Boy Mom - Monica Swanson 2019-08-06

This guidebook, packed with wisdom, practical advice, resources, and encouragement, explores how moms can equip their sons with what they most need to succeed in life. Monica Swanson knew she'd tapped a heartfelt concern when nearly two million readers shared her blog post "What a Teenage Boy Needs Most from His Mom." In this helpful book, she takes mothers deeper into the insights they need for the boy-raising journey, covering topics from dealing with the daily influences of friends and technology to helping a boy grow to be physically, spiritually, and emotionally healthy. She also addresses learning and finding passions, perspectives on relationships and dating, and work ethics and money management. Each chapter features relatable stories, handy checklists, and practical advice based on a combination of research, experience, and biblical truth to guide and equip a mom in helping her son achieve his God-given potential. Praise for Boy Mom "In Boy Mom Monica Swanson offers readers practical advice and resounding hope that parenting our sons well through all seasons is not only possible but also enjoyable. This book is like an essential trail guide that I'll refer to again and again in the beautiful and challenging adventure of motherhood."—Becky Keife, author of No Better Mom for the Job and mom of three spirited boys "Monica Swanson is the friend we all need in our lives: humble, straightforward, warm, full of wisdom, and short on nonsense—and she knows her stuff like no one else. In Boy Mom she holds the bar high yet is forthcoming about her own struggles and imperfections. Inside these pages you'll find deeply rooted biblical and practical advice along with calls to action when you don't know where to start. The Boy Mom Manifesto at the end will not only inspire you but also make your heart swell."—Kate Merrick, author of Here, Now: Unearthing Peace and Presence in an Overconnected World "Monica Swanson is the ultimate Boy Mom mentor. While her perspective on parenting is grounded in biblical wisdom, each chapter holds excellent practical tools for how to work out that wisdom on a daily basis in our homes. Of course, we know there aren't formulas that will ensure we get it all right, but we also know that gleaning wisdom from women who have gone before us (and are still in the trenches with us) is invaluable in the wonderful adventure of helping boys become all God created them to be."—Jeannie Cunnion, author of Mom Set Free *Are My Kids on Track?* - Sissy MEd Goff, LPC-MHSP 2017-02-14

Tools for Identifying and Developing Spiritual, Social, and Emotional Growth From birth to adulthood, our children's physical and intellectual development is carefully tracked and charted. But what about their hearts? After all, how our children develop emotionally, socially, and spiritually will determine who they become as husbands and wives, fathers and mothers, friends and co-workers. *Are My Kids on Track?* helps you identify and measure 12 key emotional, social, and spiritual milestones in your children's lives. Moreover, you will discover practical ways to guide your kids through any stumbling blocks they might encounter and help them reach the appropriate landmarks. Along the way the authors pinpoint the different ways boys and girls develop, so you can help your child flourish in his or her own way. Filled with decades of experience from three practicing counselors, speakers, and writers, this book provides you with valuable, current research and user-friendly, hands-on practices to make supporting your kids' soul development a

seamless part of family life. Don't just raise smart kids--raise courageous, compassionate, resilient, empathetic, and smart kids.

[Raising Girls](#) - Steve Biddulph 2014-03-04

A practical guidebook and passionate call-to-arms for parents of girls that empowers them to raise confident, well-rounded daughters in an exploitative world, from the author of the international bestseller *Raising Boys*. In today's world, it's especially critical for girls to grow up strong and capable. In this impassioned follow-up to his bestselling *Raising Boys*, author Steve Biddulph brings together the best thinking from around the world on how to raise daughters of sound character who know that they are loved, and can stand up for themselves and others. Biddulph teaches parents how to build their daughters' self-assuredness, encourage friendships, and equip them to learn and believe in themselves. This detailed guidebook teaches parents, grandparents, and caretakers exactly what matters for and to girls at which age, and how to build confidence and connectedness from infancy to young womanhood.

Raising Boys - Steve Biddulph 2013-01-16

A friendly and practical guide to the stages and issues in boys'—? development from birth to manhood. From award-winning psychologist Steve Biddulph comes an expanded and updated edition of *RAISING BOYS*, his international best seller published in 14 countries. His complete guide for parents, educators, and relatives includes chapters on testosterone, sports, and how boys' and girls' brains differ. Mothers and Sons - Jean Lush 1994-06

Foundational wisdom on how mothers can build emotional, spiritual, and sexual stability in their sons.

[Raising Boys by Design](#) - Dr. Gregory L. Jantz 2013-09-17

Help your son grow into the strong, loving man God created him to be with *Raising Boys by Design*. Packed with doable strategies and eye-opening examples of what's really going on inside a boy's brain, *Raising Boys by Design* offers a practical blueprint to help you build a HERO—one who values Honor, Enterprise, Responsibility, and Originality. Among other things, you'll learn how to help your son: • strengthen his character, resilience, and self-discipline • nurture genuine compassion and empathy • process words and emotions in ways that fit his brain chemistry • succeed in school and hone crucial life skills • develop a healthy perspective of sexuality • avoid the pitfalls of media and technology • embark on a lifelong adventure of faith This unique resource combines the latest research in brain science with timeless truths from the Bible to reveal the deepest needs shared by every boy of faith while also leading you to fresh insights for honoring the unique personality, talents, and God-given design of your son in particular. You can help your son thrive today as the hero he is meant to be when you learn the secrets of *Raising Boys by Design*.

[Raising Boys and Girls](#) - Sissy Goff 2011-10-03

Study looks at being a positive adult example for boys and girls.

Raising Boys With ADHD - James W. Forgan 2021-09-03

Written by two professionals who have "been there and done that" with their own sons with ADHD, *Raising Boys With ADHD* empowers parents to help their sons with ADHD find success in school and beyond. The book covers topics not often found in other parenting guides such as the preschool years and early diagnosis and strategies for teens transitioning to work and college. Filled with practical knowledge, resources, and tools needed to help parents address the many strengths and challenges of boys with ADHD, this book provides parents with encouragement and hope for the future.

Raising Boys to Be Good Men - Aaron Gouveia 2020-06-16

A parent's guide and an "unflinching" account of the author's "journey through the minefield of masculinity to become a better husband, dad, and human" (Michael Ian Black, comedian and New York Times-best-selling author of *A Better Man*). Toxic masculinity is on display daily from public figures—and we see anger, dysfunction, violence, and depression in young men suffocated by harmful social codes. Our sons are told to stop throwing like a girl. They're ordered to "man up" when they cry. They hear "boys will be boys" when they behave badly. These messages are damaging—as is the bullying that often follows attempts by boys to just relax and be themselves. But the power lies in the hands of parents to make things better. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help bring society back to a halfway healthy place. We can reframe manhood. From the father who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), this is an often-humorous personal account and a source of practical tips on: Teaching boys that "girl" is not an insult and retiring phrases like "boys will be boys" Showing boys that dealing with their emotions makes them stronger, not "weak" Letting boys pursue nontraditional interests and hobbies Talking to boys about consent and privilege Modeling healthy and respectful relationships for boys to emulate "If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical." —Peggy Orenstein, New York Times-best-selling author of *Boys & Sex* "He's an engaging guide . . . Gouveia approaches his subject with honesty and concern for the dad as much as the son." —The Washington Post

Raising Boys without Men - Dr. Peggy Drexler 2005-08-20

Nominated for a Books for a Better Life Award in Parenting Backed by peer-reviewed research, this hotly debated bestseller (San Francisco Chronicle) continues to open eyes with its finding that raising thriving, emotionally healthy sons does not require a man in the house. As the number of single-mom and two-mom households has grown, so have concerns about the possible damage caused by the lack of a stable male role model in the house. Determined to find the truth, research psychologist Peggy Drexler embarked on a long-term study comparing boys raised in nontraditional families with those whose fathers were present throughout their childhood. The results were startling. Female-headed households can provide even better parenting for boys than households with men. Sons from female-headed families can grow up emotionally stronger and more well-rounded than boys from "traditional" mother-father families—more in touch with their feelings yet masculine in all the ways defined by our culture.

Raising Boys - John S. Roberts 2019-06-13

Have you wondered if you're making the right decisions when it comes to raising your son? Over the last years, there has been a lot of confusion about the role of boys and men in our society. It's easy to see why parents are left with lots of unanswered questions when they're raising their sons. Raising boys the right way through positive parenting can help them become responsible and balanced teenagers and adults. Here's some of what you can expect to learn inside the pages of this book: Learn how to avoid common mistakes that parents make that can end up harming their sons long-term. How to teach proper conduct at home the right way, saving yourself of countless headaches. Discover how to teach important values such as empathy and gratefulness. Caring for your boy's emotional and mental state. The most common challenges when raising boys and how to easily overcome them. Would you like to enjoy going through every stage of your sons life without worrying if you're doing the right thing or not? The earlier you manage to give proper guidance, the easier it is for a child to grow into a healthier person. However, there is no such thing as being too late, and even the most damaging of behaviors and habits can be helped. Do not leave anything to chance. Start by guiding your son towards the best possible path towards a healthy and

responsible adulthood today!

The Courage to Raise Good Men - Olga Silverstein 1995-03-01

"Challenging and readable...will help mothers understand the implications of pushing boys out of the family before they're ready to go."—The Los Angeles Times Book Review.

Raising Girls in the 21st Century: Helping Our Girls to Grow Up Wise, Strong and Free - Steve Biddulph 2013-01-17

Steve Biddulph's *Raising Boys* was a global phenomenon. The first book in a generation to look at boys' specific needs, parents loved its clarity and warm insights into their sons' inner world. But today, things have changed. It's girls that are in trouble.

Raising Boys - Steve Biddulph 2008

"A guide to the stages and issues in boys' development from birth to manhood"--Provided by publisher.

Decoding Boys - Cara Natterson 2021-02-09

"If you're raising a boy, you need this brilliant book. It is clear, wise, and eye-opening." —Lisa Damour, Ph.D., author of *Untangled* When boys enter puberty, they tend to get quiet—or at least quieter than before—and parents often misread their signals. Here's how to navigate their retreat and steer them through this confusing passage, by the bestselling author of *The Care and Keeping of You* series and *Guy Stuff: The Body Book for Boys*. What is my son doing behind his constantly closed door? What's with his curt responses, impulsiveness, newfound obsession with gaming, and . . . that funky smell? As pediatrician and mother of two teenagers Cara Natterson explains, puberty starts in boys long before any visible signs appear, and that causes confusion about their changing temperaments for boys and parents alike. Often, they also grow quieter as they grow taller, which leads to less parent-child communication. But, as Natterson warns in *Decoding Boys*, we respect their increasing "need" for privacy, monosyllabic conversations, and alone time at their peril. Explaining how modern culture mixes badly with male adolescent biology, Natterson offers science, strategies, scripts, and tips for getting it right: • recognizing the first signs of puberty and talking to our sons about the wide range of "normal" through the whole developmental process • why teenagers make irrational decisions even though they look mature—and how to steer them toward better choices • managing video game and screen time, including discussing the unrealistic and dangerous nature of pornography • why boys need emotional and physical contact with parents—and how to give it in ways they'll accept • how to prepare boys to resist both old and new social pressures—drugs, alcohol, vaping, and sexting • teaching consent and sensitivity in the #MeToo culture *Decoding Boys* is a powerful and validating lifeline, a book that will help today's parents keep their sons safe, healthy, and resilient, as well as ensure they will become emotionally secure young men. Praise for *Decoding Boys* "Comforting . . . a common-sensical and gently humorous exploration of male puberty's many trials."—Kirkus Reviews

The Gender Trap - Emily W. Kane 2012-08-27

"Emily Kane shows clearly that most parents understand children's personality to be some combination of nature and nurture, and many wish they could help nurture their children to escape gender traps. Yet these parents are themselves trapped by the gender structure itself, especially the accountability they feel to other people's expectations, and the fear that if their boys are free to explore activities usually associated with girls they will be punished by the world around them. The author shows clearly that to help parents navigate childrearing, we have to change the world around them. A good read, perfect for the undergraduate classroom, and clear enough even to give to those new parents in your family or the neighborhood."--Cover.

Wild Things - Stephen James 2011-07-14

Playing off the themes in the Caldecott Medal-winning children's book *Where the Wild Things Are*, this informative, practical, and encouraging guide will help parents guide boys down the path to healthy and authentic manhood. *Wild Things* addresses the physical, emotional, and spiritual parts of a boy, written by two therapists who are currently engaged in clinical work with boys and their parents and who are also fathers raising five sons. Contains chapters such as "Sit Still! Pay Attention!" "Deficits and Disappointments," and "Rituals, Ceremonies, and Rites of Passage."

Raising Men, Not Boys - Mike Fabarez 2017-09-05

How to raise a godly man in a godless world Perhaps there has never been a more challenging time to raise children than in today's culture. Parents are having to address challenges that their parents never had to with them. And while the core elements to raising children are the same, parents need wisdom for applying them to this day and age. That's what this book is about: navigating the times and raising a generation of men on godly principles—sons who are ready, able, and motivated to represent God during their days of sojourning on this earth. Pastor and author Mike Fabarez will help parents pass the faith on to their sons, in prayer that the promises of God extend to the third and fourth generations... and beyond. Parents will be equipped to: Envision their son's future every day Set his spiritual trajectory Build a home that grows godly men Address the rebellion in their son's heart Prepare him to face the world and contribute to it Help their son toward a right view of play and leisure Navigate the teenage years There is an epidemic of grown men with the maturity of young boys. Be a parent who saves your child from prolonged adolescence. Scripture says, "The father of the righteous will greatly rejoice; he who fathers a wise son will be glad in him" (Prov. 23:24). Children are a gift from the Lord. Read *Raising Men, Not Boys* to steward the gift of parenting and shepherd your sons to be men of God.

Man Raises Boy - Rob Sturrock 2020-03-03

A book from the front lines of modern fatherhood. Welcome to Rob Sturrock's journey into parenting. Since the birth of his daughter, Rob has been passionate about being an active and present father, but this hasn't always been straightforward. Struggling with stereotypes, judgement, identity and isolation while on parental leave, Rob has tried to balance supporting his wife and young children with the societal expectation of being a breadwinner for his family. With the arrival of his son, a new set of anxieties was born. In today's climate, how do you raise a boy? The roar of the #MeToo movement has meant that men have had to learn to listen, and to confront their masculinity and what it means to be a man. Through extensive research and interviews with dads doing it differently - including Tony Sheldon, Adam Liaw and Bernie Shakeshaft - Rob Sturrock explores a new era of fathering that balances strength and vulnerability, allowing men to voice their insecurities and uncertainties, and encouraging them to truly cherish their families. *Man Raises Boy* is at once an insightful and necessary call to arms for all new fathers, a guiding hand in the maze of love, guilt, anxiety and joy in fatherhood - and an ordinary dad's beautifully moving love letter to his son. 'Raw, inspiring and brutally honest. If you have a son, read this book.' Madonna King, bestselling author of *Fathers and Daughters*

The First-Time Mom's Guide to Raising Boys - Jennifer L. W. Fink 2021-07-06

Raise a kind and confident son with this advice for parenting boys ages 8 to 12 Parenting a young boy can feel like total chaos, especially if he's your first. His mind and body are changing, and so is his relationship with you. How do you handle puberty? His schoolwork? Health and hygiene? Don't worry, *The First-Time Mom's Guide to Raising Boys* will walk you through all of it with clear and proven advice from a mom of four (yes, four!) boys. Learn how to be a supportive resource and a role model for your son, and how to talk to him about the challenges he'll face. Find strategies for everything from teaching social responsibility to helping him build self-esteem and integrity. This is your complete resource for raising boys: Tackling the tough stuff--Address important issues like puberty, sex, consent, and mental health, with advice for initiating crucial conversations. For modern families--Explore advice that works for families of all types, plus tips for raising boys in the ever-expanding digital worlds of YouTube, Twitch, and more. Moments of reflection--Each chapter ends with thought-provoking questions that encourage you to think about your hopes and fears as a parent, and identify your values and priorities. Connect with your son and set him up for a happier adulthood with this ultimate guide to raising boys.

Raising Boys in a New Kind of World - Michael Reist 2011-12-24

More than ever before boys need guidance, and this book will guide parents on all subjects, such as bullying, discipline, and homework. From video games to the Internet, technology and popular culture are having a profound effect on today's boys. Boys need guidance more than ever. But how can we help them do better in school? How can we keep the lines of communication open? *Raising Boys in a New Kind of World* is a passionate call for greater empathy. The more we know about boys, the more realistic our expectations of them will be. We need to stop seeing normal boy behaviour as a problem and learn to understand a boy's need for movement, his unique learning styles, and his personal methods of

communicating. Michael Reist writes from the front lines. As a classroom teacher for more than 30 years and the father of three boys, he has seen first-hand the effects that changes in modern culture are having on boys. *Raising Boys in a New Kind of World* is an inspiring and entertaining collection of positive, practical advice on many topics, including discipline, homework, video games, and bullying, and provides numerous tips on how to communicate with boys.

Raising Boys Who Respect Girls - Dave Willis 2019-11-12

Dave Willis, author, speaker, and father of four boys, talks biblically and practically about how to raise a generation of boys who are champions, encouragers, and respecters of women. In the #metoo and #churchtoo era, with so many men and boys continuing to make the same mistakes, we have to ask: Where are we going wrong? And perhaps more importantly, how do we raise up men who will break this cycle? As the father of four boys, relationship coach and author Dave Willis has studied this issue deeply, concluding that if we are to raise boys to respect girls--and not end up with men who say they respect women but whose actions reveal otherwise--we must go back to the heart of things. Or, more specifically, we must go back to our own hearts. In *Raising Boys Who Respect Girls*, Willis helps readers inventory the blind spots that lead to accidental forms of disrespect, showing how to root out issues in our own hearts before we inadvertently pass along these same issues to our boys. He also teaches readers how to cultivate a healthy respect for God and for themselves as created in his image, as well as a similar respect for others. Full of scripture, research, age-specific tools, and conversation models, this book offers a practical strategy for mindful parents to first embody the right principles themselves and then teach them to their sons.

Speaking of Boys - Michael Thompson, PhD 2009-04-23

My eight-year-old son is the only boy in his class who doesn't have a Gameboy. I don't want him to be ostracized for not having one, but I worry that it's addictive. What do you think? Our two sons are eleven and fourteen, and they are fiercely competitive. The tension around our house is awful. How can we help them get along better? We've worked very hard to keep our ten-year-old son in touch with his feelings. Sometimes it seems as if we've put him at a disadvantage, surrounded by tougher boys who can be pretty cruel with teasing. How can we help him protect himself when other boys start to tease? With his bestselling book *Raising Cain*, Michael Thompson, Ph.D., at last broke the silence surrounding the emotional life of boys and spearheaded an important national debate. His warmth and humor quickly made him a popular and respected international speaker and consultant. Now he directs his authority, insight, and eloquence to answering your questions about raising a son. With candid questions and thoughtful, detailed responses, *Speaking of Boys* covers hot-button topics such as peer pressure, ADHD/ADD, and body image as well as traditional issues such as friendship, divorce, and college and career development. This perceptive, informative, and passionate book will leave you not only with useful, practical advice but also with the comforting knowledge that other parents share the same concerns you do when it comes to raising our boys into well-adjusted, responsible men.

And Then They Stopped Talking to Me - Judith Warner 2020

"The French have a name for the uniquely hellish years between elementary school and high school: "l'âge ingrat" or "The Ugly Age." Characterized by a perfect storm of developmental changes-physical, psychological, and social-the middle-school years are a time of great distress for parents and children alike, marked by hurt, isolation, exclusion, competition, anxiety, and often outright cruelty. Some of this is inevitable; there are intrinsic challenges to early adolescence. But these years are harder than they need to be, and Judith Warner believes that adults are complicit. With piercing insight, compassion, and humor, Warner walks us through a new understanding of the role that middle school plays in all our lives. Part intellectual investigation and part call to action, this timely book unpacks one of life's most formative periods and shows how we can help our children not only survive it, but thrive"--

Raising a Son - Don Elium 2012-01-04

Boys pose special challenges for today's stressed parents. In *Raising A Son*, the Eliums embrace the challenges--and the joys--of raising boys with compassion, commitment, experience, patience, and humor. This fully updated and expanded edition follows the psychological development of boys from infancy to young adulthood. Look for new sections on: • media and violence • the "boy code" • age-appropriate morality • the out-of-control son • triggers for aggression • when and how to get help • coping with guilt •

the highly sensitive son • triggers for withdrawal • why he gets overwhelmed • hypersensitivity and ADD • the right role models

It's a Boy - Andrea J. Buchanan 2005-11-11

Follows the author's exploration of cultural beliefs about parenting sons, sharing essays by such contributors as Caroline Leavitt, Jacquelyn Mitchard, and Jodi Picoult that consider such issues as boyhood aggression, raising a son after wishing for a daughter, and adopting a male child. Original.

The Everything Parent's Guide to Raising Boys - Cheryl L. Erwin 2010-12-18

Presents tips and advice for raising boys from infancy to their teenage years, and provides information on such issues as self-image, behavior training, friendships and sexuality, and academic success.

Raising Boys - Steve Biddulph 2008

"A guide to the stages and issues in boys' development from birth to manhood"--Provided by publisher.

The Joys of Raising Boys - Diane Auten 2018-07

Have you ever laughed, slapped your forehead and thought, "What the heck is wrong with these boys?" If this is you, you're not alone. Whether they are whacking themselves in the head, asking inappropriate questions, or playing with their body parts, boys often can be flabbergasting. Author and communication studies professor Diane Auten understands. As a mother of two crazy boys, she understands firsthand how parents, teachers, or caregivers to boys are often confused about how to relate to them; but it doesn't have to be this way. We can have more fun and connective relationships with our boys, if we learn how to start early. Using hilarious situations from her own sons' lives, Diane gives you a glimpse into the world of raising boys and how to improve your relationships with them. Readers of *The Joys of Raising Boys* will laugh while discovering how boys: - learn, explore, and talk about body parts - make sense of relationships and love - view life circumstances - use their untamable imagination This is a Mom-oir that looks at what happens when the filters are turned off. From boys wondering when they're going to get "hairballs on their tenders" to running up and down the crowded department store aisles celebrating a particularly good poop, *The Joys of Raising Boys: The Good, the Bad, and the Hilarious* takes a look at the gritty (and frequently jaw dropping) business of raising boys.

Raising Boys With ADHD - Mary Anne Richey 2021-09-09

The second edition of the best-selling *Raising Boys With ADHD* features the latest information on research and treatment for boys with ADHD. This book: Empowers parents to help their sons with ADHD find success in school and beyond. Covers topics not often found in other parenting guides. Provides a strength-based approach to helping boys discover their strengths and abilities. Helps boys become motivated, successful, and independent adults. Discusses the preschool years, early diagnosis, and strategies for teens transitioning to work and college. Filled with practical knowledge, a dynamic action planning guide, resources, and tools needed to help parents address the many strengths and challenges of boys with ADHD, this book provides parents with encouragement and hope for the future.

Raising Boys - Steve Biddulph 2013

Revised and updated fourth edition of RAISING BOYS to coincide with the release of author's new parenting book, STEVE BIDDULPH'S RAISING GIRLS Few books have stayed in the news as much as Steve Biddulph's million-copy seller RAISING BOYS. It has changed how we parent sons. thousands of parents keep their boy at home a year longer before starting school and tens of thousands have taught their sons to

cook (sparking a worldwide pasta shortage!). And an incredible result - this generation of dads is spending three times as much time with their children. Steve has updated RAISING BOYS dramatically throughout its life, and this new edition is no exception. this book features helpful messages about the three stages of boyhood which help parents plan their lives to keep boys safe and loving life. Steve tackles how to find the very best school (it's often NOT an expensive private school) and how to safeguard against internet pornography harming a boy's spirit or his ability to relate to girls as people. Steve includes stories of mothers who learned to love boyishness - with all its energy and intense emotions. these encourage mums and dads who find boys a bit overwhelming. the message is don't panic - boys are honest and simple. they just need you to have a sense of fun but also to be strong and clear. Learn to laugh - boys' testosterone makes them worry when you are tense. Set clear rules and they will be calmer too. Everyone wants to raise their sons to be caring, warm and strong. Steve Biddulph really has led this worldwide change, and this new edition continues to do so.

Raising Boys, Third Edition - Steve Biddulph 2014-03-04

A revised edition of the bestselling and practical guide to the issues parents face in raising sons--including sex, violence, homework, sports, the Internet, and more--and how to best aid boys' development from birth to manhood. Raising a happy, loving, responsible boy in today's world can be challenging. In this third edition of his international best seller, Steve Biddulph looks at the most important issues in a boy's development from birth to manhood. With gentle humor and proven wisdom backed by decades as a family psychologist and father, he shows parents how to provide the firm, loving guidance that boys need. Updates include information on mitigating the dangerous effects of online pornography, male specific hearing problems, and teen driving on boys. Biddulph also discusses: • The three stages of boyhood, and how to help them go smoothly. • Testosterone! How it changes behavior and what to do about it. • How boys' brain development differs from girls'. • How to help boys cultivate a caring attitude toward sex. • The impact of competitive sports on boys, and how to ensure it stays positive. • Questions to assist in finding boy-friendly schools.

How To Raise A Boy - Michael C. Reichert 2020-07-21

At a time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men Over the past two decades there has been an explosion of new studies that have expanded our knowledge of how boys think and feel. In *How to Raise a Boy*, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys become men. Reichert explains how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by: Listening and observing, without judgment, so that boys know they're being heard. Helping them develop strong connections with teachers, coaches, and other role models Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain. Featuring the latest insights from psychology and neuroscience, *How to Raise a Boy* will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

Boys Should Be Boys - Meg Meeker 2008-04-29

A guide to raising boys discusses encouragement, spending time together, the role of outdoor activities, rules, virtue, and addressing important issues.

Mothering Our Boys (US Edition) - Maggie Dent 2018-11-01

"Maggie is earthy and real, full of love and knowledge, especially on raising sons." - Steve Biddulph

"Maggie's perspective on raising boys is spot on. She writes with humor and depth, providing insight and strategies for many of the most important issues facing moms. There is a lovely ease to her writing and a powerful honesty. I hope every mother of a son (and everyone else!) will read this book. The future of the world, to a great extent, depends on how we raise our boys." - Michael Gurian, New York Times Bestselling Author of *The Wonder of Boys* and *Saving Our Sons* If we can see the world through boys' eyes a little better, we will make different choices in the way we mother them... and we will find them less confusing,

and love them more deeply. Mothers of sons are worried about raising their boys in a world where negative images of masculinity are front and centre of our media, almost every day. Not only that, but statistically our boys are still struggling in many ways. Even though we live in a time where we recognise that nothing in gender is fixed, it remains a fact that the influence of a mother on her son is massive. A mother of four sons herself, Maggie Dent draws on her personal experience - and over four decades work as a teacher, counsellor and now author and speaker - to help build understanding, empathy and compassion for our boys. Maggie shares her five key secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy's relationship with his mother and other mother figures. Maggie is one of Australia's most popular parenting authors and educators, and her seminars about boys have sold out all across Australia and in the UK. She is finally sharing her insights, her reflections, and (as always) her humour around mothering boys to help you be the mum your son needs you to be.

Bringing Up Boys - James C. Dobson 2014-08-22

Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

Raising Boys by Design - Dr. Gregory L. Jantz 2013-09-17

Help your son grow into the strong, loving man God created him to be with *Raising Boys by Design*. Packed with doable strategies and eye-opening examples of what's really going on inside a boy's brain, *Raising Boys by Design* offers a practical blueprint to help you build a HERO—one who values Honor, Enterprise, Responsibility, and Originality. Among other things, you'll learn how to help your son:

- strengthen his character, resilience, and self-discipline
- nurture genuine compassion and empathy
- process words and emotions in ways that fit his brain chemistry
- succeed in school and hone crucial life skills
- develop a healthy perspective of sexuality
- avoid the pitfalls of media and technology
- embark on a lifelong

adventure of faith This unique resource combines the latest research in brain science with timeless truths from the Bible to reveal the deepest needs shared by every boy of faith while also leading you to fresh insights for honoring the unique personality, talents, and God-given design of your son in particular. You can help your son thrive today as the hero he is meant to be when you learn the secrets of *Raising Boys by Design*.

Future Men - Douglas Wilson 2001

How do we build our sons to be tough but not arrogant? mannered but not soft? imaginative but not lazy? bold but not hollow? *Future Men* is a Christian guide to raising strong, virtuous sons, contrary to the effeminacy and sentimentalism of contemporary culture. When Theodore Roosevelt taught Sunday school for a time, a boy showed up one Sunday with a black eye. He admitted he had been fighting and on a Sunday too. He told the future president that a bigger boy had been pinching his sister, and so he fought him. TR told him that he had done perfectly right and gave him a dollar. The stodgy vestrymen thought this was a bit much, and so they let their exuberant Sunday school teacher go. What a loss. Unbelief cannot look past surfaces. Unbelief squashes; faith teaches. Faith takes a boy aside and tells him that this part of what he did was good, while the other part of what he did got in the way. "And this is how to do it better next time." As we look to Scripture for patterns of masculinity for our sons, we find them manifested perfectly in the life of the Lord Jesus Christ. He is the one who set the ultimate pattern for friendship, for courage, for faithfulness, and integrity.

Raising Girls - Melissa Trevathan 2009-05-26

"My six-year-old fusses with her hair for hours. Is this normal?" "Yesterday my seventh grader was all sunshine. Today she's wearing black and won't leave her room." "I'm worried my teenager may have an eating disorder." In today's complex world, parenting a girl is harder than ever. It takes more than love. It takes insight into the things that make your daughter tick as she grows from childhood to young adulthood. Drawing on the authors' fifty-plus years of combined counseling experience, *Raising Girls* takes you inside the mind and soul of your girl. You'll obtain seasoned, expert insights on Your daughter's different stages of development from ages zero to nineteen How you can effectively relate to her at each stage What is normal behavior, what isn't, and when and how to intervene How to deal with self-destructive behavior such as eating disorders, cutting, or experimentation with alcohol . . . and much more Spiced with stories, humor, and much reassurance, *Raising Girls* will help you encourage your daughter, challenge her, love her, and help her discover who God is creating her to be.
