**Sweet Sicily** - Alessandro Dammone 2014-09

Sweet, intense, and colorful is how Sicilian pastries will appear to the fortunate eyes seeing them for the first time. Those who have time to get to know them well, however, will also find it sensual, dramatic, and irreverent. Making pastries in Sicily is never a purely gastronomic issue; it may be a declaration of love, social ostentation of personal wealth, or even a way of mocking a defeated enemy. It is a gesture that involves countless intentions, coded and described in stories rooted in the mists of time. This anthology collects some of those stories and the most delicious Sicilian sweets, illustrated by poignant images and accompanied by some personal tips. The scents of childhood and cherished memories are bound together by one certainty: In Sicily, a sweet is never something that is just good to eat. It is a magical microcosm, an ancient tale, a legend that demands to be told.

**I quaderni di Archestrato Calcentero** - Marco Blanco 2017-08-30

I "Quaderni di Archestrato Calcentero" desiderano raccontare alcuni aspetti della cucina siciliana aristocratica e conventuale ma anche del gusto attraverso l'evoluzione di alcune celebri ricette presenti nelle cucine isolate sin dal XVII secolo. Una monografia di carattere storico ma senza alcuna volontà di salire sulla cattedra, con un passo narrativo che pur rimanendo nel solco del rigore scientifico riesca ad incuriosire e a coinvolgere ogni lettore. Decine di ricettari antichi consultati, archivi di Stato e archivi privati diventati formidabili luoghi di scoperte, centinaia di libri d'esito di monasteri, conventi e repertori specialistici sfogliati pazientemente per tracciare un profilo "archeogastronomico" dove l'esuberante gusto siciliano va a braccetto con una metodologia di ricerca onesta e minuziosamente documentata. Un saggio destinato non soltanto agli addetti ai lavori ma a chiunque desideri andare oltre il folclore narrativo e la "tradizione" mai verificata: un piccolo contributo per comprendere in che modo l'umile storia di forni e pentolacce abbia potuto incrociare la grande Storia della terra di Sicilia, quella dei popoli e delle nazioni.

*The Dublin King* - John Ashdown-Hill 2015-01-05

A year after Richard III's death, a boy claiming to be a Yorkist prince appeared as if from nowhere, claiming to be Richard III's heir and the rightful King of England. In 1487, in a unique ceremony, this boy was crowned in Dublin Cathedral, despite the Tudor government insisting that his real name was Lambert Simnel and that he was a mere pretender to the throne. Now, in *The Dublin King*, author and historian John Ashdown-Hill questions that official view. Using new discoveries,

little-known evidence and insight, he seeks the truth behind the 500-year-old story of the boy-king crowned in Dublin. He also presents a link between Lambert Simnel's story and that of George, Duke of Clarence, the brother of Richard III. On the way, the book sheds new light on the fate of the 'Princes in the Tower', before raising the possibility of using DNA to clarify the identity of key characters in the story and their relationships.

**Salt is Essential** - Shaun Hill 2018-08-23

Food needs salt. The quantity is a matter of personal taste but some presence is essential and little is more disappointing from the eating perspective than a plate of food that looks fabulous and tastes of very little. It shows the cook's priorities are all wrong, that too much television cookery has been watched and not enough tasting and enjoyment indulged in.' So says Shaun Hill, who in this engaging exploration of his 50 years as a chef, brings his wealth of experience to the table, sharing what he has learnt so that the home cook can create truly remarkable dishes. Never one to shy away from controversy, he covers everything from why local and seasonal are not necessarily indicators of quality, to why soy beans are best left for cattle feed and Budapest is paradise for the greedy. The recipes range from Warm Rock Oysters with Spring Onion Butter Sauce to Pork in Shirtsleeves and Buttermilk Pudding with Cardamom. And although his commentary is undeniably witty, it's Shaun's knowledge and expert guidance that makes this book an invaluable tome for anyone who takes their food (but not themselves) seriously. 'This is a book you need to own; a lifetime's hard work in the kitchen distilled into sensible brevity. Shaun is a friend and a great cook.' Rick Stein

*Economy of the Unlost* - Anne Carson 2009-04-11

The ancient Greek lyric poet Simonides of Keos was the first poet in the Western tradition to take money for poetic composition. From this starting point, Anne Carson launches an exploration, poetic in its own right, of the idea of poetic economy. She offers a reading of certain of Simonides' texts and aligns these with writings of the modern Romanian poet Paul Celan, a Jew and survivor of the Holocaust, whose "economies" of language are notorious. Asking such questions as, What is lost when words are wasted? and Who profits when words are saved? Carson reveals the two poets' striking commonalities. In Carson's view Simonides and Celan share a similar mentality or disposition toward the world, language and the work of the poet. *Economy of the Unlost* begins by showing how each of the two poets stands in a state of alienation between two worlds. In Simonides' case, the gift economy of fifth-century b.c. Greece was giving way to one based on money and commodities, while Celan's life spanned pre- and post-Holocaust worlds, and he himself, writing in German, became estranged from his native language. Carson goes on to consider various aspects of the two poets' techniques for coming to grips with the invisible through the visible world. A focus on the genre of the epitaph grants insights into the kinds of exchange the poets envision between the living and the dead. Assessing the impact on Simonidean composition of the material fact of inscription on stone, Carson suggests that a need for brevity influenced the exactitude and clarity of Simonides' style, and proposes a comparison with Celan's interest in the "negative design" of printmaking: both poets, though in different ways, employ a kind of negative image making, cutting away all that is superfluous. This book's juxtaposition of the two poets illuminates their differences--Simonides' fundamental faith in the power of the word, Celan's ultimate despair--as well as their similarities; it provides fertile ground for the virtuosic interplay of Carson's scholarship and her poetic sensibility.

**Sadhana** - Anthony De Mello 1984-09-01

Christian Exercises in Eastern Form Truly a one-of-a-kind, how-to-do-it book, this small volume responds to a very real hunger for self-awareness and holistic living. It consists of a series of spiritual exercises for entering the contemplative state -- blending psychology, spiritual therapy, and practices from both Eastern and Western traditions. Anthony de Mello offers here an unparalleled approach to inner peace that brings the whole person to prayer -- body and soul, heart and mind, memory and imagination. In forty-seven exercises that teach things such as awareness of physical sensations, stillness, healing of hurtful memories, and consciousness of self and world, de Mello succeeds in helping all who have ever experienced prayer as difficult, dull, or frustrating. The essential key, he notes, is to journey beyond mere thought-forms and discover satisfying new depths in prayer from the heart. This allows for a greater sense of awareness amid silence, and disposes the one who prays to untold riches, spiritual fulfillment, and ultimately, a mystical experience of God-centeredness. Drawing on Scripture, as well as insights from Eastern and Western spiritual masters, the author has a unique appeal that transcends time, culture, and religious background. For many years a bestseller in the English language, *Sadhana* has now been translated into more than two dozen foreign languages. Readers the world over have eagerly received this sincere spiritual leader, who has led many toward the wealth of insight and spirit that dwells within them.
