## **Magic and the Power of the Goddess** - Gareth Knight 2008-03-27

A manual of magical and mystical techniques for contacting the Goddess within • Draws from two thousand years of source material to demonstrate the ongoing reality of the feminine power and its relevance for today • Includes rituals, exercises, and techniques for evoking the Goddess • Explains how the dynamics of the sacred or magic circle serve as a guide to living harmoniously In this wide-ranging view of magic and ritual, Gareth Knight demonstrates the presence of the Goddess throughout Western esoteric traditions. From Greek myths and the Mysteries of Isis to the emergence of the cult of the Blessed Virgin and seventeenth-century Rosicrucian spiritual alchemy, he shows how the Goddess--the elemental consciousness of Earth--has revealed herself in different times and places. Honoring her many guises, Knight explores the powers of the Goddess as maiden, mother, initiator, protector, sorceress, and faery queen. Guided meditations on each of these qualities lead the practitioner into direct contact with the potent healing energy of the Divine Feminine. The author also offers rituals, exercises, and other practical tools for integrating the Western magical tradition with worship of the Goddess. He shows how we, and our planet, have suffered due to the repression of the feminine principle. For our own health, and that of our environment as well, we must recognize the power of the Goddess within to reconstitute and guide our existence.

## **Witchcraft for Tomorrow** - Doreen Valiente 2018-01-31

Witchcraft for Tomorrow answers many frequently asked questions about witchcraft including: 'How can I find a witches' coven?' and 'How can I become a witch?' Doreen Valiente tells you what the old religion of witchcraft has to offer the new age of Aquarius; how the age-old Craft of the Wise can be practised in the modern world; how to initiate yourself as a witch and found your own coven. The author, who was the leading figure in the establishment of the modern Wiccan movement, includes a new Book of Shadows (the witches' handbook of rituals and instructions) based upon ancient magical tradition but geared to the age of the future. There are witch songs, spells, incantations and practical advice on how to run a coven and how to acquire your own collection of magical implements; as well as methods of divination and other witch lore. The author shows how the oral traditions of witchcraft throw light not only upon the origins of the present-day witch cult and the activities of the witch leader George Pickingill and his covens, but also upon the mystery of the founding of the famous magical order, the Golden Dawn. Also discussed is the relationship between the witchcraft of Britain and

Europe and the magical belief of the Far East. Do both traditions hark back to the legendary city of Shamballah and to the shamanistic practices of Asia? And why do the secret circles of the witches resemble those of the Tantric sex-magic of India?

## **An ABC of Witchcraft Past and Present** - Doreen Valiente 2018-01-31

This is the only book of its kind on witchcraft that has been written by a practising witch. It is intended to be not merely a history, but a guide to the many strange byways of a vast and fascinating subject. Witchcraft is as old as the human race, and it is actively practised today, by people of all classes. To its devotees, witchcraft is more than spells and charms, or even secret meetings and rituals; it is a philosophy and a way of life. It claims to be the oldest form of religion, that of nature-worship and magic. Since the last Witchcraft Act was repealed in 1951, the revival of public interest in witchcraft has been the subject of continuous controversy. This book is a serious contribution to the study of a subject too long obscured by prejudice and sensationalism.

## **Vyamaanika Shaastra** - Maharishi Bharadwaaja 2017-11-24

Just like the Nazi UFO's, the Vedic flying machines dwell somewhere in the realms between apocryphal technology and the occult. The work 'Vyamaanika Shaastra' has been ascribed to the sage Maharshi Bharadwaja. Maharshi Bharadwaja is known to be a scholar both in science, philosophy, cosmology and warfare. The work on ancient Vedic flying machines was channelled by Pundit Anekal Subbaraya Shastry to a Sanskrit scholar, Sri G Venkatachala Sharma and translated into English by G.R. Josyer. The Vedic flying machines were supposed to be capable of the same flight manoeuvres as Hitlers' flying saucers (VRIL Rundflugscheiben). The 102nd Indian Science Congress, held at the Mumbai University in January 2015, organised a session on "ancient sciences through Sanskrit" in which a presentation on Vaimānika Śāstra was included. It was delivered by Anand J. Bodas, a pilot, and Ameya Jadhav, who holds an M.A. in Sanskrit as well as an M.Tech. degree. Bodas, speaking to the news media, has said that the aeroplanes of Vedic times could fly not only from country to country, but also "from planet to planet." "In those days, aeroplanes were huge in size, and could move left, right, as well as backwards, unlike modern planes which only fly forward," he added. NASA was not amused with this Congress... **The Rebirth of Witchcraft** - Doreen Valiente 2018-01-31

Since 1951, when the last of the Witchcraft Acts was repealed, many books have been written about the reappearance of witchcraft and the development of a pagan theology. Churchmen have denounced it. Sociologists have wondered at it. Journalists have penned sensational stories about it. But until the publication of this book, no one had told the real story of it from the inside as frankly as it is told here. Doreen Valiente, one of witchcraft's most widely known figures, was a close friend of the late Gerald Gardner, generally regarded as the founder of present-day witchcraft. Initiated by him and for a time High Priestess of his coven, Doreen Valiente helped him rewrite his seminal *Book of Shadows*. She records the break with Gardner that split his coven, the controversy surrounding Alex Sanders, 'King of the Witches' and memories of many other witches whom she has known, including the lady called 'Dafo', Robert Cochrane, Leslie Roberts and Sybil Leek. Doreen Valiente took part in many witchcraft rituals and had strange psychic experiences as a result. Described here are the clairvoyant communications she received purporting to come from 'John Brakespeare', an eighteenth-century witch. *The Rebirth of Witchcraft* traces the lineage of the present-day witchcraft from its forerunners through to modern feminist neo-paganism and the new wave of interest in ecology and holistic medicine.

**Modello** - Jack Pransky 2011-02-14

"Modello" is the true story from beginning to end of how Dr. Roger Mills and staff accomplished the "miracle" in the Modello and Homestead Gardens Housing Projects, applying the Three Principles/Health Realization approach based on a new spiritual psychology. Through extensive interviews with residents as well as Dr. Mills, his staff and other professionals, a very compelling and moving portrait is painted of how two low-income, inner-city housing projects replete with violence, crack, drug gangs, abuse, welfare dependency and hopelessness were completely turned around within two-and-a-half years. This book shows how people who lived in the most difficult circumstances were reached, came to find hope and changed their lives. "In all my years in prevention I have never seen this level of change in people " It is a truly inspirational story. The lives of people on whom society has given up were completely turned around. At the same time it is a sociological study. It shows how a new and different inside-out, spiritual paradigm, which on the surface seems too simple and backwards to possibly work in such overwhelming conditions, can produce incredible results and create changes in people's lives that stand head and shoulders above the traditional outside-in paradigm for prevention, human services, social work, community development and education. It has vast implications for improving humanity's social ills. About the Author: Jack Pransky, Ph.D. is founder/director of the Center for Inside-Out Understanding. He authored the books, "Somebody Should Have Told Us : Simple Truths for Living Well, Parenting from the Heart, Prevention from the Inside-Out; Prevention: The Critical Need" and co-authored "Healthy Thinking/ Feeling/Doing from the Inside-Out" prevention curriculum for middle school students. Pransky has worked in the field of prevention since 1968 in a wide variety of capacities and now provides consultation, training, counseling and coaching from the inside-out, throughout the U.S. and internationally. He is also cofounder/director of the nonprofit consulting organization, Prevention Unlimited, which created the Spirituality of Prevention Conference. In 2001 his book, "Modello" received the Martin Luther King Storyteller's Award for the book best exemplifying King's vision of "the beloved community," and in 2004 Jack won the Vermont Prevention Pioneer's Award. *The Kundalini Accident* - Elena Starwater 2019-12-09

The true story of a mystical woman, inspired by the Narrative of Sophia - our Mother who became the Earth. All opposites become reconciled, as hidden secrets are disclosed for personal and collective healing. From Kundalini awakening to the Hopi Prophecy, from Leonardo da Vinci to alien abduction, from the abiogenesis of the Archons to the Magdalene's journey. The book is a visionary memoir rich with discoveries and revelations in the fields of mysticism and heightened consciousness, offering insights to deep questions on topics such as reincarnation, shamanism, ufology, art-history, and prophecy. The narration runs along the Mythos of Sophia, the Goddess from the Galaxy Core who, according to Gnostic texts, first emanated the human genome and then morphed into the Earth Planet that we inhabit. That was a 'mistake' (anomalous), as described in the Gospel of Philip, and so here we are now, currently in the process of Correction, as foreseen by the ancient Telestai (Gnostics of the Mystery Schools). It is truly from the ancient Gnostic texts that we learn how, when the Aeon Sophia 'fell' from the Pleroma, she happened to manifest an aborted species, called the Archons, or 'authorities', who soon began to try and suppress their own involuntary Mother. Some of us are trying to help the 'Trapped Goddess' restore the balance, firstly by becoming aware of our divine origin, along with the existence of the alien predatory race, and secondly by escaping its grip - for the fulfillment of the original Dream that Sophia had for us and for the Earth.

**The Secret Doctrine of the Rosicrucians** - Magus Incognito  
2010-01-01

The Secret Doctrine of the Rosicrucians is one of the many titles attributed to William Walker Atkinson writing under a pseudonym. The book presents the history and background of the Rosicrucians, a mystical brotherhood which uses Christian symbology to communicate otherworldly ideas and meanings. Atkinson, writing as Magnus Incognito, supplies a guide to the beliefs and teachings of the brotherhood, including how to ascend to higher planes, sexual satisfaction as spiritual enlightenment, and the meaning behind auras. Interestingly, much of the Rosicrucians is taken verbatim from another Atkinson work The Arcane Teachings. MAGNUS INCOGNITO is an alias and pen name of American writer WILLIAM WALKER ATKINSON (1862-1932). He only used the pseudonym once, obviously wishing to emphasize the writer's anonymity. Atkinson was editor of the popular magazine New Thought from 1901 to 1905, and editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books under numerous pseudonyms, including "Yogi," some of which are likely still unknown today.
