Child Sexual Abuse -

Christianah Akindolie

2013-01-17

Child sexual abuse is an epidemic eating deep into the society. It is becoming normal to read and hear about it in the media. What makes it more terrible is that many adults are ignorant of the fact that every child is vulnerable to this social canker and that they are expected to be protectors of

the victims - Children. This book provides firsthand information to anyone who wants to know about child sexual abuse. You will find in this book true life stories to bring to bear the realities of child sexual abuse.

Child Survivors and Perpetrators of Sexual Abuse -

Mic Hunter

1995-03-14

The debate over the validity of

memories related to childhood sexual abuse continues. However, whatever one's beliefs about the formation and recall of memories, there are some points upon which most people can agree: that there are children and adolescents who have been abused; that these children ought to receive treatment; and that such treatment should be provided in an effective and efficient manner. The contributors to this volume are dedicated to providing such treatment. The book describes treatment innovations for working with both child and adolescent survivors and perpetrators of sexual abuse. Among the topics explored are inpatient treatment of adolescent survivors and societal responses to sexually aggressive c

Handbook of Sexual Assault and Sexual Assault Prevention - William T. O'Donohue
2019-10-18

This timely handbook provides in-depth overviews of the myriad and multi-faceted issues surrounding sexual

assault and its pervasiveness in today's culture. Drawing for multiple viewpoints and experts, the book is divided into seven comprehensive sections, covering such topics as risk factors, varying theoretical frameworks, prevention and intervention, and special populations. Within these sections the authors provide historical background as well as the latest research, and offer treatment outcomes and potentials. Selected topics covered in this book include: Feminist theories of sexual assault Social and economic factors surrounding sexual violence Mental, physiological, physical, and functional health concerns of victims, including PTSD Major categories of sexual offenders Treatment of sexual assault survivors in the LGBTQ+ community Procedural processes related to sexual assault investigation and adjudication within the criminal justice system The Handbook of Sexual Assault and Sexual Assault Prevention is a vital book that will appeal to a broad spectrum of

students, researchers, practitioners, and clinicians in the fields of psychology, psychiatry, community mental health, and sociology.

Sex Work, Immigration and Social Difference - Julie Ham
2016-08-25

Public discourses around migrant sex workers are often more confident about what migrant sex workers signify morally but are less clear about who the 'migrant' is. Based on interviews with immigrant, migrant and racialized sex workers in Vancouver, Canada and Melbourne, Australia, *Sex Work, Immigration and Social Difference* challenges the 'migrant sex worker' category by investigating the experiences of women who are often assumed to be 'migrant sex workers' in Australia and Canada. Many 'migrant sex workers' in Melbourne and Vancouver are in fact, naturalized citizens or permanent residents, whose involvement in the sex industry intersects with diverse ideas and experiences of citizenship in Australia and Canada. This

book examines how immigrant, migrant and racialized sex workers in Vancouver and Melbourne wield or negotiate ideas of illegality and legality to obtain desired outcomes in their day-to-day work. Sex work continues to be the subject of fierce debate in the public sphere, at the policy level, and within research discourses. This study interrogates these perceptions of the 'migrant sex worker' by presenting the lived realities of women who embody or experience dimensions of this category. This book is interdisciplinary and will appeal to those engaged in criminology, sociology, law, and women's studies.

Game-Based Cognitive-Behavioral Therapy for Child Sexual Abuse - Craig I. Springer, PhD 2014-12-02
DELIVERS AN EFFECTIVE, ENGAGING NEW TECHNIQUE FOR TREATING CHILDHOOD SEXUAL ABUSE
Treating a confirmed or suspected case of childhood sexual abuse is undoubtedly one of the most challenging situations a

clinician can face. This unique book, written by recognized experts on the evaluation and treatment of childhood sexual abuse, is the first to disseminate a comprehensive and integrative approach to treating child sexual abuse that combines the power of structured play therapy with cognitive-behavioral treatment. Created by the authors, game-based cognitive-behavioral therapy (GB-CBT) is a complete therapeutic package containing engaging techniques and effective strategies to treat the problems experienced by children and families impacted by sexual abuse. The book provides the rationale, underlying theory, and step-by-step instructions for providing GB-CBT to families affected by child sexual abuse. Detailed descriptions of evidence-based techniques and required materials are included, along with reproducible game boards and other items needed to implement activities. These structured therapeutic games and role-plays are enjoyable and provide multiple

opportunities for children to learn and rehearse such skills as emotional expression, anger management, relaxation strategies, social skills, social problem solving, and cognitive coping. A detailed session framework complete with behavioral expectations and reward systems, along with illustrative case examples, further demonstrates how to implement GB-CBT. Also included are recommendations for effective and comprehensive assessment procedures. The book describes activities for individual, conjoint child-caregiver, and group therapy that can be used in a multitude of therapeutic environments and can be incorporated into clinical practice across a variety of orientations. Additionally, it includes information about cultural considerations critical for effective delivery with diverse populations. The book also contains strategies for training and educating students and clinicians about GB-CBT. KEY FEATURES Delivers an

effective new method for treating child sexual abuse that combines structured play therapy with cognitive-behavioral therapy Written by the originators of GB-CBT, recognized experts in this field Designed for use in a variety of settings and with different therapeutic modalities Presents concrete strategies, step-by-step instruction, and required materials for treating problems related to child sexual abuse Includes illustrative case examples and a complete description of structured sessions with behavioral expectations and reward systems

Resurrection After Rape - Matt Atkinson 2008-06

A top-selling, best-reviewed book about women's recovery from rape trauma, "Resurrection After Rape" is an ideal resource for counselors, treatment centers, college course texts, and survivors of rape.

Boring way to be Happy, With a Dysfunctional Family -

Sexual Abuse of Males - Josef

Spiegel 2013-08-21

Based on hundreds of case histories, this book examines the sexual abuse of boys, from the perspectives of victim & perpetrator. It adopts a psychosocial context & seeks to develop a multidimensional understanding of dynamics & effects.

Helping Your Child Recover from Sexual Abuse - Caren Adams 2015-09-01

The sexual abuse of a child creates a devastating family crisis. Parents want to know what to do and say to help their child, both immediately and in the long term. Helping your Child Recover from Sexual Abuse offers practical guidance for parents who courageously face the days and months after a child's abuse. Written in a positive, reassuring jargon-free style, it discusses each stage of a child's recovery. Information for parents appears on the left-hand pages; sample conversations and activities for parent and child together are on the right-hand pages. The book presents the collective wisdom of numerous parents

Includes a sample treatment plan that conforms to the requirements of most third-party payors and accrediting agencies including CARF, The Joint Commission (TJC), COA, and the NCQA. Additional resources in the PracticePlanners® series: Progress Notes Planners contain complete, prewritten progress notes for each presenting problem in the companion Treatment Planners. Homework Planners feature behaviorally based, ready-to-use assignments to speed treatment and keep clients

engaged between sessions. For more information on our PracticePlanners®, including our full line of Treatment Planners, visit us on the Web at: www.wiley.com/practiceplanners

Victims and Survivors' Own Stories of Intrafamilial Child Sexual Abuse - Steve Broome 2019-11-25

In the UK today, it is estimated that nearly one in twenty children are subjected to sexual abuse, with the overwhelming majority being abused within the family environment. However, despite its prevalence, intrafamilial child sexual abuse remains largely shrouded in silence, shame and stigma. Taking a phenomenological approach, this book presents ten retrospective first-person accounts from adult victims and survivors, exploring the impact of such abuse throughout the life course. These stories illustrate how child sexual abuse can cause trauma affecting almost every aspect of life: emotionally,

psychologically, interpersonally, behaviourally and cognitively. However, they also demonstrate the remarkable resilience of the human spirit; of how adverse experiences can be lived with, processed, and assimilated. These accounts address a gap in what academics, practitioners and policy makers know about child sexual abuse; give victims and survivors a voice; and open up a conversation about one of the most enduring societal and cultural problems.

Handbook of Child Sexual Abuse - Paris Goodyear-Brown
2011-09-09

A comprehensive guide to the identification, assessment, and treatment of child sexual abuse. The field of child sexual abuse has experienced an explosion of research, literature, and enhanced treatment methods over the last thirty years. Representing the latest refinements of thought in this field, *Handbook of Child Sexual Abuse: Identification, Assessment, and Treatment* combines the most current

research with a wealth of clinical experience. The contributing authors, many of whom are pioneers in their respective specialties, include researchers and clinicians, forensic interviewers and law enforcement professionals, caseworkers and victim advocates, all of whom do the work of helping children who have been sexually victimized. Offering a snapshot of the state of the field as it stands today, *Handbook of Child Sexual Abuse* explores a variety of issues related to child sexual abuse, from identification, assessment, and treatment methods to models for implementation and prevention, including: The impact of sexual abuse on the developing brain The potential implications of early sexual victimization Navigating the complexities of multidisciplinary teams Forensic interviewing and clinical assessment Treatment options for children who have traumagenic symptoms as a response to their sexual victimization Treating children

with sexual behavior problems and adolescents who engage in illegal sexual behavior
Secondary trauma and vicarious traumatization
Cultural considerations and prevention efforts Edited by a leader in the field of child therapy, this important reference equips helping professionals on the front lines in the battle against child sexual abuse—not merely with state-of-the-art knowledge—but also with a renewed vision for the importance of their role in the shaping of our culture and the healing of victimized children.

Putting Trials on Trial -

Elaine Craig 2018-02-16
Over the past few years, public attention focused on the Jian Ghomeshi trial, the failings of Judge Greg Lenehan in the Halifax taxi driver case, and the judicial disciplinary proceedings against former Justice Robin Camp have placed the sexual assault trial process under significant scrutiny. Less than one percent of the sexual assaults that occur each year in Canada

result in legal sanction for those who commit these offences. Survivors often distrust and fear the criminal justice process, and as a result, over ninety percent of sexual assaults go unreported. Unfortunately, their fears are well founded. In this thorough evaluation of the legal culture and courtroom practices prevalent in sexual assault prosecutions, Elaine Craig provides an even-handed account of the ways in which the legal profession unnecessarily - and sometimes unlawfully - contributes to the trauma and re-victimization experienced by those who testify as sexual assault complainants. Gathering conclusive evidence from interviews with experienced lawyers across Canada, reported case law, lawyer memoirs, recent trial transcripts, and defence lawyers' public statements and commercial advertisements, *Putting Trials on Trial* demonstrates that - despite prominent contestations - complainants are regularly

subjected to abusive, humiliating, and discriminatory treatment when they turn to the law to respond to sexual violations. In pursuit of trial practices that are less harmful to sexual assault complainants as well as survivors of sexual violence more broadly, *Putting Trials on Trial* makes serious, substantiated, and necessary claims about the ethical and cultural failures of the Canadian legal profession.

Child Psychotherapy - Robbie Adler-Tapia 2012-06-22

Print+CourseSmart

Moving On After Childhood Sexual Abuse - Jonathan Willows 2008-08-28

This self-help guide allows those who have experienced childhood sexual abuse to consider the impact that it has had on their adult lives from a new perspective, helping them to understand the effects, and prepare for therapy. Based on known reactions to physical and emotional trauma, the book explains how a broad range of difficulties in adulthood can result from sexual abuse in childhood. The

reader is invited to think about how psychological therapy can be particularly helpful in reducing these difficulties and promoting change. Ground rules for therapy are provided, as well as guidance on how to get the most from the therapy process. *Moving On After Childhood Sexual Abuse* provides a clear explanation of the developmental effects of childhood sexual abuse as well as the role of psychological therapy. This book will therefore assist the reader in making informed decisions about seeking treatment and setting personal goals for therapy, as well as appreciating the demands involved in the process of change.

Sexual Assault Prevention and Response in the Armed Forces - United States. Congress. House. Committee on Armed Services. Subcommittee on Total Force 2005

Coping with Date Rape and Acquaintance Rape - Melissa Mayer 2018-12-15

The statistics associated with

date rape and acquaintance rape are staggering, especially for teens and young adults, who are at the highest risk. With warmth and candor, this straightforward guide offers frank advice and insightful context to demystify concepts like rape and consent, and provides advice for what to do after experiencing date rape or acquaintance rape. Features include questions for an expert, myths and facts, and illuminating sidebars. Thoughtfully inclusive, readers are empowered to confront social norms and attitudes that perpetuate rape culture and consider the intersectional nature of sexual violence.

Sexual Assault - Olivia Ghafoerkhan 2016-12-08
Out of all reported cases of sexual assault, nearly 70 percent occur with victims who are under the age of seventeen, and it has been estimated that one in ten children will be sexually abused before they turn eighteen. Sexual assault has become an all-too-common occurrence among young adults. An assault can

cause physical injuries, STDs and STIs, post-traumatic stress disorder, flashbacks, anxiety, depression, and other re-experiencing symptoms. It can lead to poor academic performance, substance abuse, risky sexual behavior, and even suicide. Research has also shown that victims of sexual abuse are more likely to confide in friends than in adults, but those friends may not be equipped to help. In *Sexual Assault: The Ultimate Teen Guide*, Olivia Ghafoerkhan describes the various ways sexual violence can be perpetrated, discusses myths many teens believe about the subject, and outlines how young adults can get the help they need to begin the healing process. Topics covered include date rape abusive relationships incest breaking the silence victim blaming support healing An invaluable resource for young people, *Sexual Assault: The Ultimate Teen Guide* aims to give victims and their friends the courage to report such crimes, advice on where to find

help, and hope that life can return to some sense of normalcy after such a horrific experience.

The Queer Mental Health Workbook - Dr. Brendan J.

Dunlop 2022-03-21

'A privilege to read, a pleasure to endorse' PROFESSOR TANYA BYRON 'This book completely bowled me over' DOMINIC DAVIES 'A super comprehensive book' MEG-JOHN BARKER To be queer is to feel different - a felt sense that you don't fit in. This can be alienating and difficult and lead to mental health challenges and lower wellbeing throughout life. Using a range of therapeutic approaches, this comprehensive, down-to-earth self-help workbook is designed to be your personal mental health resource. It is filled with techniques and activities you can read, tailor and 'pick and mix' to improve your wellbeing as a queer person, at your pace. The workbook is split into two sections - the first part focusses on laying the groundwork by exploring identity, psychological

wellbeing, and mental health experiences in order to situate mental health challenges in context and improve overall mental health. The second half hones in on ideas and techniques applicable to specific challenges and situations. It explores difficult topics such as anxiety, low self-esteem, eating disorders, self-harm, suicidal ideation, shame, trauma, substance abuse, sleep, and low mood, all whilst maintaining a focus on your needs as a queer individual. Empowering and reassuring, and written by an experienced queer mental health practitioner, this one-of-a-kind workbook will help you to flourish as a queer person and begin to overcome any challenge.

Child Sexual Abuse - Esther Deblinger 2015-10-21

Based on over 25 years of research, Child Sexual Abuse, Second Edition describes a premier, empirically supported treatment approach for children, adolescents, and non-offending parents/caregivers impacted by child sexual

abuse. Developed to provide support and to alleviate symptoms and problem behaviors in children and adolescents, Trauma-Focused Cognitive Behavioral Therapy (TF-CBT) for child sexual abuse incorporates treatment components that provide children and their caregivers with education and coping skills training, while simultaneously addressing the trauma. This book describes the nuts and bolts of treatment including trauma narrative development and processing activities that help to alleviate children's distress and feelings of shame associated with the abuse. Parents are also taught effective behavior management skills, and treatment often culminates with a focus on parent-child communication and enhancing safety and future development. This highly effective treatment model can be delivered in outpatient, school-based, residential, home, and/or group settings.

The Sexual Abuse of Children - William T.

O'Donohue 2013-12-16

The sexual abuse of children is now seen as an enormous problem; first, because there is an increasing awareness that it is more prevalent than previously thought, and second, because it gives rise to so many complex questions. How is sexual abuse to be defined? What are the effects of abuse? How can the victim be helped? How can abuse be prevented? These two comprehensive volumes cover a wide spectrum of basic and applied issues. Expert contributors -- including physicians, attorneys, psychologists, philosophers, social workers, and engineers - - address such relevant topics as epidemiology, animal models, legal reforms, feminist scholarship, child pornography, medical assessment, and diverse models of psychotherapeutic intention.

Learning Good Consent -

Cindy Crabb 2016-06-13

Cindy Crabb provides a DIY tour of the promise and perils of sexual relationships in Learning Good Consent.

Downloaded from
redjacketclothing.com on
by guest

Building ethical relationships is one of the most important things we can do, but sex, consent, abuse, and support can get complicated. This collection is an indispensable guide to both preventing sexual violence and helping its survivors to heal. Includes a foreword by Kiyomi Fujikawa and Jenna Peters-Golden.

“Whether or not you think you need it, whether or not you’re a survivor, or dating a survivor, or even having sex, you would probably benefit from reading this book. And the people you choose to be intimate with will probably thank you for making their safety a priority.” —Nomy Lamm, *Feminist Review*

“Learning Good Consent ... offers powerful, complicated information (instead of shallow questions and uncomplicated answers). This book speaks to those who are unlearning silence as a safety/communication strategy.” —Jen Cross, *make/shift* “Essential reading.”

—Colin Atrophy Hagendorf, author of *Slice Harvester*
“What this book does is to

stress consent: not ‘no means no,’ or even ‘yes means yes,’ but ‘Do you want me to stay here with you?’ ‘Are you here?’ ‘I thought I wanted this, but I’m not sure now.’ ‘Do you think we should take this farther?’ I’m moved that this book is here. It matters.”

—Alison Piepmeier, author of *Girl Zines: Making Media, Doing Feminism* Cindy Crabb is an author of the influential, feminist, autobiographical ‘zine *Doris*, which has been anthologized into two books: *The Encyclopedia of Doris: Stories, Essays and Interviews* and *Doris: An Anthology 1991–2001*. Her essays and analyses of the impact of her writing have appeared in numerous books and magazines, including: *The Riot Grrrl Collection*; *Stay Solid! A Radical Handbook for Youth*; *Girl Zines: Making Media, Doing Feminism*; and *We Don’t Need Another Wave: Dispatches from the Next Generation of Feminists*. *The Truth about Rape* - Teresa Lauer 2002

If you were raped, recently or

even years ago, you know that desperate feeling of wanting to get your life back together. If it feels like everything is broken and you're all alone, this book is a safe and reliable guide to recovery.

*The College Student
Counseling Treatment Planner*

- Camille Helkowski

2004-04-08

The College Student Counseling Treatment Planner provides all the elements necessary to quickly and easily develop formal treatment plans that satisfy the demands of HMOs, managed care companies, third-party payors, and state and federal review agencies. Saves you hours of time-consuming paperwork, yet offers the freedom to develop customized treatment plans for young adult clients Organized around 28 main presenting problems, from academic performance anxiety and financial stress to depression, suicidal ideation, and chemical dependence Over 1,000 well-crafted, clear statements describe the behavioral manifestations of each

relational problem, long-term goals, short-term objectives, and clinically tested treatment options Easy-to-use reference format helps locate treatment plan components by behavioral problem or DSM-IV-TR(TM) diagnosis Includes a sample treatment plan that conforms to the requirements of most third-party payors and accrediting agencies (including HCFA, JCAHO, and NCQA) Sexual Assault in the Military - United States. Congress. House. Committee on Armed Services. Subcommittee on Military Personnel 2010

Sexual Assault of Children and Adolescents - Ann Wolbert Burgess 1978

No descriptive material is available for this title.

Stranger Rape - Kevin Bonnycastle 2012-10-09
Kevin Denys Bonnycastle's Stranger Rape is an in-depth study of the lives of fourteen men who raped women unknown to them. Using new data derived from official offender files, offender program observations, and the

men's personal histories, Bonnycastle documents, compares, and contrasts their experiences from boyhood to adulthood and eventual incarceration. Bonnycastle argues that stranger-rapists do not fit existing portrayals of them as predatory monsters or misogynist everymen. Instead, through an innovative approach that builds on research and theory from feminism, gender studies, critical criminology, and masculinity studies, she positions stranger-rape as a matter of experiences of pain and powerlessness rather than of male power and control. The book's major achievement is to recognize rapists and rape in their particularity and complexity in the hope that critical thinking about their lives and about their experiences in penal contexts and programs may eventually lead to what one respondent called his 'road to redemption.'

Please note that this book includes graphic content.
[Child Sexual Abuse and the Catholic Church](#) - Marie

Keenan 2013-04-01

A meticulously researched inside look at child sexual abuse by clergy, this exhaustive, hard-hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders. Linking the personal and the institutional, researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology, but also within larger systemic factors, such as the very institution of priesthood itself, the Catholic take on sexuality, clerical culture, power relations, governance structures of the Catholic Church, the process of formation for priesthood and religious life, and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations, including child sexual abuse. Keenan draws on the priests' own words not to excuse their horrific crimes, but to offer the first in-depth

account of a tragic, multi-faceted phenomenon. What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new, more critical theology. Only through radical institutional reform, Keenan argues, can a more representative and accountable Church emerge. *Child Sexual Abuse and the Catholic Church* is a unique reference for scholars of the Church and therapists who work with both victims and offenders, as well as a forward-thinking blueprint for reform.

Policing Sexual Assault -

Jeanne Gregory 1999

This study uses case studies and interviews to find out why, when the number of rape cases has almost trebled since 1985, the proportion of cases resulting in a conviction has fallen.

Sexual Violence and Abuse -

Judy L. Postmus 2013

Provides a comprehensive resource on sexual violence and abuse, arranged alphabetically with cross-

referenced entries.

Counselling a Survivor of Child Sexual Abuse - Richard Bryant-Jefferies 2017-11-22

This book provides a vivid insight into working with a client who is a survivor of child sexual abuse. Using fictitious dialogue it illustrates the person-centered approach and relates it to how memories can surface, and the impact that this can have on the client and counselor. It provides a deep insight into the counseling relationship and the counselor's use of supervision, highlighting discussion points throughout to aid training and reflection. It is essential reading for all counseling trainers and psychotherapists and all other health professionals dealing with people who have suffered sexual abuse in childhood.

Trauma-Informed Yoga for Survivors of Sexual Assault: Practices for Healing and Teaching with Compassion -

Zahabiyah Yamasaki

2022-01-11

Trauma-informed yoga guidance for survivors,

instructors, and mental health professionals. Trauma-Informed Yoga for Survivors of Sexual Assault provides a comprehensive overview of how to offer yoga to survivors of sexual assault in a safe, effective, evidence-based, and healing way. Transcending Sexual Trauma through Yoga founder Zahabiyah A. Yamasaki draws on the framework of trauma-informed care and trauma-informed yoga program development and curriculum, while also weaving in personal narrative and inspiring survivor stories. She explores practical considerations for survivors, as well as for yoga teachers, mental health professionals, educators, and other healing professionals who are interested in integrating trauma-informed yoga into the scope of their work and/or healing. This book expands the scope and framework for healing and fills a much-needed gap in service delivery for survivors. Yamasaki provides holistic, trauma-informed, body-based, compassionate, and culturally

affirming options for survivors as they navigate what is oftentimes a lifelong and nonlinear process of healing. A companion card deck of affirmations, Trauma-Informed Yoga for Survivors of Sexual Assault: Practices for Healing and Teaching with Compassion, is also available, both as a stand-alone item and in a discounted set with the book.

The Use of the Creative Therapies with Sexual Abuse Survivors - Stephanie L. Brooke 2007

This book is a useful reference for anyone seeking to provide therapy to survivors of sexual abuse. The approach represented here is a holistic one that utilizes various approaches to heal the various manifestations of sexual abuse trauma. Since the acts associated with such abuse are often so difficult to discuss, this book presents several methods of communicating these unspeakable horrors nonverbally, allowing the survivor to express their trauma with less difficulty. This approach seeks to use the

actions of the body to heal the mind. This text contains information relevant to treatment fo.

Survivors: Breaking the silence on child sexual abuse - Eirliani Abdul Rahman 2017-11-15

Things We Haven't Said - Erin Moulton 2018-03-13

Things We Haven't Said is a powerful collection of poems, essays, letters, vignettes and interviews written by a diverse group of impressive adults who survived sexual violence as children and adolescents. Structured to incorporate creative writing to engage the reader and informative interviews to dig for context, this anthology is a valuable resource of hope, grit and honest conversation that will help teens tackle the topic of sexual violence, upend stigma and maintain hope for a better future. "There are days when I am less stardust than sawdust, less survivor than victim, but that does not mean that the reclamation of my own body is any less eternal."-Jane Cochrane "How to describe the

feeling of not being believed? It is the feeling of disappearing."-Stephanie Oakes "I used to want to hurt you, to break you, to give you the sort of nightmares I still have so many years later."-Melissa Marr "It's so easy to say you'll fight when it's not happening to you. But then it was happening to me. And I locked up. My bones had all linked together and I was still."-Bryson McCron

The Sexual Abuse of Women by Members of the Clergy -

Kathryn A. Flynn 2010-07-27

The sexual abuse and exploitation of women by members of the clergy is not a new issue. What is new is the public's growing understanding of what is involved when members of the clergy ignore or repeatedly fall short of legal and ethical requirements to adhere to the expected standards of conduct. This work is based on the author's study of 25 women from 11 states who were sexually abused by members of the clergy. A primary goal of the study was to help the violated

women understand their experiences and make available to educators, practitioners and others concrete information about what it means to be sexually exploited by a trusted religious representative. The author also considers the viability of a trauma model to study the impact of such sexual abuse on women and on their relationships with others, and presents her findings that the participants did exhibit symptoms that strongly correspond with the classical and complex trauma criteria used.

There Is Happiness After Incest and Child Sexual Abuse - CeCe Norwood

2008-07-31

Living a happy life following incest and child sexual abuse is often elusive to many survivors and a daunting task for those who seek a happy and productive life. Some survivors seek counseling but stop because they don't believe they're improving. Counselors become frustrated because clients are not progressing.

Family and partners have no idea how to help. This book will assist survivors, partners, family members and professionals understand a new approach to obtaining happiness following incest and child sexual abuse. By utilizing "The Acceptances", The "Promises And Permissions", and invoking "Trigger Busters" survivors will journey to happiness with greater ease and understanding.

The Truth about Rape -

Robert N. Golden 2010

Due to the myths and stigma surrounding it, rape remains a difficult crime to discuss. The Truth About Rape, Second Edition looks beyond common myths to give a factual account essential to understanding, preventing, and coping with rape and sexual assault. This new resource offers expert advice, information, and accounts from real people. Features statistics, charts, and graphs with updated entries on rape kits and evidence collection

Sexual Assault - Kay Scott

1993-08-01

Will I Ever Feel Okay Again?" Kay Scott helps us to feel the pain, fear, shame, self-loathing and doubt, but also the courage, faith, friendship, support, and growth of her pathway through a personal hell. This is a helpful book for all parents, pastors, youth workers, and teachers to read.... All who are victimized by these violations of self bear scars that cannot be truly healed unless they gain insights contained in these pages.... "Jay Kesler, President, Taylor University" ...writes passionately of the aftermath of agony that haunts the victims of rape. Yet with equal passion she offers a message of hope and healing...an invaluable resource for those who have been victimized and the people who love them." Lynne Hybels, Willow Creek Community Church "Kay's confidence in the mysterious and wonderful work of God invites the reader to experience life-changing hope in the face of the darkest deed perpetrated against the soul...must reading for any who personally face the heartache

of rape or struggle to love one who has been violated...a must read for any who want to face the reality of living in a fallen world with piercing honesty and winsome hope." Dan Allender, Ph.D. Biblical Counseling Department Colorado Christian University "Compelling and invaluable...skillfully combines Kay's own intensely personal experience as a recovered rape victim with her years of advocacy for other survivors.

This book offers emotional
New Feminist Stories of Child Sexual Abuse - Paula Reavey 2003

The international feminist contributors to this book look through the lens of poststructuralism at how child sexual abuse is differently represented and understood in the populist, academic, clinical, media and legal contexts. Reworking earlier feminist analyses, they show how child sexual abuse is not just about gender and power but also about class, race and sexuality. The first, theoretical section of the book critiques normative

theories of the 'effects' of abuse, explores the impact and consequences of feminist interventions and critically examines the potential usefulness of a feminist post-structuralist approach. In the second part, these

understandings are applied to specific arenas of practice with the aim of providing a framework for critical intervention and alternative and better ways of working with child sexual abuse.
