Baby Photo Album for Twins - Speedy Publishing Llc 2014-02

The Benefits and uses of a Baby Photo Album for Twins  
Twin Pictures:  
When a family has twins things are often combined since there are two babies. One way to help the twins maintain their own sense of self is to have a few things that are just for them. A photo book is one good way to do this. When the twins are growing up it might be helpful to have three pictures albums. If you have three albums then you can have one album dedicated to each twin, and have one album with pictures of them together. This way when the twins grow up they will be able to see pictures that are just about them and not tied to the fact that they are a twin.

after his fatherless family—so climbing Kilimanjaro is just another thing he'll accomplish almost effortlessly. Or so he thinks, until he arrives in Tanzania and everything starts to go wrong. He's detained at immigration, he gets robbed, his climbing group includes an old lady and he gets stuck with the first ever female porter. Forced to go polepole (slowly), DJ finds out the hard way that youth, fitness level and drive have nothing to do with success on the mountain—or in life. DJ's adventures start in Jungle Land, part of The Seven Prequels and continue in Sleeper, part of The Seven Sequels.

Beautiful Children - Charles Bock 2009-01-13

The New York Times bestseller by the author of the forthcoming novel *Alice & Oliver* | Winner of the Sue Kaufman Prize for First Fiction from the American Academy of Arts and Letters | A New York Times Notable Book "One word: bravo."—The New York Times Book Review "Truly powerful . . . Beautiful Children dazzles its readers on almost every page. . . . [Charles Bock] knows how to tug at your heart, and he knows how to make you laugh out loud, often on the same page, sometimes in the same sentence."—Newsweek One Saturday night in Las Vegas, twelve-year-old Newell Ewing goes out with a friend and doesn't come home. In the aftermath of his disappearance, his mother, Lorraine, makes daily pilgrimages to her son's room and tortures herself with memories. Equally distraught, the boy's father, Lincoln, finds himself wanting to comfort his wife even as he yearns for solace, a loving touch, any kind of intimacy. As the Ewings navigate the mystery of what's become of their son, the circumstances surrounding Newell's vanishing and other events on that same night reverberate through the lives of seemingly disconnected strangers: a comic book illustrator in town for a weekend of debauchery; a painfully shy and possibly disturbed young artist; a stripper who imagines moments from her life as if they were movie scenes; a bubbly teenage wiccan anarchist; a dangerous and scheming gutter punk; a band of misfit runaways. The people of Beautiful Children are "urban nomads," each with a past to hide and a pain to nurture, every one of them searching for salvation and barreling toward destruction, weaving their way through a neon underworld of sex, drugs, and the spinning wheels of chance. In this masterly debut novel, Charles Bock mixes incandescent prose with devious humor to capture Las Vegas with unprecedented scope and nuance and to provide a glimpse into a microcosm of modern America. Beautiful Children is an odyssey of

heartache and redemption heralding the arrival of a major new writer. Praise for Beautiful Children "Exceptional . . . This novel deserves to be read more than once because of the extraordinary importance of its subject matter."—The Washington Post Book World "Magnificent . . . a hugely ambitious novel that succeeds . . . Beautiful Children manages to feel completely of its moment while remaining unaffected by literary trends. . . . Charles Bock is the real thing."—The New Republic "A wildly satisfying and disturbing literary journey, led by an author of blazing talent."—The Dallas Morning News "Wholly original—dirty, fast, and hypnotic. The sentences flicker and skip and whirl."—Esquire "An anxious, angry, honest first novel filled with compassion and clarity . . . The language has a rhythm wholly its own—at moments it is stunning, near genius."—A. M. Homes "From start to finish, Bock never stops tantalizing the reader."—San Francisco Chronicle "Rich and compelling . . . captures the hallucinogenic setting like a fever dream."—Los Angeles Times
