Almost Anxious - Luana Marques 2013-10-22

It is only human to worry about problems in our lives - but for some, obsessing for weeks and months, avoiding social events and situations due to feelings of panic can become a regular part of our lives. If any of these describe you or a loved one, then you or they may be almost anxious. Those of us who are almost anxious may never address the issue because we don't fully meet the diagnostic criteria for an anxiety disorder. In *Almost Anxious*, Luana Marques, Ph.D., describes the spectrum of almost anxiety symptoms, from normal situational anxiety on one end to a full-blown diagnosable anxiety disorder on the other. Drawing on case studies and the latest research, she gives you the tools to: Assess whether your or a loved one's worry is a problem Gain insight on how to intervene with a loved one Discover proven strategies to change unhealthy feelings of distress Gage the physical, psychological, and social impact of your anxiety symptoms Determine when and how to get professional help when needed

Cognitive Behavioural Therapy Made Simple - Seth J. Gillihan 2020-10-29

TEN SIMPLE STRATEGIES TO MANAGE ANXIETY, DEPRESSION, WORRY AND OTHER COMMON MENTAL HEALTH CONCERNS.

Cognitive behavioural therapy is a proven form of psychotherapy that is often the first-line of treatment recommended for managing depression, anxiety, worry, and other common issues. *Cognitive Behavioural Therapy Made Simple* delivers a simplified approach to learning the most essential parts of cognitive behavioural therapy and applying them to your life. Written by licensed psychologist and bestselling author Seth Gillihan, *Cognitive Behavioural Therapy Made Simple* replaces workbook pages and technical language with quick and highly accessible cognitive behavioural therapy strategies that can be used on an as-needed basis. Presented with simple and straightforward language, *Cognitive Behavioural Therapy Made Simple* encourages readers to succeed with: - Practical explanations of 10 essential CBT principles: such as challenging negative thought patterns, behavioural activation, and overcoming procrastination, organized in a similar structure to in-person cognitive behavioural therapy - Supportive guidance: for creating goals and outlining strategies to help yourself meet them - Helpful self-evaluation sections: to help you track your progress and reflect on what you've learned using cognitive behavioural therapy For people who are interested in realizing the proven benefits of CBT, *Cognitive Behavioural Therapy Made Simple* is a vital resource that will promote personal growth as you overcome challenges and improve your wellbeing.

Self-Confidence - Paul McGee 2020-02-03

The special Tenth Anniversary Edition of the classic, bestselling guide to increasing self-confidence and boosting personal and professional success *Confidence* is profoundly important to virtually every aspect of our lives - it's the main ingredient for handling anything thrown at us. Whether in our school or business careers, personal relationships or the way in which we present ourselves to the world, confidence is often the deciding factor between success or failure. But how does one increase self-confidence? Sunday Times best selling Author Paul McGee has helped thousands of people answer this very question with his bestselling book *Self-Confidence*. Blending Paul's humour and wit with expert insights and practical advice, this beloved resource remains the essential guide to increasing self-confidence and boosting success. Paul shows you how increasing your confidence by even a small amount can lead to dramatic positive changes in your life. Celebrating its tenth year in publication, this new Anniversary Edition has been extensively updated to address current "hot topics" and trends for improving confidence and driving personal and professional success. Paul offers new guidance on strengthening resilience, promoting well-being, enhancing mental health

and much more. Along the way, Paul shares honest and very personal stories from his own life to highlight important lessons and reinforce your confidence-building process. This must-have guide will help you: Understand how making small changes will yield enormous results Manage self-doubt and overcome anxiety Discover who or what crushed your confidence and meet them head-on Refuse to let setbacks sap your confidence by turning them into motivation to forge ahead Step away from your comfort zone and achieve what you always wanted, but lacked the confidence to pursue The special edition of *Self-Confidence* provides everything you need to start on the path to increased confidence, resilience and success. You will be astonished by what you can accomplish when you have the confidence to try.

The Last Lecture - Randy Pausch 2008-04-08

"We cannot change the cards we are dealt, just how we play the hand."--- Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

How Not To Worry - Paul McGee 2012-05-07

How to defeat stress, worry, and anxiety to achieve more in business and life. From the international bestselling author of *Self-Confidence*. Are You A Worrier? Do you seem to worry more than most? Do you find that insignificant things stress you out? Do you sweat the small stuff and the big stuff too? Well, now's the time to stop worrying and start living. Worry, stress, anxiety - whichever label you prefer to use - can have consequences that impact not only our lives, but the lives of others around us. When we worry it's like the engine of our mind is constantly being revved up. It doesn't allow us time to switch off and rest. It tires you out. And when you're tired you're less likely to think straight. And when you're not thinking straight it's easy to make stupid mistakes and confuse priorities... But relax. There is a way forward. In *How Not to Worry* Paul McGee shows us that there is a way to tackle life's challenges in a calmer and more considered way. It is possible to use a certain degree of worry and anxiety to spur us on towards positive, constructive action, and then leave the rest behind. With down to earth, real life advice, *How Not to Worry* helps us understand why worrying is such a big deal and the reasons for it, exposing the behavioural traps we fall into when faced with challenges. It then helps us to move on with tools and ideas to deal with our worries in a more constructive way.

The Midnight Library - Matt Haig 2020-09-29

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library

that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Efrén Divided - Ernesto Cisneros 2020-03-31

Winner of the Pura Belpré Award! "We need books to break open our hearts, so that we might feel more deeply, so that we might be more human in these unkind times. This is a book doing work of the spirit in a time of darkness." —Sandra Cisneros, author of *The House on Mango Street* Efrén Nava's Amá is his Superwoman—or Soperwoman, named after the delicious Mexican sopes his mother often prepares. Both Amá and Apá work hard all day to provide for the family, making sure Efrén and his younger siblings Max and Mía feel safe and loved. But Efrén worries about his parents; although he's American-born, his parents are undocumented. His worst nightmare comes true one day when Amá doesn't return from work and is deported across the border to Tijuana, México. Now more than ever, Efrén must channel his inner Soperboy to help take care of and try to reunite his family. A glossary of Spanish words is included in the back of the book.

Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits—whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Thin Slices of Anxiety - Catherine Lepage 2016-04-19

Not to worry, a book on anxiety is finally here! A clever antidote to everyday angst, this illustrated book captures universal truths and comforting revelations about being human. Artist Catherine Lepage uses her wry humor to help us see that "thinly sliced and illustrated, emotions are much easier to digest."

Think Big - Ben Carson 2005

Recommends a method of achieving success by hard work in a Christian context, and shows how it worked in the author's own rise from poverty to become a neurosurgeon.

Love Without Limits - Nick Vujicic 2014-11-18

It Doesn't Take a Perfect Person to Find a Perfect Love Even though he was born without arms or legs, Nick Vujicic created a "ridiculously good life." But after dating disappointments and a failed relationship, he reached his mid-twenties worried that he would never find a woman to love him and share his life. Then Nick met Kanae and everything changed. But even with undeniable chemistry, they would have to navigate twists and turns worthy of a romantic comedy before becoming "one" in marriage. In *Love Without Limits* Nick and Kanae tell how they

improbably found each other, fell in love, and then fought to overcome skepticism from others about their relationship. Filled with practical insights that will benefit any couple, this inspiring book describes a godly courtship and the early years of the Vujicics' marriage and parenting journey. Above all, *Love Without Limits* is an inspiring reminder that when Christ is at the center of a relationship—even with serious challenges—true love will triumph. *** "Despite my optimism about other parts of life, I decided that love in this world had limits after all. I'd become convinced that no woman would want to marry such an obviously imperfect man as me...." As a boy growing up in Australia, Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick's life. On the other side of the world, Kanae Miyahara—a girl growing up in Mexico—saw dysfunction sadly separate her family. She wondered if a loving, lasting marriage was even possible. Later, when Nick realized that God had a purpose for him, his life took on new meaning. But after a long-term relationship ended in heartache, would he ever find someone to marry? Kanae experienced relationships based on superficial attraction, but she longed to find a mate with strong character and faith—a man who would be a godly husband and father. When Nick and Kanae met in the most amazing way, they realized that God—the ultimate Matchmaker—had used even their discouraging and painful experiences to prepare them for each other...for the love of their life.

The Honest Truth - Dan Gemeinhart 2015-03-05

Mark has been in and out of hospital his whole life - and he's fed up. So when his cancer returns, he decides he's had enough. Running away with his dog Beau, he sets out to climb a mountain - and it's only when he's left everything behind that Mark realises he has everything to live for.

Pray, Hope, and Don't Worry - Diane Allen 2009-01

Miracles and sufferings of Padre Pio, a Franciscan priest of Pietrelcina who received the stigmata.

Ivan - Katherine Applegate 2014

"The true story of Ivan, known as the Shopping Mall Gorilla, who lived alone in a small cage for almost 30 years before being relocated to the gorilla habitat at ZooAtlanta."--

The Secret Keeper's Daughter - Samantha King 2021-09-10

'I flew through this book in a day! I loved it. It really had me desperate to know more' NetGalley Reviewer, ☐☐☐☐ To unlock her secret, you must tell yours.

The Man Who Couldn't Stop - David Adam 2014-04-10

A Sunday Times Bestseller Have you ever had a strange urge to jump from a tall building, or steer your car into oncoming traffic? You are not alone. In this captivating fusion of science, history and personal memoir, writer David Adam explores the weird thoughts that exist within every mind, and how they drive millions of us towards obsessions and compulsions. David has suffered from OCD for twenty years, and *The Man Who Couldn't Stop* is his unflinchingly honest attempt to understand the condition and his experiences. What might lead an Ethiopian schoolgirl to eat a wall of her house, piece by piece; or a pair of brothers to die beneath an avalanche of household junk that they had compulsively hoarded? At what point does a harmless idea, a snowflake in a clear summer sky, become a blinding blizzard of unwanted thoughts? Drawing on the latest research on the brain, as well as historical accounts of patients and their treatments, this is a book that will challenge the way you think about what is normal, and what is mental illness. Told with fierce clarity, humour and urgent lyricism, this extraordinary book is both the haunting story of a personal nightmare, and a fascinating doorway into the darkest corners of our minds.

Please Explain Anxiety to Me! - Laurie Zelinger 2010-01-01

What's happening to me? This book translates anxiety from the jargon of psychology into concrete experiences that children can relate to. Children and their parents will understand the biological and emotional components of anxiety responsible for the upsetting symptoms they experience. Please Explain Anxiety to Me gives accurate physiological information in child friendly language. A colorful dinosaur story explains the link between brain and body functioning, followed by practical therapeutic techniques that children can use to help themselves. Children will: learn that they can handle most issues if they are explained at their developmental level understand the brain/body connection underlying anxiety identify with the examples given find comfort and reassurance in knowing that others have the same experience be provided with strategies and ideas to help them change their anxiety responses be able to enjoy childhood and to give up unnecessary worrying Therapists and Educators Praise "Please Explain Anxiety To Me" "On any given day, around thirty percent of my patients have anxiety

related symptoms. The simplicity and completeness of the explanations and treatment of anxiety given in this book is remarkable. Defining the cause, treating the core symptoms, and most importantly bringing it to a child's level accompanied by wonderful illustrations, is an incredible feat. I will definitely use this book in my practice." Zev Ash, M.D. F.A.A.P., Pediatrician "Anxiety is, of course, a complicated neuro-physiological process but it has been reduced to understandable terms in this brilliantly illustrated book for children. I would go even further and say that there are adults who could benefit from the straightforward approach." Rick Ritter, MSW, author of "Coping with Physical Loss and Disability" "This excellent book is perfect for parents to read and discuss with their children. It's also perfect for school professionals to use in the school setting." Herb R. Brown, Ed.D., Superintendent of Schools Oceanside Public Schools, New York "...A charming--and calming--explanation of anxiety that will help both children and their parents turn their internal worry switches to the OFF position." Ellen Singer, New York Times-acclaimed bestselling author Learn more at www.DrZelinger.com From the "Growing With Love" Series at Loving Healing Press www.LHPress.com SEL036000, Self-Help : Anxieties & Phobias PSY006000 Psychology : Psychotherapy - Child & Adolescent JNF053050 Juvenile Nonfiction : Social Issues - Emotions & Feelings

An Absolutely Remarkable Thing - Hank Green 2018-09-25
THE INSTANT #1 NEW YORK TIMES BESTSELLER "Sparkling with mystery, humor and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play." —San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of Crash Course, Vlogbrothers, and SciShow—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and her best friend, Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian, finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable Thing* is a bold and insightful novel of now.

Rewrite Your Life - Jessica Lourey 2017-01-01

"According to common wisdom, we all have a book inside of us. But how do you select and then write your most significant story--the one that helps you to evolve and invites pure creativity into your life, the one that people line up to read? In [this book], creative writing professor, sociologist, and popular fiction author Jessica Lourey guides you through the redemptive process of writing a healing novel that recycles and transforms your most precious resources--your own emotions and experiences"--Amazon.com.

Blue Mind - Wallace J. Nichols 2014-07-22

A landmark book by marine biologist Wallace J. Nichols on the remarkable effects of water on our health and well-being. Why are we drawn to the ocean each summer? Why does being near water set our minds and bodies at ease? In *BLUE MIND*, Wallace J. Nichols revolutionizes how we think about these questions, revealing the remarkable truth about the benefits of being in, on, under, or simply near water. Combining cutting-edge neuroscience with compelling personal stories from top athletes, leading scientists, military veterans, and gifted artists, he shows how proximity to water can improve performance, increase calm, diminish anxiety, and increase professional success. *BLUE MIND* not only illustrates the crucial importance of our connection to water--it provides a paradigm shifting "blueprint" for a better life on this Blue Marble we call home.

Nothing You Don't Already Know - Alexander den Heijer 2018-05-17

'Nothing you don't already know' is a brief guide to making the most of your life. It's for everyone who wants to take on the journey of fulfilling

their potential and live a deeply meaningful life. In 2015, Alexander started sharing his writings about life on his Instagram page. This book holds a selection of his most popular quotes and writings that have already positively impacted thousands of people. Alexander's teachings are about living with purpose, overcoming fear, facing yourself, and making a difference. This concise handbook is full of remarkable reminders about meaning, purpose, and self-realization. The title refers to the idea that if you learn something profound, it's not as if you have learned something new. Rather, it's as if something is being unveiled to you that you have always known.

Because We Are Bad - Lily Bailey 2018-03-13

WASHINGTON POST TOP 50 NON-FICTION BOOK 'Extremely compelling' - The Guardian 'Searing... funny, eloquent and honest' - Psychologies 'Remarkable... I hope this book finds a wide readership' - Washington Post _____ As a child, Lily Bailey knew she was bad. By the age of 13, she had killed someone with a thought, spread untold disease, and spied upon her classmates. Only by performing a series of secret routines could she correct her wrongdoing. But it was never enough. She had a severe case of Obsessive Compulsive Disorder, and it came with a bizarre twist. This true story is from a startling new voice in non-fiction. It lights up the workings of the mind like Mark Haddon or Matt Haig. Anyone who wants to know about OCD, and how to fight back, should read this book. Immerse yourself in a new world. Reviews Model and journalist Bailey offers an authentic and stunning account of her struggle with Obsessive Compulsive Disorder in this beautifully-rendered memoir. - Publishers Weekly I laughed, I cried. I could not put this book down. Intensely moving with flashes of black humour, *Because We Are Bad* is the compelling account of one young woman's experience of Obsessive Compulsive Disorder. - Rosanna Greenstreet writes for The Guardian Often as chilling as Sylvia Plath's *The Bell Jar*, but also full of so much inner and external turbulence that it reminded me at times of *The Bourne Identity* and *Memento*. *Because We Are Bad* is an intense heart-rending roller coaster of a book... - Will Black, Huffpost UK A harrowingly honest memoir of profound psychological struggle. In her courageous book, the author offers compelling insight into the pain and destructive power of OCD as well as the resilience of a young woman determined to beat the odds. - Kirkus Reviews A fascinating read. It's brilliantly written; I felt inside your head - Ray D'Arcy Show, RTE Radio 1 *Because We Are Bad* is an emotional, challenging read. Lily takes us deep into the heart of the illness but she is also a deft writer, and even the darkest moments are peppered with wit and wry observations. - James Lloyd, OCD-UK Remarkable. She writes with literary poise and a gift for mordant observation and self-deprecating humor that belie her youth. I hope this book finds a wide readership. - Scott Stossel, Washington Post It's a fascinating read... Buy the book! Buy the book! - Jo Good, BBC Radio London

Sophie's World - Jostein Gaarder 2007-03-20

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

The 48 Laws Of Power - Robert Greene 2010-09-03

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume

Three, was wack. People set higher standards for me, and I love it.

When Breath Becomes Air - Paul Kalanithi 2016-01-12

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST •

This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

Anxious People - Fredrik Backman 2020-09-08

Instant #1 New York Times Bestseller A People Book of the Week, Book of the Month Club selection, and Best of Fall in Good Housekeeping, PopSugar, The Washington Post, New York Post, Shondaland, CNN, and more! "[A] quirky, big-hearted novel...Wry, wise, and often laugh-out-loud funny, it's a wholly original story that delivers pure pleasure." —People From the #1 New York Times bestselling author of *A Man Called Ove* comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can't fix their own marriage. There's a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment's only bathroom, and you've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

Wise Mind Living - Erin Olivo 2014-11-01

Are you easily overwhelmed by your emotions? Is stress hurting your relationships and getting in the way of reaching your goals? With *Wise Mind Living*, esteemed psychotherapist and Columbia University professor Dr. Erin Olivo presents an in-depth resource that empowers us

to stop struggling with emotions like fear, anger, shame, and sadness—and discover the doorway to better health and increased fulfillment in every area of our lives. "When you're living in balance between your emotions and logic, you're experiencing *Wise Mind Living*," explains Dr. Olivo. "It's when you have the confidence to deal with difficult decisions or situations because you're in charge—not your emotions." The teachings and practices in this book give you a new understanding of the physiology of emotions and the debilitating effects of stress. Dr. Olivo provides mindfulness-based exercises and lifestyle skills to help us change the way we think, feel, and behave in situations where stress and anxiety arise, and gives practical instruction in putting it all together to manage your emotions for health and well-being. *Wise Mind Living* invites you to explore: Mindfulness—what it is and how to practice it Combining the strategies of change and acceptance The universal structure of all emotional experience Becoming fluent with the eight core categories of emotion Why there is no such thing as a "negative" emotion The *Wise Mind Review* to objectively observe your experiences Overcoming conditioned responses and knee-jerk reactions Relinquishing struggle as the pathway to change Plus, step-by-step instruction in Dr. Olivo's six-week *Wise Mind Living* program For anyone looking to get a handle on stress and anxiety once and for all, *Wise Mind Living* gives you a practical resource to help you navigate life's difficulties with balance, confidence, and inner peace.

Self-Confidence - Paul McGee 2010-02-16

A bestselling motivational author on life's X factor: confidence. Have you ever wondered how different your life would be if you increased your confidence by just 10%? Paul McGee has. And in his latest book, he explains what confidence is, where it comes from, why it's important, and how to develop it in yourself and others. Not only does the book deal with confidence in business, romance, social situations, and all areas of life, it explodes common myths, including why 'over-confidence' and 'under-confidence' are both harmful. Loaded with practical tips on bouncing back from a setback and feeling confident in challenging situations, this inspiring, upbeat book will help fill you with life's X factor. Full of practical tips on feeling confident during job interviews, presentations, networking, and social gatherings Written by Paul McGee, bestselling author of *S.U.M.O. Feeling Good - David D. Burns, M.D. 2012-11-20

National Bestseller – Over five million copies sold worldwide! From renowned psychiatrist Dr. David D. Burns, the revolutionary volume that popularized Dr. Aaron T. Beck's cognitive behavioral therapy (CBT) and has helped millions combat feelings of depression and develop greater self-esteem. Anxiety and depression are the most common mental illnesses in the world, affecting 18% of the U.S. population every year. But for many, the path to recovery seems daunting, endless, or completely out of reach. The good news is that anxiety, guilt, pessimism, procrastination, low self-esteem, and other "black holes" of depression can be alleviated. In *Feeling Good*, eminent psychiatrist, David D. Burns, M.D., outlines the remarkable, scientifically proven techniques that will immediately lift your spirits and help you develop a positive outlook on life, enabling you to: Nip negative feelings in the bud Recognize what causes your mood swings Deal with guilt Handle hostility and criticism Overcome addiction to love and approval Build self-esteem Feel good everyday This groundbreaking, life-changing book has helped millions overcome negative thoughts and discover joy in their daily lives. You owe it to yourself to FEEL GOOD! "I would personally evaluate David Burns' *Feeling Good* as one of the most significant books to come out of the last third of the Twentieth Century." ?- Dr. David F. Maas, Professor of English, Ambassador University

Which None Can Shut - Reema Goode 2010-09-01

Imagine a place where becoming a Christian is a punishable crime—and your own family exacts the punishment. Where those who spread the gospel among locals are deported if discovered. Where converts to Christianity face persecution, isolation, or even death as the price for their faith. "Reema Goode" and her family are Christians working in a closed Middle Eastern country where all of these things are true. Yet they are also firsthand witnesses of a whole new trend that is taking shape in missions to Muslims. Despite all obstacles, God is opening miraculous doors in the Islamic world, where an unprecedented number of Muslims are becoming followers of Jesus. In this powerful collection of personal stories, Reema takes us deep inside her Arab neighborhood to show how God is opening doors in just one of many Islamic communities. As she walks us through everyday life in a Muslim town, she reveals the

diverse, creative, unexpected, and thrilling ways God is reaching her neighbors with the Gospel of Jesus Christ. "See, I have set before you an open door, and no one can shut it."—Revelation 3:8

[Wizard's First Rule](#) - Terry Goodkind 2001-06-23

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

Fear of Food - Harvey Levenstein 2012-03-08

A food historian reveals the people and interests that have created and exploited food worries over the years, questioning these "experts" in order to free Americans from the fears that cloud our food choices.

S.U.M.O (Shut Up, Move On) - Paul McGee 2015-04-08

Celebrating 10 Years of Shut Up, Move On! Paul McGee's international bestselling personal development heavyweight S.U.M.O. has helped hundreds of thousands of people around the world fulfil their potential, seize opportunities, succeed at work, and respond to adverse situations with a positive attitude. Weighing in with humour, insight, practical tips, and personal anecdotes, it's a thought provoking—and possibly life-changing—read. Now newly updated to celebrate 10 years since its first publication and including up-to-date case studies and examples, as well brand new exercises to test yourself, S.U.M.O: 10th Anniversary Edition will help SUMO fans, as well as SUMO amateurs, get more out of this bestselling, self-help classic. There are six S.U.M.O. principles that are designed to help you create and enjoy a brilliant life: Change Your T-Shirt— take responsibility for your own life and don't be a victim. Develop Fruity Thinking— change your thinking and change your results. Hippo Time is OK— understand how setbacks affect you and how to recover from them. Remember the Beachball— increase your understanding and awareness of other people's world. Learn Latin— change comes through action not intention. Overcome the tendency to put things off. Ditch Doris Day— create your own future rather than leave it to chance. Forget the attitude 'que sera, sera, whatever will be, will be.'

How We Learn - Benedict Carey 2014-09-09

In the tradition of *The Power of Habit* and *Thinking, Fast and Slow* comes a practical, playful, and endlessly fascinating guide to what we really know about learning and memory today—and how we can apply it to our own lives. From an early age, it is drilled into our heads: Restlessness, distraction, and ignorance are the enemies of success. We're told that learning is all self-discipline, that we must confine ourselves to designated study areas, turn off the music, and maintain a strict ritual if we want to ace that test, memorize that presentation, or nail that piano recital. But what if almost everything we were told about learning is wrong? And what if there was a way to achieve more with less effort? In *How We Learn*, award-winning science reporter Benedict Carey sifts through decades of education research and landmark studies to uncover the truth about how our brains absorb and retain information. What he discovers is that, from the moment we are born, we are all learning quickly, efficiently, and automatically; but in our zeal to systematize the process we have ignored valuable, naturally enjoyable learning tools like forgetting, sleeping, and daydreaming. Is a dedicated desk in a quiet room really the best way to study? Can altering your routine improve your recall? Are there times when distraction is good? Is repetition necessary? Carey's search for answers to these questions yields a wealth of strategies that make learning more a part of our everyday lives—and less of a chore. By road testing many of the counterintuitive techniques described in this book, Carey shows how we can flex the neural muscles that make deep learning possible. Along the way he reveals why teachers should give final exams on the first day of class, why it's wise to interleave subjects and concepts when learning any new skill, and when it's smarter to stay up late prepping for that presentation than to rise early for one last cram session. And if this requires some suspension of disbelief, that's because the research defies what we've been told, throughout our lives, about how best to learn. The brain is not like a muscle, at least not in any straightforward sense. It is something else altogether, sensitive to mood, to timing, to circadian rhythms, as well as to location and environment. It doesn't take orders well, to put it mildly. If the brain is a learning machine, then it is an eccentric one. In *How We Learn*, Benedict Carey shows us how to exploit its quirks to our advantage.

[If You Want to Write](#) - Brenda Ueland 2013-05-20

Brenda Ueland was a journalist, editor, freelance writer, and teacher of writing. In *If You Want to Write: A Book about Art, Independence and Spirit* she shares her philosophies on writing and life in general. Ueland firmly believed that anyone can write, that everyone is talented, original,

and has something important to say. In this book she explains how find that spark that will make you a great writer. Carl Sandburg called this book the best book ever written about how to write. Join the millions of others who've found inspiration and unlocked their own talent.

[Good Anxiety](#) - Wendy Suzuki 2021-09-07

World-renowned neuroscientist and author of *Healthy Brain, Happy Life* explains how to harness the power of anxiety into unexpected gifts. We are living in the age of anxiety, a situation that often makes us feel as if we are locked into an endless cycle of stress, sleeplessness, and worry. But what if we had a way to leverage our anxiety to help us solve problems and fortify our wellbeing? What if, instead of seeing anxiety as a curse, we could recognize it for the unique gift that it is? Dr. Wendy Suzuki has discovered a paradigm-shifting truth about anxiety: yes, it is uncomfortable, but it is also essential for our survival. In fact, anxiety is a key component of our ability to live optimally. Every emotion we experience has an evolutionary purpose, and anxiety is designed to draw our attention to vulnerability. If we simply approach it as something to avoid, get rid of, or dampen, we actually miss an opportunity to improve our lives. Listening to our anxieties from a place of curiosity, and without fear, can actually guide us onto a path that leads to joy. Drawing on her own intimate struggles and based on cutting-edge research, Dr. Suzuki has developed an inspiring guidebook for managing unwarranted anxiety and turning it into a powerful asset. In the tradition of *Quiet* and *Thinking, Fast and Slow*, *Good Anxiety* has the power to permanently change how we understand anxiety and, more importantly, how we can use it to improve our lives for the better.

[The Worry Tree](#) - Marianne Musgrove 2008-09-16

Juliet is a worrier, but when constant bickering between her and her younger sister leads Juliet to move into her own bedroom, she discovers the Worry Tree her grandmother used as a girl to relieve her own concerns.

Millie's Remarkable Journey - Martha Finley 2007-03-13

The A Life of Faith: Millie Keith novels follow the exciting life and times of Millie Keith, a girl of strong Christian faith growing up on the Indiana frontier in the mid-1800s. Adapted from Martha Finley's 1876 sequel to the popular *Elsie Dinsmore* novels, these revised and updated, modern-language books introduce readers to yet another delightful Christian heroine.

The Remarkable Journey of Charlie Price - Jennifer Maschari 2016-02-23

A heartfelt, beautifully written novel of love, loss, and math—perfect for fans of Rebecca Stead and Sharon M. Draper. This "tangible allegory of grief through the eyes of a struggling 12-year-old boy" has been cited by [Brightly.com](#) as a book about sadness and grief that will help support kids and foster conversation. Ever since twelve-year-old Charlie Price's mom died, he feels like his world has been split into two parts. Before included stargazing and Mathletes and Saturday scavenger hunts with his family. After means a dad who's completely checked out, comically bad dinners, and grief group that's anything but helpful. It seems like losing Mom meant losing everything else he loved, too. Just when Charlie thinks things can't get any worse, his sister, Imogen, starts acting erratically—missing school and making up lies about their mother. But everything changes when one day he follows her down a secret passageway in the middle of her bedroom and sees for himself. Imogen has found a parallel world where Mom is alive! There's hot cocoa and Scrabble and scavenger hunts again and everything is perfect . . . at first. But something doesn't feel right. Whenever Charlie returns to the real world, things are different, and not in a good way. And Imogen wants to spend more and more time on the other side. It's almost as if she wants to leave the real world for good. If Charlie doesn't uncover the truth, he could lose himself, the true memory of their mother, and Imogen . . . forever.

SUMO (Shut Up, Move On) - Paul McGee 2010-02-04

S.U.M.O. stands for Shut Up, Move On. It's a phrase to say to ourselves (and sometimes others) when we are acting or thinking in a way that is hindering our ability to succeed. It doesn't necessarily mean 'get over it' or 'pull yourself together' (although there may be occasions when both responses are necessary). 'Shut Up' means stop what you're doing, take time out to reflect, let go of baggage and beliefs that hinder your potential. 'Move On' means tomorrow can be different from today, look for new possibilities, don't just think about it, take action. There are six S.U.M.O. principles that are designed to help you create and enjoy a brilliant life. If you are wrestling with life's challenges, these principles will help you do so more successfully. 1. Change Your T-Shirt - take responsibility for your own life and don't be a victim. 2. Develop Fruity

Thinking - change your thinking and change your results. 3. Hippo Time is OK - understand how setbacks affect you and how to recover from them. 4. Remember the Beachball - increase your understanding and awareness of other people's world. 5. Learn Latin - change comes through action not intention. Overcome the tendency to put things off. 6. Ditch Doris Day - create your own future rather than leave it to chance. Forget the attitude 'que sera, sera, whatever will be, will be.' "A superb book. It combines honesty, humour and inspiration to help people move

ahead in life." —Allan and Barbara Pease, authors of *Why Men Don't Listen and Women Can't Read Maps* "Powerful, simple and effective. A highly engaging and thought provoking book. Anyone who reads it is sure to look at themselves and the world differently as a result." —Octavius Black and Sebastian Bailey, *The Mind Gym* The S.U.M.O. guy is Paul McGee, an international speaker and author. He has been developing the S.U.M.O. principles over the last five years.
