Me and My Amazing Body - Joan Sweeney 2018-09-18

What exactly can your body do? A beloved bestseller that helps children

understand anatomy, from their eyes to their toes, is back! Now refreshed with new art from Ed Miller. What is under your skin? Why do you have bones? What do your muscles do? Where does the food that you eat go? Me and My Amazing Body can show you! From your head to your toes and everything in between, this playful introduction to anatomy explains all the important parts of your body. Easy to read and easy to understand, Me and My Amazing Body helps children appreciate everything their bodies can do.

The Human Body for Children - Pixa Kids Éducation 2020-01-18

This book is a fun and clever guide to the human body that answers children's questions and engages them with photos, illustrations and diagrams. This child-friendly journey goes through the human body and all its systems (respiratory nervous blood ...) and is interspersed with many health tips. This fun and comprehensive anatomy book is the perfect gift for kids wanting to know more about the mysterious stuff going on inside their bodies. 30 pages, 8.5 x 11 inches.

Shine-A-light - Carron Brown 2016-06-01

Over 200,000 copies of the series sold. Author Carron Brown has been a children's non-fiction editor and writer for more than 16 years. Secrets of Animal Camouflage is a child-friendly introduction to zoology. Bright, punchy artwork makes every page an adventure. A hidden world of snow-covered Arctic foxes, tree-trunk hiding owls and perfectly camouflaged butterflies are revealed as you hold the pages to the light! The amazing see-through pages in this gorgeously illustrated non-fiction series offer benefits similar to lift-the-flaps books (great for early development and deal with the idea of object permanence), but our Secrets books have the added interactive dimension of the child being able to see the surface and the hidden picture at the same time. Both a visual treat and lots of fun, all of our Shine-a-Light books also offer a glossary and additional information about their subjects, making them non-fiction gift books like no other. Over 200,000 copies of the Shine-a-Light series sold! A non-fiction gift book like no other with amazing see-through pages and a glossary and additional information about their subjects.

100 More Paper Planes to Fold & Fly - Brian Voakes 2012-09-25

Following on the success of 100 paper planes, this title features new planes based on four different layouts, each decorated with its own unique colours, motifs and patterns - ranging from Aztec prints to fighting tigers to sci fi. It features clear and concise instructions on how to fold and throw the planes.

[Look Inside Animal Homes](#) - Emily BONE 2018-09-04

Lift the flaps to discover where different animals make their homes, up high in trees, down deep under the ground, or under the sea in a coral reef. Find out how animals in the freezing cold Arctic keep themselves warm, and those in scorching deserts stay cool. It's also surprising to learn how many animals live inside your cosy home with you... An interactive yet informative book about where different animals live. With over 80 flaps, children can discover how different animals make, build or seek out their homes. Investigates lots of different habitats and animal types, including insects such as bees, wasps and ants. Ideal for school studies and fun to dip into for pleasure.

I Want to Be a Veterinarian - Laura Driscoll 2018-10-02

For the child who says, "I want to be a veterinarian when I grow up!" And for any child who wants a gentle behind-the-scenes look at being a

veterinarian. Veterinarians help sick and hurt animals feel better. Did you know that there are many different ways to be a veterinarian? When a father and child bring Gus the dog to his check-up, they learn that there are vets who work with very large animals, vets who work with wild animals—and more. *I Want to Be a Veterinarian* is part of a new I Can Read series that introduces young readers to important community helpers. This Level One I Can Read is perfect for children learning to sound out words and sentences. Whether shared at home or in a classroom, the short sentences, familiar words, and simple concepts of Level One books support success for children eager to start reading on their own. For anyone looking for books about community helpers for kids, the I Can Read My Community books are a great choice. The books are bright and upbeat and feature characters who are diverse in terms of gender, race, age, and body type. Kids ages 3-6 will enjoy finding out more about the people who do so much to help all of our communities.

Look Inside an Airport - Rob Lloyd Jones 2013-06-01

Vet - Lucy M. George 2015-11-01

Discover what a teacher, a doctor, a firefighter and a vet do and how they help the community. Each story focuses on a different character as they go about their daily work. But each day holds a new challenge for these busy people! Next Steps are included at the back of the book to prompt further discussion and develop vocabulary as well as information about the characters who work alongside the protagonists, for example a nurse from the doctor's surgery and the commander at the fire station.
