Childhood History Journal - Promptly Journals 2018-07-11

From Pea to Pumpkin - Geralyn Broder Murray 2013-03-05
Showcasing a baby-to-be's growth with delightful watercolors of like-size fruits and veggies My little pea. My little sweet potato. My little pumpkin. Before a mom-to-be has even met her baby, she has an idea of the size and shape of the life growing within. This charming journal helps express that idea with gorgeous watercolor illustrations and helps preserve the memories with easy, breezy fill-in prompts. With the perfect touch of whimsy and personality, this keepsake journal helps capture those few months of pregnancy—moments full of promise—that are worth cherishing forever. The journal also includes a ribbon bookmark for easy place-keeping.

My Pregnancy Journal - Ryland Peters & Small 2003

"My Pregnancy Journal" is as much a practical record as a personal journal, so there are also pages to record important contact details, hospital visits and antenatal classes, plus lots of pointers on preparing for the new arrival, from healthy eating to decorating the nursery. Spiral-bound format for easy use.

Growing You - Korie Herold 2020-03-17

Your pregnancy story is a special one. Document your most precious moments from this season of life in this elegant keepsake journal and memory book. Growing You is a place to celebrate and chronicle your pregnancy journey, reflecting on the growth, anticipation, and memories that you want to hold onto as a mother. This heirloom-quality book, created by the author of the popular baby book *As You Grow*, is designed with a timeless look and archival paper so that you can one day pass it along to your child. Growing You includes: Space to journal your feelings and experiences about pregnancy and your birth story A section to document your prenatal appointments and growth Writing prompts to record precious milestones such as baby showers and prepping your nursery Pages to document your baby's birth day Pocket folder for sonogram photos, letters from loved ones, and other mementos And more! Special Features: Chic, gender-neutral design Elegant linen cover Acid-free and archival paper Generous trim size offers ample space for photos Lay-flat design created by a beautiful gold spiral binding allows you to easily write in the book

Bump to Birthday, Pregnancy & First Year Journal - Helen Stephens 2012-03

Bump to Birthday - a beautifully designed, colour illustrated, combined pregnancy and first year baby journal - will inspire any parent-to-be to capture the unique story of the journey of pregnancy and baby's precious first year.

Forensic Pathology - David Dolinak 2005-04-08

Forensic Pathology is a comprehensive reference that uses a case-oriented format to address, explain and guide the reader through the varied topics encountered by forensic pathologists. Developed in response to a severe void in the literature, the book addresses topics ranging from medicolegal investigation of death to death scene investigation, forensic autopsy, and artifacts of resuscitation as well as complications of medical therapy, forensic osteology, forensic odontology, forensic photography, and death certification. The book includes various types of cases, including sudden natural death, asphyxia, motor vehicle collisions, death in custody, child abuse and elder abuse, acute psychiatric and emotional deaths, and pregnancy. It contains sample descriptions of pathological lesions which serve to aid pathologists in reporting their findings to law enforcement agencies, attorneys, and others involved in investigations of sudden death. The concepts outlined in the text are beautifully illustrated by large, colorful photographs. There are also "Do and Don't" sections at the end of each chapter that provide guidance for handling the types of cases examined. This work will benefit not only experienced forensic pathologists, but also hospital pathologists who occasionally performs medicolegal

autopsies; doctors in training; medical examiners; law enforcement personnel; crime scene investigators; attorneys; and fellows and students of the medical sciences. Large, colorful photographs which beautifully illustrate the concepts outlined in the text. Sample descriptions of pathological lesions which serve to aid pathologists in reporting their findings to law enforcement agencies, attorneys, and others involved in investigations of sudden death. 'Do and Don't' sections at the end of each chapter which provide guidance for handling the types of cases examined within preceding sections.

The Mommy Journal - Tracy Broy 2002-09-02

Ask any mother and she will tell you there are just not enough hours in the day. By the time she has fed, clothed, and bathed the children, read Curious George for the 100th time, cut the crusts off the PB&J sandwiches, and removed the ground-in dirt from the play clothes, she does not have time to create a detailed scrapbook of each of her children's lives. It's no wonder that so many elaborate baby books remain incomplete, their pristine pages adding to the guilt and inadequacy that many moms already feel. That is why The Mommy Journal is so perfect for today's moms. It offers a quick and guilt-free way to record the special moments of childhood. Space for each entry is only about three inches long and undated, so there is no pressure to write lengthy narratives or to journal every day. In less than five minutes, mothers can quickly jot down the moments they want to remember forever. Plus, unlike traditional baby books, The Mommy Journal lets mothers record memories of all their children in one place. Charming illustrations of toys, hearts, and animals grace each page. Every few pages contain a bit of parenting wisdom such as, "The best thing you can give children next to good habits are good memories." Instructions for fun activities moms can do with their children, such as make edible finger paint from instant pudding, are included as well. The Mommy Journal will become a treasured keepsake, both for the mom who creates it and for the child who receives this precious record of childhood.

The Diary - Batsheva Ben-Amos 2020-03-10

The diary as a genre is found in all literate societies, and these autobiographical accounts are written by persons of all ranks and positions. The Diary offers an exploration of the form in its social, historical, and cultural-literary contexts with its own distinctive features, poetics, and rhetoric. The contributors to this volume examine theories and interpretations relating to writing and studying diaries; the formation of diary canons in the United Kingdom, France, United States, and Brazil; and the ways in which handwritten diaries are transformed through processes of publication and digitization. The authors also explore different diary formats, including the travel diary, the private diary, conflict diaries written during periods of crisis, and the diaries of the digital era, such as blogs. The Diary offers a comprehensive overview of the genre, synthesizing decades of interdisciplinary study to enrich our understanding of, research about, and engagement with the diary as literary form and historical documentation.

My Pregnancy Journal - Riga Forbes 2021-08-24

Record and remember your unique pregnancy journey with My Pregnancy Journal.

Society and Medicine - Judith P. Swazey 2017-12-02

"The essays in this volume pay tribute to the achievements of René C. Fox in the fields of medicine and sociology. Many of the contributors are Fox's colleagues and former students from medicine, sociology, nursing, and bioethics. The title--Society and Medicine--reflects the leitmotif in Fox's work: her studies of and teaching about the nature of medicine and medical research; the training and work of their practitioners; the interrelationships between medicine and the societies and cultures of which it is a part; and, above all, the moral and spiritual dimensions of the healing arts."

Pregnancy Journal - Paula Spencer Scott 2012-07-01

A Week-by-Week Guide to a Happy Pregnancy by Paula Spencer Scott.

First-Time Dad Journal: Monthly Prompts and To-DOS for Pregnancy and Beyond - Andrew Shaw 2021-09-07

Baby's on the way. Is Dad ready? First-time dads can feel like they're waiting forever for their baby to arrive, so why not help them use that time to reflect on all their big feelings (and bigger questions) about fatherhood? This guided journal helps them explore and record their thoughts as the big day approaches, while also providing the tools needed to support their partner and take the first steps into fatherhood. This dad journal features: Monthly check-ins--From the first trimester to the first months of baby's life, this combo guide and journal keeps dads up-to-date on what's happening with their partner and baby. Fatherhood prep--Insightful journal prompts and practical exercises help dads work through their thoughts and plan ahead. Memories to treasure--Encourage dads to create a keepsake that captures this incredible and irreplaceable time in their life. Help dads prepare mentally, physically, and emotionally for the arrival of their child with the First-Time Dad Journal.

Become the Fire - Elisa A. Schmitz 2022-10-11

TURN OBSTACLES INTO FUEL FOR FULFILLMENT AND SUCCESS

What does it mean to become the fire? It means not allowing yourself to be in the fire of life's challenges, getting burned, but instead using the fire to ignite your motivation and drive, passion and grit. It means not focusing on what you don't have or can't do, but instead leveraging what you do have and can do. It means using your differences to your advantage and seeing life's chaos as fuel to propel your success. Using her own story of entrepreneurial success as well as interviews with ten diverse and successful women, Elisa Schmitz presents ten actionable lessons for putting your personal power to work, with unstoppable results.

List of Journals Indexed in Index Medicus - National Library of Medicine (U.S.) 2004

Issues for 1977-1979 include also Special List journals being indexed in cooperation with other institutions. Citations from these journals appear in other MEDLARS bibliographies and in MEDLING, but not in Index medicus.

Grandma Pregnancy Journal: - Faye Miller 2019-03-24

PERFECT PREGNANCY ANNOUNCEMENT GIFT for a soon-to-be new grandma or grandmother - This 6" X 9" grandma pregnancy journal makes the perfect fun gift during pregnancy. It allows grandma to get even more excited about and be involved before the birth of her new grandchild. It can also make a great Christmas or birthday gift, or even a pregnancy announcement or gift after the new baby's birth! This memory journal makes a great heirloom keepsake for the new baby to have in the future, once grandma has completed it. GUIDED PROMPTS IN THE JOURNAL - This grandmother pregnancy journal allows the child to get to know his/her grandmother. It contains journal prompts to give grandma ideas of things to write about herself and her life and her thoughts for her new baby girl or boy grandchild. For example, some prompts include "What is your best advice for your new grandchild?", "Things grandma did as a kid," "What are your hopes and dreams for your grandchild?", "Where did grandma grow up?" "Grandma's memory of the day you were born," and many more. PERSONALIZED AND INTERACTIVE - The lined pages provide you with room to write your answers to the guided prompts, which are included in the journal. There are also a few pages near the back of the book that you can personalize with your own questions. If you want, you can even paste a few photos in the book throughout. The cute gender neutral cover comes in a matte finish. QUALITY - There are 120 pages (60 sheets) in this journal. The pages are made with high-quality white paper that provides good absorbency so you can feel confident using pens or gel pens without bleed-through.

My Pregnancy from Bump to Baby and Everything in Between - Publications International 2012-12-10

Parenting: Guide to Pregnancy and Childbirth - Paula Spencer 2013-03-27
