*Type or negative. Slow, deep and hard* - Francesco Nunziata  
2022-09-22T00:00:00+02:00

Artista controverso e geniale, dotato di una profonda voce baritonale e un gusto per la provocazione mai fine a se stesso, Petrus Thomas Ratajczyk in arte Peter Steele ha infiammato, nel corso di una carriera durata quasi trent'anni, il cuore di milioni di appassionati di musica. Armato del suo basso, caratterizzato da un suono inconfondibile, e da una penna capace di essere insieme tagliente e poetica, Steele cominciò a fare sul serio con le visioni dei Fallout, al confine tra metal e new wave, prima di darsi agli urti termonucleari e alle devastanti scariche crossover dei Carnivore. Alla fine degli anni Ottanta, dopo avere tentato il suicidio, gettò le basi dei Type O Negative, alfieri del gothic-doom che si presentarono al mondo con il capolavoro assoluto slow, deep and hard, uno dei dischi più malefici, disturbanti ed enigmatici di sempre, oltre che una potentissima dimostrazione della forza sublimatrice e rigeneratrice dell'arte. Nel corso degli anni Novanta, con album di grande successo quali bloody kisses e october rust, i Type O Negative divennero uno dei fari della scena metal, prima di imboccare una lenta ma affascinante fase discendente, conclusasi nel 2010 con l'improvvisa morte del loro leader e unico compositore. Nell'anno in cui Steele avrebbe compiuto sessant'anni, questo libro ne ricostruisce la vita e soprattutto l'avventura spirituale, concentrandosi sulla sua musica e dedicando un'analisi approfondita anche a tutti i suoi testi, fino a oggi colpevolmente sottovalutati, eppure capaci di innescare un dibattito sui grandi temi filosofici della nostra epoca.

**Agnetti: a Hundred Years from Now** - Marco Meneguzzo 2017  
Vincenzo Agnetti (Milan 1926? 1981) was central to the international Conceptual Art scene in the 1960s: a poet, critic, and?reciter?, he

followed his own path from the time of his friendship with Piero Manzoni and the Azimuth group. But it was in 1966-67 that he began to produce works such as the Bakelite axioms and the felt portraits and actions with their fundamental concepts of words, the territory, translation, relating, and the singularity and universality of communication. This book, edited by Marco Meneguzzo together with the Archivio Vincenzo Agnetti, and thanks to its numerous essays and its abundant photographic and technical information, is the most complete tool for getting to know an artist to whom the global art system is paying the tribute of a well-merited success. Exhibition: Palazzo Reale, Milan, Italy (04.07.-24.09.2017).

*Piero Manzoni* - Fausto Gilberti 2014

"In un giorno di maggio di molti anni fa, l'artista Piero Manzoni inserì la sua cacca in una scatoletta di metallo creando così la sua opera più famosa...". Questa è una storia vera. È la storia di Piero Manzoni. Nato a Soncino il 13 luglio 1933 e vissuto a Milano fino al febbraio 1963. Piero ci ha lasciato opere piene di ironia e meraviglioso senso dell'assurdo, divertenti e divertite come un gioco da ragazzi. Fausto Gilberti ce le racconta così come sono, senza appesantirle di spiegazioni superflue, riuscendo a trasmetterci la sua passione per questo grande artista del Novecento, che fece dell'arte la sua vita, e della sua vita un'opera d'arte. Età di lettura: da 8 anni.

**Castellani** - Enrico Castellani 1996

Enrico Castellani was born in Castelmassa (Rovigo) in 1930. He began his artistic career in the milieu of Informale though he soon broke away

from this movement. In 1959-60, in Milan, he and Piero Manzoni founded the magazine and art gallery Azimuth, which looked to the rationalist, analytic and constructivist climate emerging on the international scene. Castellani, who was specifically interested in the relation between space and light, did not hesitate to modify the actual structure of the picture, thus creating surfaces modulated by a rhythm of volumes and voids that may be constant or infinitely varied. This is the most extensive book published to date on the figure and oeuvre of Castellani. It analyzes his early 1958 drawings and canvases, his subsequent major installations and his recent works dating from 1992.
