Always the Bridesmaid - Whitney Lyles 2004-02-03

What do you do after you walk down the aisle in four weddings in a few months—none of them your own? What's left after you've donned the must-have-not dresses of the season, forked over your cash, and fake-smiled your way through countless photos? After you've dealt with the smashed guest, the smooshed cake, the dashed hopes, and the missed bouquets? That's what Cate Padgett is starting to wonder, as she embarks on stint after stint on the sidelines, watching friends swap bar-hopping for baby-naming...while her own love life goes nowhere fast. But is Cate unwilling to settle down—or just unwilling to settle? And can anyone really judge her if they haven't walked in her dyed-to-match shoes? Wild, witty, and full of weddings to cry over, *Always the Bridesmaid* is an endearingly romantic comedy about standing out in the crowd even when everyone's wearing the same celery-green dress...and daring to make every day *The Happiest Day of Your Life*.

The Secret Bridesmaid - Katy Birchall 2021-05-04

"A pure delight." --BookPage, starred review "Charming, escapist fun."
--Katharine McGee, New York Times bestselling author of American Royals
Matrimony meets mayhem in Katy Birchall's *The Secret Bridesmaid*, a modern British romcom about a young woman charged with pulling off the biggest aristocratic wedding of the year--and the misadventures that ensue. Sophie Breeze is a brilliant bridesmaid. So brilliant, in fact, that she's made it her full-time job. As a professional bridesmaid, Sophie is hired by London brides to be their right-hand woman, posing as a friend but working behind the scenes to help plan the perfect wedding and ensure their big day goes off without a hitch. When she's hired by Lady Victoria Swann--a former model and "It Girl" of 1970's London; now the Marchioness of Meade--for the society wedding of the year, it should be a chance for Sophie to prove just how talented she is. Of course, it's not ideal that the bride, Lady Victoria's daughter, Cordelia, is an absolute diva and determined to make Sophie's life a nightmare. It's also a bit inconvenient that Sophie finds herself drawn to Cordelia's posh older brother, who is absolutely off limits. But when a rival society wedding is announced for the very same day, things start to get...well, complicated. Can Sophie pull off the biggest challenge of her career--execute a high-profile gala for four hundred and fifty guests in record time, win over a reluctant bride, and catch the eye of handsome Lord Swann--all while keeping her true identity a secret, and her dignity intact? Heartwarming and hilarious, Katy Birchall's *The Secret Bridesmaid* celebrates the joys (and foibles) of weddings, the nuances of female friendship, and the redeeming power of love in its many unexpected forms.

Always a Bridesmaid (For Hire) - Jen Glantz 2017-02-07

In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about one New York City Millennial's journey to find herself, her dream career, and true love, all while

juggling a truly unique job as the world's only professional bridesmaid. *Previously published as *Always a Bridesmaid (for Hire)* After moving to New York City in her mid-twenties to pursue her dream of writing—and not living on the “Upper East Side” of her parents’ house anymore—Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, “Jen, I have something exciting to tell you!” and ended with, “I’d be honored if you would be my bridesmaid.” At first she was delighted, but it wasn’t long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn't do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen—and more insight into the meaning of love than she was getting from OKCupid—as she walked down the aisle at stranger after stranger's wedding. Fresh, funny, and surprisingly sweet, *Always a Bridesmaid (For Hire)* is an entertaining reminder that even if you don't have everything together, you can still be a total boss—or, at the very least, a BFF to another girl in need.

Bad Bridesmaid - Siri Agrell 2007-02-06

A laugh-out-loud look at the most underrated supporting role in today's

maxed-out wedding world, featuring "bad bridesmaids" who've had enough taffeta to last a lifetime I just can't have any negative energy around my wedding." This is what Siri Agrell's best friend told her just before kicking her out of the wedding that Agrell had spent many months—and dollars—preparing for. Her offense? It's not that she slept with the groom, or even the best man. She didn't get drunk at the shower. She didn't buy the cheapest casserole dish on the registry. But she did question the role of today's much-maligned bridesmaid in an article she wrote for a national newspaper. Despite the bags of fan mail the piece generated, the bride was not amused. Agrell was booted from the bridal party in favor of a similarly sized cousin—and no, she did not get reimbursed for the \$100 gold shoes she'd already bought to match the bridesmaid dress. Now she's putting all that experience and fan mail to good use: like no other book on the market, *Bad Bridesmaid* is a hilarious tale of weddings gone wild, full of anecdotes and advice from women worldwide, and the perfect gift to get former, current, and future bridesmaids ready for action (or therapy). It's time to give the bridesmaid back her voice, her independence, and the natural waistline that has long been hidden under layers of responsibility and badly constructed tulle!
