Everybody has a story, but nobody's story is quite like Wally and Zizza's. Through wars, emigration and exploration, the couple took on the world together, searching for new discoveries in both outer and inner landscapes. They lived on four continents, met with great teachers, dealt with wars and passed on lessons to their children. All of this astounding adventure is illustrated throughout by the extensive use of documents and photographs Louis shares, along with personal recollections

and historical research. Told with humour and great affection, Wally and Zizza's Amazing Journey chronicles the laughs, the lows and every little and large moment that made up a spectacular life. Readers who enjoy road stories, as well as a detailed look at the events of the twentieth century, will delight in a story that examines history through an intrepid couple's eyes - and perhaps inspire a change in perspective for those open to it.
