Just So Stories for Little Children is a 1902 collection of origin stories by the British author Rudyard Kipling. Considered a classic of children's literature, the book is among Kipling's best known works. Just So Stories is a collection of Rudyard Kipling's animal tales in which we learn about 'How the Whale got his Throat', 'How the Camel got his Hump', 'How the Rhinoceros got his Skin', 'How the Leopard got his Spots', 'The Elephant's Child', 'The Sing-Song of Old Man Kangaroo', 'The Beginning of the Armadilloes', ' ... When the whale ate all the fish, the little sly fish described to him all the charm of a human snack and told where to find it, but warned that the man is a restless creature. The whale swallowed the sailor along with his raft and suspenders. In the whale's stomach, the sailor began to run, jump, and generally behave very actively, so that the whale felt unwell. When he asked his prey to get out of his stomach, the sailor promised to think about it if the whale took him home to the white cliffs of Albion. Before going home, the guy inserted a whale into the throat with a grill made of raft boards and suspenders, so that he could only eat very, very small fish. And the sly fish swam away and hid in the mud, under the threshold of the equator, because she was afraid that the whale would get angry with her.

are. This collection includes the story of how the lazy camel found himself with a hump and how the insatiable curiosity of the elephant earned him his long trunk. It reveals how the whale was given a throat, and why every rhinoceros has great folds in his skin and a very bad temper. We also find out about the cunning cat that walked by itself, and how clever little Taffy and her Daddy Tegumai made the first alphabet. Rudyard Kipling first entertained his own children with these delightful, warm, and humorous stories, which he later wrote down for publication in 1902. Stories and Poems - Rudyard Kipling 2015-10-08

'Hear and attend and listen...' Rudyard Kipling is a supreme master of the short story in English and a poet of brilliant gifts. His energy and inventiveness poured themselves into every kind of tale, from the bleakest of fables to the richest of comedies, and he illuminated every aspect of human behaviour, of which he was a fascinated (and sometimes appalled) observer. This generous selection of stories and poems, first published in the acclaimed Oxford Authors series, covers the full range of Kipling's career from the youthful volumes that brought him fame as the chronicler of British India, to the bittersweet fruits of age and bereavement in the aftermath of the First World War. It includes stories such as 'The Man who would be King', 'Mrs Bathurst', and 'Mary Postgate', and poems from Barrack-Room Ballads and other collections. In his introduction and notes Daniel Karlin addresses the controversial political engagement of Kipling's art, and the sources of its imaginative power.

Writings on Writing - Rudyard Kipling 1996-07-26

Unlike his contemporaries Virginia Woolf and Henry James, Kipling always denied he was a critic. But his letters, speeches, and stories are full of comments on writing and writers. This collection, including many formerly unpublished private letters and papers, details Kipling's response to the commercialisation of literature and the emerging role of the writer as celebrity in the turbulent literary world of the 1890s and beyond. They reveal a mind intensely concerned with questions of literary value, with language and imagination, with truth, realism, and romanticism. Kipling's fame made him a significant spokesperson for important segments of the reading public - the soldiers, engineers, and functionaries central to Britain's imperial expansion. He profoundly influenced English literary language and our perception of English national character. This book offers access to the private and public history of a writer whose continuing influence is still a matter of fierce controversy.
