love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My

The Book with No Pictures - B. J. Novak

2014-09-30

A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLOK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY

BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

**Mama, Do You Love Me?** - Barbara M. Joose  
2017-11-28

Mama, do you love me? Yes I do Dear One. How much? In this universal story, a child tests the

limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The story is made all the more captivating by its unusual Arctic setting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is beautifully complemented by graphically stunning illustrations that are filled with such exciting animals as whales, wolves, puffins, and sled dogs, and a carefully researched glossary provides additional information on Arctic life. This tender and reassuring book is one that both parents and children will turn to again and again.
