Brynn LeBreck has dedicated herself to helping women in crisis, but she never imagined how personal her work would get, or where it would take her. Her younger sister is missing, suspected to be hiding from cops and criminals alike at a highly secretive BDSM retreat—a place where the elite escape to play out their most extreme sexual fantasies. To find her, Brynn must go undercover as a sexual submissive. Unfortunately, The Ranch is invitation only. And the one master who can get her in is from the darkest corner of Brynn's past. Brynn knows what attorney Reid Jamison is like once stripped of his conservative suit and tie. Years ago she left herself vulnerable only to have him crush her heart. Now she needs him again. Back on top. And he's all

too willing to engage. But as their primal desires and old wounds are exposed, the sexual games escalate-and so does the danger. Their hearts aren't the only things at risk. Someone else is watching, playing by his own rules. And his game could be murder.

As we embrace new experiences, relationships and gadgets, we barely stop to look at our watches let alone consider whether our behaviour is 'age appropriate'. In this provocative and timely book, Catherine Mayer looks at the forces that created amortality - the term she coined to describe the phenomenon of living agelessly. As she follows this social epidemic through generations and across continents, she reveals its profound impact on society, our careers, our families and

ourselves. Why be defined by numbers? Are you amortal?

### **The Sex Life of the Gods -**

Michael Knerr 2013-03-25

Beth Danson was about twenty-five and, besides her deep auburn-brown hair and lovely face, she boasted an equally attractive body. He found himself captivated by the warm thrust of her breasts beneath the silk blouse. The clear milk of her flesh, at the "V" of her throat excited him in a strange way. When he thought of her as his wife, it was frightening. It was as though someone had tossed him a woman and expected him to just fall into the routine of marriage. It wouldn't be hard to come to love this woman, but it would take awhile. Hell, he didn't know her. She was a complete stranger who had suddenly told him they were married. There was nothing familiar about her; even the fingers that were softly working over his face were alien.

## **My Horizontal Life** - Chelsea Handler

2013-04-30

In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler.

Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. My Horizontal Life chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. My Horizontal Life is one guilty pleasure you won't be ashamed to talk about in the

morning.

Smart. Funny. Fearless. "It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.
