourteen marathons and logging tens of thousands of miles on roads, sidewalks, paths, and trails all over the United States and the world, including the 2013 Boston Marathon, where he crossed the finish line moments before the bombings. In The Incomplete Book of Running, Sagal reflects on the trails, tracks, and routes he's traveled, from the humorous absurdity of running charity races in his underwear—in St. Louis, in February—or attempting to "quiet his colon" on runs around his neighborhood—to the experience of running as a guide to visually impaired runners, and the triumphant post-bombing running of the Boston Marathon in 2014. With humor and humanity, Sagal also writes about the emotional experience of running, body image, the similarities between endurance sports and sadomasochism, the legacy of running as passed down from parent to child, and the odd but extraordinary bonds created between strangers and friends. The result is "a brilliant book about running...What Peter

runs toward is strength, understanding, endurance, acceptance, faith, hope, and charity" (P.J. O'Rourke).

Fairy Tale - Stephen King 2022-09-06

Legendary storyteller Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher - for their world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was ten, and grief drove his dad to drink. Charlie learned how to take care of himself - and his dad. Then, when Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. King's storytelling in *Fairy Tale* soars. This is a magnificent and terrifying tale about another world than ours, in which good is pitted against overwhelming evil, and a heroic boy - and his dog - must lead the battle.

I'm Glad My Mom Died - Jennette McCurdy 2022-08-09

#1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL

BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My

Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.
