My Tiny Atlas - Emily Nathan 2019-03-26

A wanderlust-inspiring and transporting collection of photos from some of the world's most astounding places, organized thematically—vistas, sunrises and sunsets, city streets and urban life, tropical jungles,

dramatic architectural facades, food stalls and restaurants, and more—from the premier online curator of travel photography. As much an armchair travel companion as a guide to planning your next trip, My Tiny Atlas contains more than 200 lush, surprising, and stunning photos, along with stories about far-flung locales and tips for experiencing a new location like a local. From Tiny Atlas Quarterly—one of the most trusted sources for authentic, unusual, and inspiring travel photography—this book takes you to every continent and all corners of the world, from Paris, San Francisco, London, and Buenos Aires to the Arctic Circle, Tanzania, Tahiti, and Mongolia. My Tiny Atlas visually explores new destinations with an intimate, insider's view—not of the usual monuments and tourist attractions, but of the real people, mouth-watering food, verdant flora, bustling streets, wild animals, epic views, lazy rivers, architectural gems, and other details that make you feel what it's like to truly be in another place, whether or not you ever leave home.

Barbarian Days - William Finnegan 2016-04-26

****Winner of the 2016 Pulitzer Prize for Autobiography**** Included in President Obama's 2016 Summer Reading List "Without a doubt, the finest surf book I've ever read . . ." —The New York Times Magazine *Barbarian Days* is William Finnegan's memoir of an obsession, a complex enchantment. Surfing only looks like a sport. To initiate, it is something else: a beautiful addiction, a demanding course of study, a morally dangerous pastime, a way of life. Raised in California and Hawaii, Finnegan started surfing as a child. He has chased waves all over the world, wandering for years through the South Pacific, Australia, Asia, Africa. A bookish boy, and then an excessively adventurous young man, he went on to become a distinguished writer and war reporter. *Barbarian Days* takes us deep into unfamiliar worlds, some of them right under our noses—off the coasts of New York and San Francisco. It immerses the reader in the edgy camaraderie of close male friendships forged in challenging waves. Finnegan shares stories of life in a whites-only gang in a tough school in Honolulu. He shows us a world turned upside down for kids and adults alike by the social upheavals of the 1960s. He details the intricacies of famous waves and his own apprenticeships to them.

Youthful folly—he drops LSD while riding huge Honolua Bay, on Maui—is served up with rueful humor. As Finnegan's travels take him ever farther afield, he discovers the picturesque simplicity of a Samoan fishing village, dissects the sexual politics of Tongan interactions with Americans and Japanese, and navigates the Indonesian black market while nearly succumbing to malaria. Throughout, he surfs, carrying readers with him on rides of harrowing, unprecedented lucidity. *Barbarian Days* is an old-school adventure story, an intellectual autobiography, a social history, a literary road movie, and an extraordinary exploration of the gradual mastering of an exacting, little-understood art.

The Last Voyage of Captain Cook - John Ledyard 2005

The Last Voyage Of Captain Cook Meet John Ledyard, perhaps the greatest little-known explorer in American history. Ledyard (1751-1789) sailed with Capt. James Cook, formed a fur trading company with John Paul Jones, and dreamed, with Thomas Jefferson, of walking across United States 20 years before Lewis and Clark set off on their famous expedition. Ledyard's journals, letters, and one published book, collected for the first time in one volume, showcase the uncontainable wanderlust of a unique American spirit. A Journal of Captain's Cook Last Voyage is the only account of Cook's third voyage to be published by an American. It is a vivid record of life aboard the first ship to sail to the Hawaiian islands and Cook's violent death on Hawaiian beach. Ledyard's Siberian journals recount a harrowing journey through Russia under the rule of Catherine the Great, while his diary from Alexandria and Cairo provides a brilliant and rare account of Egypt before Napoleon's invasion. Finally, Ledyard's correspondence sheds light on pre-revolutionary Paris and on his friendships with the Marquis de Lafayette, Benjamin Franklin, and Sir Joseph Banks. In his short life, John Ledyard traveled farther than any American had before. His writings are an invitation to savor the romance of exploration and the wonder of discovery.

Waking the Sleeping Giant - Jake Kheel 2021-04-06

Within every company, there lies a sleeping giant. Companies have long been viewed as either the primary cause of environmental destruction, or

as a deep-pocketed funding source for people trying to confront it. But with their access to innovation, new technology, and intellectual firepower, most companies are built to tackle the challenges our planet faces in a way smaller organizations and foundations can't. What would happen if executives stopped looking at sustainability as a side project for the PR team and saw it instead as a way to benefit the planet and their profits? The giant would be awakened-and the world would never be the same. Jake Kheel wrote *Waking the Sleeping Giant* to help unlock your company's hidden power to save the planet. He offers an action-driven, common sense approach to sustainability supported by real-life examples from his work in the Dominican Republic that demonstrate how companies can become a potent force for sustainability. This book offers up tangible ways everyone-from executives to employees-can make a difference and demonstrate the value of sustainability beyond the bottom line.

Blue Latitudes - Tony Horwitz 2003-08-01

In an exhilarating tale of historic adventure, the Pulitzer Prize-winning author of *Confederates in the Attic* retraces the voyages of Captain James Cook, the Yorkshire farm boy who drew the map of the modern world. Captain James Cook's three epic journeys in the 18th century were the last great voyages of discovery. His ships sailed 150,000 miles, from the Arctic to the Antarctic, from Tasmania to Oregon, from Easter Island to Siberia. When Cook set off for the Pacific in 1768, a third of the globe remained blank. By the time he died in Hawaii in 1779, the map of the world was substantially complete. Tony Horwitz vividly recounts Cook's voyages and the exotic scenes the captain encountered: tropical orgies, taboo rituals, cannibal feasts, human sacrifice. He also relives Cook's adventures by following in the captain's wake to places such as Tahiti, Savage Island, and the Great Barrier Reef to discover Cook's embattled legacy in the present day. Signing on as a working crewman aboard a replica of Cook's vessel, Horwitz experiences the thrill and terror of sailing a tall ship. He also explores Cook the man: an impoverished farmboy who broke through the barriers of his class and time to become the greatest navigator in British history. By turns harrowing and hilarious, insightful and entertaining, *BLUE LATITUDES* brings to life a man whose voyages helped create the 'global village' we know today.

American Traveler - James Zug 2009-03-06

Called a "man of genius" by his close friend Thomas Jefferson, John Ledyard lived, by any standard, a remarkable life. In his thirty-eight

years, he accompanied Captain Cook on his last voyage; befriended Jefferson, Lafayette, and Tom Paine in Paris; was the first American citizen to see Alaska, Hawaii, and the west coast of America; and set out to find the source of the Niger by traveling from Cairo across the Sahara. His greatest dream, concocted with Jefferson, was to travel alone around the world and cross the American continent from the Pacific Northwest to the Atlantic. Catherine the Great dashed that dream when she had him arrested in deepest Siberia and escorted back to the Polish border. Ledyard wrote the definitive account of Cook's last voyage and his death at the hands of Hawaiian islanders, and formed a company with John Paul Jones that launched the American fur trade in the Pacific Northwest. Before the Revolution, Americans by and large didn't travel great distances, rarely venturing west of the Appalachians. Ledyard, with his boundless enthusiasm and wide-ranging intellect, changed all that. In lively prose, journalist James Zug tells the riveting story of this immensely influential character - a Ben Franklin with wanderlust - a uniquely American pioneer.

Island of Sweet Pies and Soldiers - Sara Ackerman 2018-02-13
"A close-up look at how wartime chaos affects a tight-knit group of women living on Hawaii in 1944 at the height of Pacific combat.... [Violet's] journey overcoming her trials and grief through friendship, family, and romance is a story of strength and perseverance."—Booklist
Violet Iverson and her young daughter, Ella, are piecing their lives together after the disappearance of her husband. As rumors swirl and questions about his loyalties surface, Violet believes Ella knows something. But Ella is stubbornly silent. Something—or someone—has scared her. With the island overrun by troops training for a secret mission, tension and suspicion between neighbors is rising. To get through the difficult days, Violet bands together with her close friends and they open a pie stand near the military base, offering the soldiers a little homemade comfort. Try as she might, Violet can't ignore her attraction to the brash marine who comes to her aid when the women are accused of spying. Desperate to discover the truth behind what happened to her husband, while keeping her friends and daughter safe,

Violet is torn by guilt, fear and longing as she faces losing everything. Again. "A bittersweet story of cinematic proportions."—BookPage

Wanderlust - Danielle Steel 2009-02-25

Wanderlust is the story of Audrey Driscoll. Orphaned young, Audrey has grown up caring for her eccentric millionaire grandfather and her demanding younger sister, Annabelle, who assume she will always be there for them. Sheltered yet restless, responsible beyond her years yet hungering for experience, Audrey is hopelessly bound until she herself makes the daring decision to leave. As the 1930s unfold, alone, camera in hand, she will shock friends and outrage family as she plunges headlong into the wider world. Crossing the Atlantic aboard the luxurious Queen Mary, Audrey meets James and Violet Hawthorne, who will draw her into a sophisticated circle of artists and expatriates. And it is they who will introduce her to Charles Parker-Scott, in who Audrey will come to recognize a twin soul, a man propelled by relentless curiosity and driven by conflicting needs for intimacy and independence. Together they will spend an exquisite summer at Cap d'Antibes, then board the Orient Express on an adventure that will carry them to a remote outpost in

China. But at the farthest reaches of this journey Audrey must choose again. Japan has attacked China. Charles knows he must return to Europe at once. But Audrey becomes involved with a besieged orphanage and decides to remain in China without Charles, caring for the abandoned children until help arrives. In time Audrey will return to America with a daughter of her own. While she must come home to San Francisco to confront a world irrevocably changed by time, she finds she cannot stay. From prewar Germany to London during the Blitz, from a wrenching reunion with Charles to a war zone in North Africa, again and again she must choose between the dictates of her conscience and the yearnings of her heart. For Audrey Driscoll and the men and women whose lives touch hers, wanderlust is the inescapable element. Born at a time when women were expected to stay close to home and fulfill traditional roles, Audrey is compelled to follow the thread of events that will destroy the complacency of the past and shape the future. From Europe to China, from San Francisco to North Africa, she is irresistibly drawn into a man's world of conflict, discovery, and danger. In a vivid novel of breathtaking scope, Danielle Steel has once again surpassed herself in creating an unforgettable tale of men and women caught in the tides of personal drama and historic event. Wanderlust is Danielle Steel's finest journey.

Mad Travelers - Dave Seminara 2021-06-01

At twenty-three, William Simon Baekeland was well on his way to becoming the world's best traveled person. The "billionaire" heir to a great plastics fortune had already visited 163 countries, but his real passion was finding ways to visit the world's most challenging destinations—war torn cities, disputed territories, and remote or officially off-limits islands at the margins of the map. He earned rock-star status in the world of extreme travel by finding ingenious ways to bring the world's most widely traveled people to difficult-to-reach and forbidden places. But when his story began to unravel, an eccentric group of hyper-well-traveled country collectors were left wondering how they had allowed their obsession to blind them to the warning signs that William Baekeland wasn't who they thought he was. Mad Travelers: A

Tale of Wanderlust, Greed and the Quest to Reach the Ends of the Earth delves deep inside the subculture of country collecting, taking readers to danger zones like Mogadishu and geographical oddities like Norway's nearly impossible-to-reach Bouvet Island. Along the way, this raucous tale of adventure and international intrigue illuminates the perils and pleasures of wanderlust while examining a fundamental question: why are some people compelled to travel, while others are content to stay home? Mad Travelers is a perceptive and at times hilarious account of how the pursuit of everywhere put the world's greatest travelers at the mercy of a brilliant young con man. Soon to be an HBO documentary.

Mediterranean Summer - David Shalleck 2008-06-10

An alluring, evocative summer voyage on the Mediterranean and into the enchanting seaside towns of France and Italy by a young American chef aboard an Italian billionaire couple's spectacular sailing yacht. Having begun his cooking career in some of New York's and San Francisco's

best restaurants, David Shalleck undertakes a European culinary adventure, a quest to discover what it really means to be a chef through a series of demanding internships in Provence and throughout Italy. After four years, as he debates whether it is finally time to return stateside and pursue something more permanent, he stumbles upon a rare opportunity: to become the chef on board *Serenity*, the classic sailing yacht owned by one of Italy's most prominent couples. They present Shalleck with the ultimate challenge: to prepare all the meals for them and their guests for the summer, with no repeats, comprised exclusively of local ingredients that reflect the flavors of each port, presented flawlessly to the couple's uncompromising taste—all from the confines of the yacht's small galley while at sea. Shalleck invites readers to experience both place and food on *Serenity's* five-month journey. He prepares the simple classics of Provençal cooking in the French Riviera, forages for delicate *frutti di mare* in Liguria to make crudo, finds the freshest fish along the Tuscan coast for *cacciucco*, embraces the season of sun-drenched tomatoes for *acqua pazza* in the Amalfi Coast, and crosses the Bay of Naples to serve decadent dark chocolate-almond cake at the Isle of Capri. Shalleck captures the distinctive sights, sounds, and unique character of each port, the work hard/play hard life of being a crew member, and the challenges of producing world-class cuisine for the stylish and demanding owners and their guests. An intimate view of the most exclusive of worlds, *Mediterranean Summer* offers readers a new perspective on breathtaking places, a memorable portrait of old world elegance and life at sea, as well as recipes and tips to re-create the delectable food.

Alison's *Adventures* gives readers the chance to explore our weird world alongside one of the most interesting and inspiring adventurers of our day!

Overtourism - Martha Honey 2021-05-27

COVID-19 put a temporary stop to the crisis of overtourism. Yet there is no question that travel will resume; the only question is, when it does, what will it look like? *Overtourism: Lessons for a Better Future* charts a path toward tourism that is truly sustainable, focusing on the triple bottom line of people, planet, and prosperity. This practical book examines the causes and effects of overtourism before turning to emerging management strategies. Visitor education, traffic planning, and redirection to lesser known sites are among the measures that can protect the economic benefit of tourism without overwhelming local communities. As tourism revives around the world, these innovations will guide government agencies, parks officials, site managers, civic groups, environmental NGOs, tourism operators, and others with a stake in protecting our most iconic places.

Tourism and the Less Developed World - David Harrison 2001-01-01

Many less developed countries are expanding their tourism industries and these are seen to be crucial to their economic development. Yet such activities can also create social, cultural and environmental problems. This book provides a review of many of the key issues involved in tourism in developing countries and presents a range of case studies. These are interpreted from a perspective of the sociology and anthropology of development. Case study chapters are presented from Africa, Asia, the Caribbean, Latin America and Oceania. The book provides essential reading for advanced students and researchers in tourism and development studies.

Atlas Obscura - Joshua Foer 2016-09-20

It's time to get off the beaten path. Inspiring equal parts wonder and wanderlust, Atlas Obscura celebrates over 700 of the strangest and most curious places in the world. Talk about a bucket list: here are natural wonders—the dazzling glowworm caves in New Zealand, or a baobab tree in South Africa that's so large it has a pub inside where 15 people can drink comfortably. Architectural marvels, including the M.C. Escher-like stepwells in India. Mind-boggling events, like the Baby Jumping Festival in Spain, where men dressed as devils literally vault over rows of squirming infants. Not to mention the Great Stalacpipe Organ in Virginia, Turkmenistan's 40-year hole of fire called the Gates of Hell, a graveyard for decommissioned ships on the coast of Bangladesh, eccentric bone museums in Italy, or a weather-forecasting invention that was powered by leeches, still on display in Devon, England. Created by Joshua Foer, Dylan Thuras and Ella Morton, ATLAS OBSCURA revels in the weird, the unexpected, the overlooked, the hidden and the mysterious. Every page expands our sense of how strange and marvelous the world really is. And with its compelling descriptions, hundreds of photographs, surprising charts, maps for every region of the world, it is a book to enter anywhere, and will be as appealing to the armchair traveler as the die-hard adventurer. Anyone can be a tourist. ATLAS OBSCURA is for the explorer.

Sweetness and Blood - Michael Scott Moore 2011-05-26

How did an obscure tribal sport from precolonial Hawaii—one that was nearly eliminated by Christian missionaries—jump oceans to California and Australia? And how did it become such a worldwide passion, even in places where the surf may be excellent but the society is highly conservative or superstitious about the sea? In *Sweetness and Blood*—a brilliantly written travel adventure—journalist (and surfer) Michael Scott Moore visits unlikely surfing destinations—Israel and the Gaza Strip, West Africa, Great Britain, Germany, Indonesia, Japan, Cuba, and Morocco—to find out. Whether he is connecting eccentric surf legend Doc Paskowitz to the Arab-Israeli conflict, trying to deconstruct the terrorist bombing in a nightclub in Bali, or being chased by the German police while surfing a river break in Berlin, Moore masterfully weaves together politics, culture, history, and surfing to create a book like no other.
