Guess how Much I Love You in the Autumn -
Sam Mcbratney 2007

2003-04-15

“Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch!

Teeth Are Not for Biting - Elizabeth Verdick

Biting hurts.” Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling *Hands Are Not for Hitting Board Book*, *Teeth Are Not for Biting* gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they’re hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.

Night Walk - Sara O'Leary 2020-09-29

A child explores her neighborhood on a late-night walk with her dad, finding delight and comfort in moments of quiet and the warm windows into other people’s lives. When a little girl can’t sleep one night, her dad asks if she’d

like to go for a walk. They tiptoe through the silent house and step out into the dark. It’s strange and exciting to be out so late. Walking down the street, the girl can see inside the lit-up windows of apartment buildings and houses where people’s lives are unfolding. Kids are having a pillow fight in one house, while a family has gathered for a festive meal in another. She and her dad reach the still-busy shopping area, walking past restaurants and enticing store windows, then stop for a tranquil moment in the park before returning home. Sara O’Leary has captured a child’s nighttime wonder as she explores her neighborhood and comes to the comforting realization that she belongs. Ellie Arscott’s illustrations, luminous and rich in color, perfectly complement the story.

2022 NATIONAL BOOK AWARD FINALIST A

New York Times Editors' Choice Pick "One of the buzziest, most human novels of the year...breathless, dizzying, and completely beautiful." —Vogue "Dazzling and wholly original...[written] with such mordant wit, insight, and specificity, it feels like watching a new literary star being born in real time."
-Entertainment Weekly From a brilliant new voice comes an electrifying novel of a young immigrant building a life for herself—a warm, dazzling, and profound saga of queer love, friendship, work, and precarity in twenty-first century America Graduating into the long maw of an American recession, Sneha is one of the fortunate ones. She's moved to Milwaukee for an entry-level corporate job that, grueling as it may be, is the key that unlocks every door: she can pick up the tab at dinner with her new friend Tig, get her college buddy Thom hired alongside her, and send money to her parents back in India. She begins dating women—soon developing a burning crush on Marina, a

beguiling and beautiful dancer who always seems just out of reach. But before long, trouble arrives. Painful secrets rear their heads; jobs go off the rails; evictions loom. Sneha struggles to be truly close and open with anybody, even as her friendships deepen, even as she throws herself headlong into a dizzying romance with Marina. It's then that Tig begins to draw up a radical solution to their problems, hoping to save them all. A beautiful and capacious novel rendered in singular, unforgettable prose, *All This Could Be Different* is a wise, tender, and riveting group portrait of young people forging love and community amidst struggle, and a moving story of one immigrant's journey to make her home in the world.

As a storm approaches, Little Goosey and Big Gander Goose join other animals in searching for a place to hide. **Kindred** - Octavia E. Butler 2004-02-01
From the New York Times bestselling author of *Parable of the Sower* and MacArthur "Genius" Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor

so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Taneisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-

Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.
