Four lives converge - and a legend is born... Harry Smith had everything going for him: the first British quarterback in American college football, a star future, and a pretty Texan girl on his arm. But when 'Prince Harry' collides with fate in a near-fatal accident, everything unravels. Paul Smith, Harry's Granddad, has always been supportive. After all, it was his idea to bring Harry to Texas in the first place. But when Harry emerges from his coma with no interest in football, it's up to Paul to bring him back to life. Amy Carrington is a sports reporter in Leeds, England, who'd much rather report on life and fashion. But her boss has a brand new job for her: covering the rise of American football in Britain. This might just skyrocket her career - and change her life. Ben Shannon is a millionaire with one unfulfilled dream - owning an NFL team. Thwarted at every turn, he changes tactics, founding the Leeds Cougars football team and transforming the face of British football. Inspired by Lee Childs and Steve Berry, *Tight Spiral* is a fast-paced novel which combines sports fiction with romance and suspense.

**The Way of All Flesh** - Samuel Butler 2019-12-11T22:48:45Z

The Way of All Flesh is often considered to be Samuel Butler's masterpiece, and is frequently included in many lists of best English-language novels of the 20th century. Despite this acclaim, Butler never published it in his lifetime—perhaps because the novel, a scathing, funny, and poignant satire of Victorian life, would have hit his contemporaries too close to home. The novel traces four generations of the Pontifex family, though the central character is Ernest Pontifex, the third-generation wayward son. The reader follows Ernest through the eyes of his watchful godfather, Mr. Overton, as he strikes out from home to find his way in life. His struggles along the way illustrate the complex relationships between a son and his family, and especially his father; all while satirizing Victorian ideas about family, church, marriage, and schooling. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
