[Color by Number for Kids. Wild Animals Activity Book for Older Kids with Land and Sea Creatures to Identify. Challenging Mental Boosters for Better Focus at School](#) - Speedy Kids 2017-03-15

This activity book is a perfect knowledge booster that focuses on colors, numbers, and animals, too. The goal is to help your child become focused on completing a task. You will notice that a child who is targeted fares better than those who don't. Focus is not only relevant to academics, but it's also used in life skills too. When completing the Color by Number for Kids Wild Animals Activity Book for Older Kids with Land and Sea Creatures to Identify Challenging Mental Boosters for Better Focus at School, your child will become adept at the following key areas: Colors Even older kids need some breather from heavy textbook learning. Choosing and applying colors is one way to relax while keeping the brain sharp. Numbers When your child gets into higher math, numbers can quickly become "enemies." Show some love by reminding him/her how numbers can be fun too! Numbers are codes, and each code has a meaning that helps construct an entire image. Animals Every exercise has mysterious images hidden behind the colors and numbers. The challenge here is to identify what wild animals they are. That's already a clue - they are wild animals! Pages of 8.5 x 11 inches of color by numbers will work well with older kids, but they can also be used by younger ones who are genuinely interested in more challenging mental boosters.
