Bedtime Bonnet - Nancy Redd 2022-01-18

This joyous and loving celebration of family is the first-ever picture book to highlight Black nighttime hair traditions--and is perfect for every little girl who knows what it's like to lose her bonnet just before bedtime. In my family, when the sun goes down, our hair goes up! My brother slips a durag over his locs. Sis swirls her hair in

a wrap around her head. Daddy covers his black waves with a cap. Mama gathers her corkscrew curls in a scarf. I always wear a bonnet over my braids, but tonight I can't find it anywhere! Bedtime Bonnet gives readers a heartwarming peek into quintessential Black nighttime hair traditions and celebrates the love between all the members of this close-knit, multi-

generational family. Perfect for readers of *Hair Love and Crown: An Ode to the Fresh Cut!*
Goodnight Bubbala - Sheryl Haft 2019-10-15
This festive parody reimagines a classic bedtime book as a lively Jewish family gathering complete with bubbies and zeydes—a perfect gift or read aloud that includes an exclusive latke recipe by Ina Garten, TV’s Barefoot Contessa! In the small blue room there was a bubbala, and a little shmatta, and then—oy vey!—came the whole mishpacha! This zesty parody of one of America's favorite picture books offers a very different bedtime routine: one that is full of family exuberance and love. Instead of whispers of “hush,” this bedtime includes dancing and kvelling, and of course, noshing—because this little bunny is a Jewish bunny, and this joyous book celebrates the Jewish values of cherishing your loved ones, expressing gratitude, and being generous. Filled with Yiddish words, the book includes a phonetic glossary and even an easy latke recipe by beloved cookbook author Ina

Garten, who calls the book “brilliant, beautiful, important, and so much fun!”

[The Best Bed for Me](#) - Gaia Cornwall 2022-05-17

From the creator of Jabari Jumps and Jabari Tries, the tale of a stalling child with a lively imagination—and a passion for animal facts—makes for the best kind of bedtime story. Mama and Mommy would like Sweet Pea to settle into bed, but it's not quite time. Even though the bed is fluffy, it's not as snuggly as curling up like a pig in the mud, or as spacious as sleeping in the wide ocean like a blue whale. It's not as fun as sleeping high up in a tree like a koala, or hanging upside down like a bat. And it's definitely not as relaxing as sleeping standing up, like an emperor penguin. But after mimicking all the ways different animals rest, this little one concedes that a comfy bed, a soft pillow, and a good-night wish offer the best way to fall asleep after all. Gaia Cornwall brings us a loving, humorous story for even the most energetic of bedtime listeners.

A Recipe for Playtime - Peter Bently 2019-03-12

Not an Alphabet Book: The Case of the Missing Cake - Eoin McLaughlin 2020-08-11

Follow Bear from A to Z as he hunts for a cake thief in a hilarious alphabet book crossed with a whodunit. There has been a terrible crime, Bear tells us. Someone has STOLEN a delicious chocolate cake! Bear sets off to find the culprit, questioning characters and compiling clues from A to Z. Among the suspects: a gingerbread man (G) with a bite out of his head, a kite (K) that may be above the law, and an octopus (O) with grabby tentacles. But -- hold on -- are those crumbs on Bear's page? Is that frosting on his

face? Looks like our narrator is a little unreliable! And it appears our culprit might be the one that Bear wants readers to suspect the least of all. . . . Author Eoin McLaughlin's sly, cheeky humor takes the alphabet book to inventive new heights, while best-selling illustrator Marc Boutavant's smart and striking graphic-style art matches the irreverent tone. Young ABC learners and older fans of funny stories will laugh out loud at Bear's uproarious "investigation" and his anything-but-usual suspects.

If Your Monster Won't Go To Bed - Denise Vega
2017-03-14

For fans of How to Babysit a Grandpa comes a tongue-in-cheek story that is a step-by-step manual for putting your monster to bed. If you have a monster that won't go to bed, don't bother asking your parents to help. They know a lot about putting kids to bed, but nothing about putting monsters to bed. It's not their fault; they're just not good at it. Read this book instead. It will tell you what to feed your monster before bed (it's not warm milk), and what to sing to your monster (it's not a soothing lullaby), and what to read to your monster to send him off to dreamland in no time (the scarier, the better). Just make sure you don't get too good at putting monsters to bed—or you might have a BIG problem on your hands! Praise for Zachariah OHora: "The text is pitch-perfect, and the art is its match." —Chicago Tribune (Wolfie the Bunny) "Picture books with hip, quirky illustrations that are not just funny but

also have plenty of heart are hard to find. The stylish My Cousin Momo by Zachariah OHora has it all." —The Boston Globe (My Cousin Momo) [set star] "OHora's acrylic paintings are the heart of this tale. They clearly show everyone's feelings . . . and there are brilliant bits of humor and whimsy." —School Library Journal, starred review (Wolfie the Bunny) "OHora could paint stones in the street and make them funny." —Publishers Weekly (My Cousin Momo)
