The Cambridge Companion to
Reformation Theology - David
Bagchi 2004-11-18

The European Reformation of the sixteenth century was one of the most formative periods in the history of Christian thought and remains one of the most fascinating events in Western history. The Cambridge Companion to Reformation Theology provides a comprehensive guide to the theology and theologians of the Reformation period. Each of the eighteen chapters is written by a leading authority in the field and provides an up-to-date account and analysis of the thought associated with a particular figure or movement. There are chapters focusing on lesser reformers such as Martin Bucer, and on the Catholic and Radical Reformations, as well as the major Protestant reformers. A detailed bibliography and comprehensive index allows comparison of the treatment of specific themes by different

figures. This authoritative and accessible guide will appeal to students of history and literature as well as specialist theologians.

Evolving Vegan - Mena
Massoud 2020-09-15

From actor and avid traveler Mena Massoud comes a collection of diverse, delicious, and accessible vegan recipes inspired from dishes all over

the world, perfect for the aspiring vegan! It's safe to say that veganism is no longer just a trend. Lifelong vegans, part-time vegans, and the vegan curious are a diverse and eclectic group of people from all walks of life and backgrounds, and yet, there's very little out there in mainstream media that reflects this new reality. The Evolving Vegan cookbook celebrates both flavors and stories from a wide array of plant-based eateries all across North America, proving that a plant-friendly diet is truly accessible to all! Some of the recipes you will learn to make include: - Sausage Shakshuka in a Skillet from the restaurant Chickpea in Vancouver -Young Coconut Ceviche from the restaurant Rosalinda in Toronto -BBQ Pulled "Pork" Jackfruit Sandwiches from the Butcher's Son in Oakland, CA -Indian Tofu Curry from The Sudra in Portland, OR -Boston Cream Pie-Cake from Veggie Galaxy in Cambridge, MA -Plus authentic Egyptian dishes from Mena's mother, and many from Mena's

own SoCal home kitchen Come travel with Mena to meet Cyrus Ichiza from Ichiza Kitchen in Portland, whose Taiwanese mother inspired him to share his Southeast Asian roots through authentically flavorful vegan dishes. Get a behind-the-scenes peek at the secrets of San Francisco's Peña Pachamama, a Bolivian plant-based restaurant that serves national dishes like pique macho and aji de fideo. Containing recipes from many different countries and cultures, and including helpful tips for lifelong vegans or flexitarians looking to expand their repertoire of vegan dishes, Evolving Vegan takes you on a food-based road trip to explore the vibrancy of veganism across North America.

Two Questers in the Twentieth-century North Africa - Imen Ayari Cozzo
2016-09-23

This book offers a unique exploration of the work of Paul Bowles and Ibrahim Alkoni, and reveals timely insights into the relationship between the

West and the Orient, showing that they both challenge and extend existing scholarship on this subject. It builds on a sound theoretical platform which serves as a solid foundation for the analysis of the overarching theme. Theories of place, representation, Orientalism and post-colonialism are discussed in depth and are linked to the deconstruction and analysis of the selected literary texts, helping the reader understand the various quests and motivations of the protagonists of the works of Bowles and Alkoni. The first part of the book looks into the work of Bowles, and is based on the fact that many of the author's texts revolve around the theme of encounters between Western and Eastern cultures. It adopts a specific focus on the North African space, which is depicted from a number of different points of view, including native, French, English and American perspectives. The second section discusses the work of the Libyan author Ibrahim

Alkoni as a quester for a Mythical Identity. It introduces the reader to the significance of the desert in both classical and modern Arabic literature and its place in the Arabic cultural imaginary. This work is highly original both in its approach and subject matter, and, as such, it constitutes a valuable contribution to the study of comparative literature, Arabic literature, and postcolonial magical realist literature. It offers many original insights into this little studied field, demonstrating a successful venture into less-trodden terrain.

The Compu-mark Directory of U.S. Trademarks - 1990

Fruit and Vegetable Gardening - DK 2012-01-30
Now in PDF! The unstoppable trend for productive gardening continues-and, to catch the wave, this comprehensive and practical guide to growing your own fruit, vegetables, and herbs will be indispensable for any gardener. Fruit and Vegetable Gardening will quickly become a trusted

reference for gardeners at all levels of expertise. It offers all the basics of kitchen gardening-planning, soil preparation, organic manures- and authoritative advice on every aspect of productive growing. A total of 150 individual crops are covered in detail with recommendations for the best cultivars. There is also information on how much your crops will yield; sowing and harvesting times; and which pests and diseases are the biggest threats to your crops and advice on how to deal with them. Whether you have a kitchen garden, a spot in a community garden, a small vegetable patch, or just a collection of pots and window boxes, this is an essential handbook for growing your own.

Narrative of Travels in Europe, Asia, and Africa in the Seventeenth Century -

Evliya Çelebi 2012-01-26

This two-volume English translation of part of a longer narrative by the Ottoman Evliya Çelebi (1611-c.1680) was published in 1834. It offers a fascinating assemblage of topics varying from the fountains of Istanbul to a

journey to Georgia. Volume 2 includes Çelebi's description of the 1645 siege of Canea.

The Collected Works of

Owen Wister - Owen Wister
2022-11-13

Owen Wister (1860-1938) was an American writer and "father" of western fiction. When he started writing, he naturally inclined towards fiction set on the western frontier. Wister's most famous work remains the novel *The Virginian*, set in the Wild West. It describes the life of a cowboy who is a natural aristocrat, set against a highly mythologized version of the Johnson County War and taking the side of the large land owners. *The Virginian* paved the way for many more westerns by such authors as Zane Grey, Louis L'Amour, and several others. It is also widely regarded as being the first cowboy novel. Table of Contents: *The Dragon of Wantley* Lin McLean *The Virginian: A Horseman of the Plains* Philosophy 4: *A Story of Harvard University* Lady Baltimore Padre Ignacio: or, *the Song of Temptation* Red

History and Ethnography of Africa South of the Zambesi, from the Settlement of the Portuguese at Sofala in September 1505 to the Conquest of the Cape Colony by the British in September 1795 - George McCall Theal 2010-12-02

A detailed history of South Africa as a Portuguese and Dutch colony, from 1505-1795, first published in 1907.

From Béarn to Southern Africa or The Amazing Destiny of Eugène Casalis -

Marie-Claude Mosimann-
Barbier 2014-06-02

The end of the 20th century was a time of post-colonial repentance in the Western world. On 23rd February 2005, a law was passed in France, stressing “the positive role of the French presence overseas”, triggering considerable controversy. However, the fascinating history of the French missionary Eugène Casalis illustrates that there are some cases where “the French presence overseas” is still perceived positively, as shown by the commemorative stamps issued by the Kingdom of Lesotho in 1983, celebrating the 150th anniversary of the arrival of the first French missionaries in the country. Of course, the context was unique since France had no economic or political stakes in that part of the world, and therefore the French missionary presence was totally apostolic and disinterested. Eugène Casalis was born in Béarn at the foot of the Pyrénées in 1812, and remained deeply attached to his native land throughout his

life. In 1832, he was sent to Southern Africa by the Paris Evangelical Missionary Society. Unexpected circumstances led him to Basutoland, present-day Lesotho, where he struck up an unflinching friendship, based on mutual trust and esteem, with the Sotho King Moshoeshoe. In addition to his missionary task, Casalis transcribed the language and contributed largely to the economic development of the country, while concurrently supporting the King in his efforts to convince the British to help him fight Boer expansionism. He gave invaluable diplomatic aid and advice to the King during the 23 years he spent in the country. Back in France in 1855, he became the director of the House of Missions where he trained a number of young men to become missionaries. His eldest son became a missionary to Lesotho and his eldest daughter married a missionary with whom she returned to Lesotho where she brought up a large family. All this has contributed to making the name of Casalis well-known

in the Kingdom to this day. To a certain extent, Lesotho's accession to independence in 1966 can be perceived as a distant result of Casalis's work. The present King, Letsie 111, is a direct descendant of King Moshoeshoe.

Little Black Book of Stories -

A. S. Byatt 2007-12-18

Like Hans Christian Andersen and the Brothers Grimm, Isak Dinesen and Angela Carter, A. S. Byatt knows that fairy tales are for grownups. And in this ravishing collection she breathes new life into the form. Little Black Book of Stories offers shivers along with magical thrills. Leaves rustle underfoot in a dark wood: two middle-aged women, childhood friends reunited by chance, venture into a dark forest where once, many years before, they saw—or thought they saw—something unspeakable. Another woman, recently bereaved, finds herself slowly but surely turning into stone. A coolly rational ob-gyn has his world pushed off-axis by a waiflike art student with her own ideas about the uses of

the body. Spellbinding, witty, lovely, terrifying, the Little Black Book of Stories is Byatt at the height of her craft.

Make the Most of Your Time on Earth with The Rough Guide to Great Britain.

Syd Barrett & Pink Floyd -

Julian Palacios 2015-06-29

Syd Barrett was an English composer and purveyor of some of the most intriguing music ever written. Famous before his twentieth birthday, Barrett led the charge of psychedelia onstage at London's famed UFO club. With a Fender Telecaster and a primitive Binson echo unit,

Barrett liberated the guitar from being, in critic Simon Reynolds' words, 'a riff machine, and turned it into a texture and timbre generator.' His inspired celestial flights of improvisation, and his more structured and whimsical short songs indicated a mind of unusual inventiveness. Chief in Barrett's mind was a Zen-like insistence on spontaneity; each performance had to be unique, and Barrett strived to push his music farther and farther out into the zone of complete abstraction. This in-depth analysis of Pink Floyd founding member Syd Barrett's life and work is the product of years of extensive research. Lost in the Woods traces Syd's swift evolution from precocious young art student to acid-fuelled psychedelic rock star, and examines the myriad musical and literary influences that he utilised in composing his hypnotic, groundbreaking songs. A never-forgotten casualty of the excesses, innovations, and idealism of the 1960s, Syd Barrett is one of the most heavily mythologized men

in rock, and *Lost in the Woods* offers a rare portrayal of a unique spirit in freefall.

A Treacherous Tale - Elizabeth Penney 2022-08-23

A Treacherous Tale is the second in a charming new cozy series from Elizabeth Penney, set in an English bookshop and following Molly Kimball, who has a habit of bookmarking trouble... "A cozy mystery that will delight your booklover's heart and satisfy your hunger for intrigue—and crumpets!" —Paige Shelton, New York Times bestselling author of the *Scottish Bookshop* series on *Chapter and Curse* Lately, Molly has been feeling that she might have fallen into a fairy tale: she's reinvigorated the family bookshop *Thomas Marlowe—Manuscripts and Folios*, made friends in her new home of Cambridge, England, and is even developing a bit of a romance with the handsome Kieran—a bike shop owner with a somewhat intimidating family pedigree. Having recently discovered *The Strawberry Girls*, a classic children's tale, Molly is thrilled

to learn the author, Iona York, lives nearby. But while visiting the famous author at her lovely cottage in nearby Hazelhurst, an old acquaintance of Iona's tumbles off her roof to his death. Then, when one of Iona's daughters—an inspiration for the original *Strawberry Girls*—goes missing, Molly begins to worry this story might be more *Brothers Grimm* than happily-ever-after. Especially after Molly learns about the mysterious long-ago death of Iona's husband and co-author of *The Strawberry Girls*...could past and present crimes be linked? Molly must put the clues together before someone turns this sweet tale sour.

The Witches of Cambridge - Menna van Praag 2016-02-09

For fans of Alice Hoffman, Sarah Addison Allen, and Adriana Trigiani, *The Witches of Cambridge* reveals an astonishing world where the heart's deepest secrets give way to the magic of life-changing love. Be careful what you wish for. If you're a witch, you might just get it. Amandine

Bisset has always had the power to feel the emotions of those around her. It's a secret she can share only with her friends—all professors, all witches—when they gather for the Cambridge University Society of Literature and Witchcraft. Amandine treasures these meetings but lately senses the ties among her colleagues beginning to unravel. If only she had her student Noa's power to hear the innermost thoughts of others, she might know how to patch things up. Unfortunately, Noa regards her gift as a curse. So when a seductive artist claims he can cure her, Noa jumps at the chance, no matter the cost. Noa's not the only witch who's in over her head. Mathematics professor Kat has a serious case of unrequited love but refuses to cast spells to win anyone's heart. Kat's sister, Cosima, is not above using magic to get what she wants, sprinkling pastries in her bakery with equal parts sugar and enchantment. But when Cosima sets her sights on Kat's crush, she conjures up a

dangerous love triangle. As romance and longing swirl through every picturesque side street, the witches of Cambridge find their lives unexpectedly upended and changed in ways sometimes extraordinary, sometimes heartbreaking, but always enchanting. Praise for *The Witches of Cambridge* "Intriguing and original . . . The magic that works wonders for modern-day English witches also charms readers in this delightful and quirky romantic tale."—Publishers Weekly "A lively and whimsical tale of romance, family, and friendship sure to delight her fans and newcomers alike."—Booklist "Fans of Alice Hoffman's *Practical Magic* are sure to enjoy *The Witches of Cambridge*. . . . [Menna] van Praag's writing is lyrical and the story sweetly affirming."—BookPage Find your next book club pick, read special features, and more. Join the Random House Reader's Circle.
