In Between Stage and Screen Egil Törnqvist examines formal and thematical correspondences and differences between a number of Bergman's stage, screen, and radio productions. In the prologue Bergman's spiritual and aesthetic heritage and his position in the twentieth century media landscape is outlined.

In the epilogue the question is answered to what extent one can speak of Bergman's directorial 'method' irrespective of the chosen medium.

Viktoria Binschtok: Connection - 2022-04-04
Viktoria Binschtok's photographic works are physical echoes of the image flows produced by our digitally connected world. Her works become part of the larger net that Binschtok consciously casts over divergent visualities dissecting the vastness of our daily digital image production. The precise layering of her large-scale photo-objects generates visual connections with both subtle and apparent references to current realities-immaterial concepts which thus take on a physical shape in new contexts of meaning, creating feedback loops between online and offline. The book opens with *Three People on the Phone*, an early series Binschtok

photographed on the streets of Tokyo in 2004, visualizing how the absorbed presence of the people immersed in a dialogue with their devices connects the physical space of the city with the channels of the new, digital world-an interaction that is constantly reiterated in Binschtok's work. Moscow-born artist VIKTORIA BINSCHTOK (*1972) studied Photography and Media Arts at the Academy of Visual Arts Leipzig. Today, she lives and works in Berlin. In addition to institutional solo exhibitions at the Museum Folkwang Essen, C/O Berlin, and Kunstmuseum Bonn, she has participated in numerous international group exhibitions.

Hermine: An Empress in Exile - Moniek Bloks
2020-12-11

Hermine Reuss of Greiz is perhaps better known as the second wife of the Kaiser (Emperor

Wilhelm II of Germany) whom she married shortly after the death of his first wife Auguste Viktoria and while he was in exile in the Netherlands. She was by then a widow herself with young children. She was known to be ambitious about wanting to return to power, and her husband insisted on her being called 'Empress'. To achieve her goal, she turned to the most powerful man in Germany at the time, Adolf Hitler. Unfortunately, her dream was not realised as Hitler refused to restore the monarchy and with the death of Wilhelm in 1941, Hermine was forced to return to her first husband's lands. She was arrested shortly after the end of the Second World War and would die under mysterious circumstances while under house arrest by the Red Army.

From Gluttony to Enlightenment - Viktoria von Hoffmann 2016-12-08

Scorned since antiquity as low and animal, the sense of taste is celebrated today as an ally of joy, a source of adventure, and an arena for

pursuing sophistication. The French exalted taste as an entrée to ecstasy, and revolutionized their cuisine and language to express this new way of engaging with the world. Viktoria von Hoffmann explores four kinds of early modern texts--culinary, medical, religious, and philosophical--to follow taste's ascent from the sinful to the beautiful. Combining food studies and sensory history, she takes readers on an odyssey that redefined a fundamental human experience. Scholars and cooks rediscovered a vast array of ways to prepare and present foods. Far-sailing fleets returned to Europe bursting with new vegetables, exotic fruits, and pungent spices. Hosts refined notions of hospitality in the home while philosophers pondered the body and its perceptions. As von Hoffmann shows, these labors produced a sea change in perception and thought, one that moved taste from the base realm of the tongue to the ethereal heights of aesthetics.

From Russia to Love - Eva Chapman
2012-09-04

The great violinist Viktoria Mullova's story is one of striking contrasts and huge challenges. As a young musician she was a bright star in the Soviet musical firmament, but she stunned the world when she escaped the KGB and fled to the West, leaving behind her family, friends and all she knew. And in her flight from Finland, Viktoria also abandoned on her hotel bed the priceless Stradivarius she'd played during her

triumph at the International Tchaikovsky Competition. From Russia to Love recounts the journey of a remarkable woman. Armed only with her violin bow and her exceptional talent, Viktoria went on to conquer the West. As her new life unfolded, first in America and then in Europe, Viktoria met fellow exiles Nureyev and Rostropovich, fell in love with conductor Claudio Abbado and learned to throw off the shackles of her Russian training. Granted unparalleled access to her subject, Eva Maria Chapman paints an intimate, truthful and sensitive portrait of a unique artist.

Olga - Bernhard Schlink 2021-09-21
“Two world wars and the passage of more than a century do not overshadow [Bernhard Schlink’s] story of lovers who never fully belong to each other, just as they never fully belonged to the world.”—Booklist “A brilliant novel about history

and the nature of memory.”—Evening Standard
A sweeping novel of love and passion from author of the international bestseller *The Reader* about a woman out of step with her time, whose life is witness to some of the most tumultuous events of modern age. Abandoned by her parents, young Olga is raised by her grandmother in a Prussian village in the early years of the twentieth century. Smart and precocious, endearing but uncompromising, she fights against ingrained chauvinism to find her place in a world run by lesser men. When Olga falls in love with her neighbor, Herbert, the son of a local aristocrat, her life is irremediably changed. While Herbert indulges his thirst for exploration and adventure, Olga is limited by her gender and circumstance. Her love for Herbert goes against all odds and encounters many obstacles, but even when they are separated, it endures. Unfolding across decades—from the late nineteenth to the early twenty-first century—and across continents—from Germany to Africa and

the Arctic, from the Baltic Sea to the German south-west—Olga is an epic romance, and a wrenching tale of a woman’s devotion to a restless man in an age of constant change. Though Olga exists in the shadows of others, she pursues life to the fullest and her magnetic presence shines—revealing a woman complex, fascinating, and unforgettable. Told in three distinct parts, brilliantly shifting from different points of view and narrative formats, Bernhard Schlink’s magnificent novel is a rich, full portrait of a singular woman and her world.
