The Exact Place - Margie Haack 2012-09-01

A three-room house in northern Minnesota with no running water can seem crowded with a mother, stepfather, five siblings, and a dog. It was swampland barely claimed from wilderness, where temperatures of 40 below could freeze a chicken house full of hens. It was the place Margie accidentally killed her favorite

dog, was chased by a timber wolf, learned to love work and humor and hate sheep. Her roots were tangled with the death of a father who was killed before her birth, leaving her mother a widow at seventeen. This was also where her spiritual awakening began. She yearned for home, for a father who loved her. Margie determined to win her stepfather's love and approval, but failed. Her stories of her childhood show how suffering ripened the landscape of her life. From her earliest memories at the age of four through dark nightmares, she became aware that God received her as a beloved daughter. She had been, all along, in The Exact Place she needed to be.

Book 4, Seeking Home picks up where book 3, Facing Darkness left off. Asher Latham, aka Polar Bear, and his small group of friends, who upon escaping their icy tomb inside the maximum security prison, swore an oath to keep a new moral code, have been working hard to reunite with their loved ones. They've managed to find several family members, but more are still missing. They've overcome seemingly insurmountable odds, fought and won against dark forces, who if left to their own devices, would turn the region into a
