Marty Noble's Peaceful World - Marty Noble
2016-03-01

Bestselling author Marty Noble shows you how to color scenes from the world's most vibrant cultures! In Marty Noble's Peaceful World, bestselling coloring book artist Marty Noble invites colorists to explore the rainbow of our kaleidoscopic, multicultural world through coloring. Forty-eight detailed and intricate line illustrations will escort you through Japan, Indonesia, Guatemala, Morocco, Italy, and many more regions on the globe. Marty transforms these exotic places into everyday scenes such as

a boy flying a kite in China, women at a well in India, a fruit market in Thailand, a child sleeping in Mexico, and a woman by the river in Turkey. These illustrations draw from aesthetic styles ranging from Bedouin and Caribbean motifs to Native American and Eastern European art. Each covers a different level of complexity for both the amateur and advanced colorist that will engage your inner artist and get your coloring juices flowing. These pages are perforated and printed on one side, allowing you to remove and display finished designs easily. Marty Noble's Peaceful World offers an absorbing and fascinating coloring experience that will reconnect you to the rest of the globe—it is truly a colorful world!

Equal parts relaxing and challenging, this book is perfect for zenning out and inspiring your inner artist.

[New York in Color](#) - Bob Shamis 2011-10-01

New York in Color presents the best color photography of New York over the last century. From its iconic landmarks like Times Square and Coney Island to the visual poetry of its streets and skyline, New York presents an ever-changing visual collage best seen in color. Here, neon lights define the spirit of the night, a young Bob Dylan lingers in the snows of Greenwich Village, subway trains are rolling murals, and

New Yorkers of every era become dramatic actors on the world's greatest stage. Presenting work—much of it unknown—by major photographers, including such masters as André Kertész, William Klein, Helen Levitt, and Joel Meyerowitz, *New York in Color* is destined to be a classic photographic survey of the world's most visually vibrant city. Praise for *New York in Color*: “Even in black-and-white, New York’s colors come through. They do so more vividly in *New York in Color*, a stunning, color-only anthology.” —New York Times “Shamis . . . is to be praised not only for his selections but also for the fine sequencing—we see a picture of Coney Island circa 1902, for instance, right before another circa 1956—that adds to our appreciation of the individual images.” —William Meyers, *Wall Street Journal* “The two hundred images represent a visual conversation about New York, one that is inflected with everything from soft, pastel hues to jolting reds and yellows. There is grit and grace, lightness and laughter.

And, yes, tragedy—a selection of images near the end is devoted to the World Trade Center.” —New York Times Lens Blog “Offer[s] a rare glimpse of colorful city life. . . . Flipping through the book shows that New York City life was never gray” —New York Post “A fantastic collection and the perfect gift book for anyone who loves the city or fine photography.” —Connecticut Post “There’s no shortage of iconic black-and-white New York images. What you may be less familiar with, however, is the city’s rich history of color photography. This history is the subject of curator Bob Shamis’s stunning new coffee-table book, *New York in Color*, which is filled with some two hundred vibrant photos from the past hundred years.” —PureWow.com

New York City Enjoy the Experience - YouColor 2019-09-27

This BIG New York City Coloring Book has 96 pages of original landmark illustrations and traveler information to delight artists, historians, and tourists alike. You heard about it in many movies and songs. New York is one of the most

popular places on Earth. It's also the largest metropolitan area and is home to 21 million people that speak over 200 languages. You can discover this magical city while coloring the art pages of this beautiful book while relaxing through this activity. You will also learn historical and fun facts about different neighborhoods in the city. It has some of the best restaurants, theatres, museums, cultural and park activities and so much more. We reveal some of the best neighborhoods in New York City, such as Greenwich Village, Soho-Tribeca, Upper East Side, Lower Manhattan, and the Financial District. Enjoy coloring and learning about this beautiful and magical city with this acclaimed coloring book from YouColor. Enjoy original art depicting some of New York's celebrated neighborhoods, including; Lower Manhattan and the Financial District This is the oldest part of the city and it is surrounded by many skyscrapers that dwarf the remaining historic sites. Some of the top places that you

can visit here are the 1 World Trade Center or the 9/11 Memorial and Museum. The area is a tourist hotspot as it is filled with hotels, restaurants, and new shops that you can go to. Tribeca and SoHo While their names sound cool and unusual, they are actually acronyms for Triangle Below Canal and South of Houston. They are both former warehouses that have been reborn, and Tribeca is now popular for its film festival, fine dining that attracts the rich and famous, and pricey loft apartments. Greenwich Village This area is home to magnificent 19th-century townhouses where popular writers, artists, and musicians used to live. It's also a hotspot for young people and it features one of the liveliest park spaces in the city, cafes, and hotel options. Upper East Side You are going to find some of the wealthiest residences in the city in this serene area, and it also homes the Museum Mile which includes the Metropolitan Museum of Art. The area also borders two green oases which are Central Park in the west and the

Carl Schurz Park along the East River.
[Prettycitynewyork: The Coloring Book](#) - Siobhan Ferguson 2021-06

Look beyond New York's bustling, iconic landmarks and seek out the hidden gems of the Big Apple. From the artsy enclaves of Greenwich Village to the chic boutiques of Tribeca and the grand museums around Central Park, prettycitynewyork goes in search of pockets of calm in the city that never sleeps. Filled with intricately detailed line drawings, author and Instagram photographer Siobhan Ferguson invites you to add your own color to the streets of New York City. You will find pages and pages of pretty neighborhoods brimming with secluded nooks, artisan cafés, whimsical florists, and wonderful stores. This is your chance to use your imagination and fill in the color of one of the world's most inspiring cities.

New York for Kids - Patricia J. Wynne
2005-06-01

Illustrations of 25 sites of New York City with

appeal to grade-school children, such as the Statue of Liberty and Ellis Island, the ships at South Street Seaport, mummies at the Metropolitan Museum of Art, and dinosaurs at the American Museum of Natural History. Suitable for coloring, with informative captions accompanying each illustration.

New York in Color - Nichole Robertson 2017-06-06

This photographic portrait of New York captures the city as never before, in a vibrant visual tour, color by color. From Staten Island Ferry orange

to taxicab yellow, photographer and writer Nichole Robertson brings New York's quintessential shades into focus, seeking out the city's hiding-in-plain-sight treasures: bananas sold streetside for a dollar, bright red "no parking" signs, stacks of delicious golden brown pretzels, gleaming Art Deco gold archways. Arranged by color, these striking views portray the spirit of the city across every borough. A unique love letter to the iconic metropolis, this celebration of the city will charm locals as well as everyone who loves—or dreams of—visiting the Big Apple.

The Executive Coloring Book - Marcie Hans 2017-03-28

The original adult coloring book! A New York Times bestseller when it was originally published in 1961, The Executive Coloring Book is crashing the adult coloring book party with its subversive humor. "This is me. I am an executive. Executives are important. They go to important offices and do important things. Color my underwear important." So begins the dangerously funny classic, The Executive Coloring Book. Originally published more than fifty years ago, this brief and brilliant coloring book skewers the early sixties executive set. If Mad Men made them look glamorous, The Executive Coloring Book casts them in a different hue and invites everyone in on the joke.
