Esoteric Buddhism - Alfred Percy Sinnett 1907

This theory recognizes the evolution of the soul as a process that is quite continuous in itself, though carried out partly through the instrumentality of a great series of dissociated forms. Putting aside for the moment of profound metaphysics of the theory which trace the principle of life from the original first cause of the cosmos, we find the soul as an entity emerging from the animal kingdom, and passing into the earliest human forms, without being at that time ripe for the higher intellectual life with which the present state of humanity renders us familiar. But through successive incarnations in forms whose physical improvement, under the Darwinian law, is constantly fitting them to be its habitation at each return to objective life, it gradually gathers that enormous range of experience which is summed up in its higher development. In the intervals between its physical incarnations it prolongs and works out, and finally exhausts or transmutes into so much abstract development, the personal experiences of each life. This is the clue to the true explanation of that apparent difficulty which besets the cruder form of the theory of reincarnation which independent speculation has sometimes thrown out. Each man is unconscious of having led previous lives, therefore he contends that subsequent lives can afford him no compensation for this one. He overlooks the enormous importance of the intervening spiritual condition, in which he by no means forgets the personal adventures and emotions he has just passed through, and in the course of which he distills these into so much cosmic progress. In the following pages the elucidation of this profoundly interesting mystery is attempted, and it will be seen that the view of events now afforded us is not only a solution of the problems of life and death, but of many very perplexing experiences on the borderland between those conditions - or rather between physical and spiritual life - which have engaged attention and speculation so widely of recent years in most civilized countries.

Miracles - Stuart Wilde 2010

A Day with an Extraterrestrial - Lou Baldin 2008-06-28

Based on a true story. A man's encounter with an extraterrestrial being breaks down the illusions of life and the institutions that govern such illusions, such as religion, science, and governmental sovereignty. The information is eye and mind opening and filled with the realities that intelligent life on earth is simply one planet out of billions that exist in the Milky Way galaxy, which is teeming with similar and much more exotic, super being, type life forms. The earth is not flat, it is not the center of the universe, and certainly is not unique in any way, shape, or form.

The Keepers - Jim Sparks 2008

Since 1988, Jim Sparks has been working with intelligent, non-human beings from off-planet locations. Unlike any other abductees, he has conscious awareness of his experiences with approximately 95 percent clear recall of technology, including time travel, invisibility, multidimensionality, and manipulation of gravity and electromagnetic fields. His firsthand reports of sperm extraction, breeding programs, shape-shifting, and thought-activated transport are astonishing, as is his personal journey from anger at the invasion to gratitude for the opportunity to be a part of saving the Earth from self-destruction. After a 1996 mass abduction, Jim was initiated as a participant, rather than as an unwilling abductee. It became clear to him that some ETs have become very concerned about their investment in planet Earth. He was given a message: "Your planet is dying". He was told to instruct humanity to: restore the Earth's ecological balance, grant amnesty to those who have suppressed the truth about the long-term alien presence on Earth, and bring forth all the concealed knowledge and technologies that extraterrestrial visitors have given to humans. He is an ambassador for human cosmic awareness and a voice for the ridiculed and dismissed people who have been contacted by alien civilisations

The Parables of Kryon - Lee Carroll 2000-07-01

The Parables of Kryon, by Lee Carroll, is a book of parables, filled with penetrating insights. As soon as you read one of these wonderful stories, you will be hooked as you recognize yourself, and your own situations in the parable.

INSPIRED MANIFESTING - Linda Howe 2020-11-10

We live in times of enormous change which—depending on how you look at it—can be thrilling or daunting. From climate change to economic woes to the coronavirus pandemic, we have a lot on our plates—maybe more than we think we can handle. We need new strategies for working with our anxieties, and perhaps even a new perspective. After all, what if these are really wonderful opportunities? Of course, this is easier said than done. We know that global consciousness is shifting, but what do we do about all those feelings? How can we maintain our relationships? How can we better our spiritual practices? And how shall we strengthen our manifestation skills, when we so often feel confused, frightened, uncertain and powerless? Dr. Linda Howe has helped tens of thousands all over the world learn to use the Akashic Records, bringing this ancient knowledge to a new generation of seekers. *Inspired Manifesting through the Akashic Records: Elevate Your Energy and Ignite Your Dreams* is a compendium, formulated over her 25+ years of practice with students all over the world. Here she provides lessons, practices, exercises and reflections to help readers take a big breath, let go of what's holding them back, and feel empowered to take bigger, bolder steps into the future. Ours is a kind and compassionate world that cares and wants to co-create with you to enrich your life so you feel fulfilled and can serve your greater purpose in the world. Here is a brand new paradigm, a new way of living in the world starting today: as you are, right here, right now, with what you have. Dr. Howe is championing an entire transformation of your relationship with Life so you can enjoy exceptional, extraordinary relationships and feel empowered to live in the sweet spot where your perfectly divine essence meets your imperfect humanity. It is possible to enjoy heaven on earth—to encounter, experience and express our divine light and unconditional love through our ordinary human selves. THIS is Inspired Manifesting.

Supernormal - Dean Radin PhD 2013-07-16

Can yoga and meditation unleash our inherent supernormal mental powers, such as telepathy, clairvoyance, and precognition? Is it really possible to perceive another person's thoughts and intentions? Influence objects with our minds? Envision future events? And is it possible that some of the superpowers described in ancient legends, science fiction, and comic books are actually real, and patiently waiting for us behind the scenes? Are we now poised for an evolutionary trigger to pull the switch and release our full potentials? Dean Radin, Director of Research at the Institute of Noetic Sciences (IONS) and bestselling author of *The Conscious Universe*, presents persuasive new experimental evidence for the existence of such phenomena. He takes us on a thrilling scientific journey and challenges outdated assumptions that these abilities are mere superstition. Focusing on Patanjali's mysterious Yoga Sutras -- 2,000 year-old meditation practices believed to release our extraordinary powers -- Radin offers powerful evidence confirming that sometimes fact is much stranger, spookier, and more wonderful than the wildest fiction.

Insights Into Christian Esoterism - René Guénon 2005-05

One of René Guénon's lifelong quests was to discover, or revive, the esoteric, initiatory dimension of the Christian tradition. In the present volume, along with its companion volume *The Esoterism of Dante*, Guénon undertakes to establish that the three parts of *The Divine Comedy* represent the stages of initiatic realization, exploring the parallels between the symbolism of the *Commedia* and that of Freemasonry, Rosicrucianism, and Christian Hermeticism, and illustrating Dante's knowledge of traditional sciences unknown to the moderns: the sciences of numbers, of cosmic cycles, and of sacred astrology. In these works Guénon also touches on the all-important question of medieval esoterism and discusses the role of sacred languages and the principle of initiation in the Christian tradition, as well as such esoteric Christian themes and organizations as the Holy Grail, the Guardians of the Holy Land, the Sacred Heart, the Fedeli d'Amore and the 'Courts of Love', and the Secret Language of Dante. One chapter in the present volume, 'Christianity and Initiation', is of special interest with regard to the history of the Traditionalist School. When first published as an article, it gave rise to some controversy because Guénon here reaffirmed his denial of the efficacy of the Christian sacraments as rites of initiation, a point of divergence between the teachings of Guénon and those of other key perennialist thinkers. Both *The Esoterism of Dante* and *Insights into Christian Esoterism* will be of inestimable value to all who are struggling to come to terms with the fullness of the Christian tradition.

K-Taping - Birgit Kumbrink 2014-12-04

Birgit Kumbrink's bestselling guide to K-Taping - now available in its 2nd edition! This richly illustrated hands-on guidebook features a highly successful therapeutic approach to treating orthopedic, traumatological, and many other conditions has now been extended to include 20 additional application techniques for the fields of neurology and gynecology (including pre- and post-natal). This practical guide provides all the background information physiotherapists, sports physiotherapists, medical doctors, occupational therapists and health care professionals need. It serves both as a perfect companion to training courses and as a reference book and refresher and shows how to use the specially developed elastic K-Tape most effectively. A brief introduction to the basic principles of K-Taping, the special elastic tapes used and the method's history is followed by 9 chapters highlighting treatment techniques and their application to nearly 70 frequently seen conditions. Each is featured on a double page with up to five color photos, brief instruction, practical information about symptoms, dosage, progress to be expected and tips regarding variations of techniques. As the benefits of K-Taping in enhancing the effects of other conservative care and surgical treatments are getting more and more appreciated, Birgit Kumbrink's "K-Taping - An Illustrated Guide", developed by Germany based K-Taping Academy, has rapidly established itself as the ultimate reference book for therapists and clinicians in an ever expanding range of medical disciplines.

Mirrors of Time - Brian L. Weiss, M.D. 2020-09-01

The benefits of regression therapy extend far beyond the clearing of symptoms. Often, the result is healing at all levels—physical, emotional, and spiritual. *Mirrors of Time*, by Brian Weiss, M.D., allows you to take regression therapy to the next level. Now you can go back through time by recalling past events that may have led to difficulties in the present. Through the process of remembering, symptoms diminish, and a strong sense of relaxation and well-being often emerges. Even past-life memories can be elicited by these exercises, and regular practice will enhance your physical and emotional health and open up spiritual vistas that can bring new meaning to your life. An audio download is included that goes beyond meditation and visualization exercises—it contains the actual regression techniques Dr. Weiss uses with his patients. By reading *Mirrors of Time* and practicing the exercises on the accompanying audio, you'll find that you'll be filled with more peace, joy, and love—and virtually all aspects of your everyday life will benefit!

The Opening of the Third Eye - Dr. Douglas M. Baker 2014-03-02

The Opening of the Third Eye: The human brain is a priceless computer lying perfectly maintained but almost silent! None of us uses the full potential of this amazing instrument, yet we all possess a secret 'trigger' for activating its mechanism. Called 'the Third Eye' in occult language, this 'trigger' can release a vortex of psychic energy for the extension of awareness in new dimensions, for speeding up or slowing down time as experienced on our planet, and achieving one hundred per cent personality integration. Dr. Baker reveals that the Third Eye derives its power from the pineal, pituitary and carotid glands, allied to 'whirlwinds' of energy known as 'chakras' or force centres. There are seven of these centres in the human body, their physical location being the base of the spine, the solar plexus, the spleen, the heart, the throat, the brow, and the top of the head. Five safe techniques for arousing the Third Eye are provided. They have

been practised by the author 'without hazard and with many rewards for over forty years.' In our present condition we can only observe the outer surface of the planet, manifesting in gaseous, liquid and solid form. We are completely unaware of the subtler states of matter beneath these outward appearances. But the Third Eye reveals all underlying structures. 'This means that one could observe the termites in apparently solid wooden paneling; or, more constructively, man's inner organs could be observed and all traces of disease in them immediately recognised, with consequent enormous benefits to medical progress.'

ThetaHealing® - Vianna Stibal 2020-01-21

Discover the worldwide phenomenon of ThetaHealing® and how it can help you to achieve transformational healing in this revised and updated edition of Vianna Stibal's definitive guide. In 1995, Vianna Stibal was diagnosed with a serious health condition. When conventional and alternative medicine failed her, she discovered a simple technique that cured her illness and sparked a worldwide phenomenon. ThetaHealing® is essentially applied quantum physics. Using a theta brain wave, which until now was believed to be accessible only in deep sleep or yogi-level meditation, the practitioner is able to connect with the energy of All That Is - the energy in everything - to identify issues with and witness healings on the physical body, and to identify and change limiting beliefs. In this revised and updated edition, you will discover: - the belief and feeling work that can instantly change the thinking within you that creates illness - the 7 Planes of Existence, a concept that allows you to connect to the highest level of love and energy of All That Is - how to develop the ability to change on all levels: physically, mentally, emotionally and spiritually, using the Creator of All That Is.

I registri akashici - Linda Howe 2016-01

You Will Not Have My Hate - Antoine Leiris 2017-10-03

INTERNATIONAL BESTSELLER - "On Friday night you stole the life of an exceptional person, the love of my life, the mother of my son, but you will not have my hate." On November 13, 2015, Antoine Leiris's wife, H el ene Moyal-Leiris, was killed by terrorists while attending a rock concert at the Bataclan Theater in Paris, in the deadliest attack on France since World War II. Three days later, Leiris wrote an open letter addressed directly to his wife's killers, which he posted on Facebook. He refused to be cowed or to let his seventeen-month-old son's life be defined by H el ene's murder. He refused to let the killers have their way: "For as long as he lives, this little boy will insult you with his happiness and freedom." Instantly, that short Facebook post caught fire, and was reported on by newspapers and television stations all over the world. In his determination to honor the memory of his wife, he became an international hero to everyone searching

desperately for a way to deal with the horror of the Paris attacks and the grim shadow cast today by the threat of terrorism. Now Leiris tells the full story of his grief and struggle. *You Will Not Have My Hate* is a remarkable, heartbreaking, and, indeed, beautiful memoir of how he and his baby son, Melvil, endured in the days and weeks after H el ene's murder. With absolute emotional courage and openness, he somehow finds a way to answer that impossible question: how can I go on? He visits H el ene's body at the morgue, has to tell Melvil that Mommy will not be coming home, and buries the woman he had planned to spend the rest of his life with. Leiris's grief is terrible, but his love for his family is indomitable. This is the rare and unforgettable testimony of a survivor, and a universal message of hope and resilience. Leiris confronts an incomprehensible pain with a humbling generosity and grandeur of spirit. He is a guiding star for us all in these perilous times. His message—hate will be vanquished by love—is eternal.

Opening the Akashic Records - Maureen J. St. Germain 2019-04-05

A clear and simple manual of precise instructions for accessing the Akashic Records and confirming the accuracy of the information you receive • Details exercises, tools, and techniques to clear the energies blocking your access and tune to your Akashic Record Keepers • Explains the specific markers that allow you to recognize your Record Keepers and to validate the information you receive, rather than "trusting" it to be true • Provides guidance on accessing the Akashic Records on behalf of other people, how to ask questions, and how to handle the information as it comes in The Akashic Records are a vast domain of energetic imprints much like a movie library, a living vibrational field that stores all possible futures, the present, and the past. As soon as your soul begins its life experience, a field of energy is released that records every thought, word, action, desire, and emotion. In this guide to opening the Akashic Records, Maureen St. Germain provides precise instructions explaining how to connect with your personal Record Keepers, gain clear access to the Akashic Records, discover information about you and your loved ones, and learn your soul's purpose. The author explains how outside energies can influence your connection to the Akashic Records. She details energetic clearing exercises to remove the energies blocking or shadowing your access and teaches the Higher Self Protocol to ensure an authentic channel of communication. She explores how to find the Record Keepers who will be the most helpful to you and provides techniques and tools, such as guided energy work, to prepare you for Akashic Record access, initiate you into the 5D mindset, and invite more accuracy and a stronger connection. She details the specific markers to look for to recognize genuine Akashic Librarians and to validate and confirm the information you receive, rather than simply "trusting" it to be true. She also provides guidance on accessing the Akashic Records on behalf of other people, how to ask questions, and how to handle the information as it comes in. Explaining why the Ascended Masters opened access to the Akashic Records to all of humanity and how their presence assists you, St. Germain shows how the intended purpose for working with the Akashic Records is for soul growth, not to "repair" your karma debts. By seeing your records and working with your Record Keepers, not only will you learn your soul's purpose and help solve the problems that crop up in everyday life and relationships, but you will amplify your spirituality and begin operating at a higher level in consciousness. Your work in the Akashic Records aids and assists in Earth's ascension.

The Way of the Dream - Marie-Luise von Franz 1988

The Big Book of the Soul - Ian Lawton 2008

There is persuasive evidence from near-death and out-of-body experiences that the physical brain is merely the instrument through which our soul consciousness expresses itself in the physical world. There is equally persuasive evidence from children and adults who spontaneously remember past lives, and from past-life and interlife regression, that we are individual souls who reincarnate to experience and grow. A careful analysis of skeptics' arguments in each of these areas of research proves in most cases just how reductionist, and in fact illogical, they are. Nevertheless not all the evidence put forward by believers stands up, and careful discrimination is required. Such a balanced and in-depth critique of both sides of the argument is rare if not unique. Equally unique is the accompanying collation and comparison of the interlife regression research of a number of pioneering psychologists. But what of the idea that 'we are all One', which is the universal message of all transcendental experiences? Can it be squared with the idea of the individual, reincarnating soul, or is this merely an 'illusion' in itself? Perhaps the answer lies in a theory of

total elegance and simplicity... that of 'the Holographic Soul'.

Nde - Kirsty Wedgwood 2021-01-05

In recent years scientists have researched the phenomenon of Near Death Experiences (NDEs), and now have enough evidence to determine their validity. Dr Orson Wedgwood Ph.D., a medical scientist, walks us through this evidence. In addition he discusses the common features reported by those who have experienced NDEs and what the implications are for the long term destiny of each human consciousness, or soul. As well as the positive aspects of NDEs so often described in other books and TV shows, Dr. Wedgwood also discusses the evidence suggesting that only 10-20% of souls survive death, and of those that do, not all are destined to reach heavenly realms. Is "Hell" real too? The good news is that NDE survivors provide us with guidance from their encounters with "God" or other "celestial beings", on how we might safeguard the health of our souls to enable us to survive earthly death and reach the heavenly realm. It's all about Love. Put simply, reading this book, may prove vital to the eternal destiny of your soul.

Theosophy (Translated) - Rudolf Steiner 2021-10-02

In this book we want to give a description of some parts of the supersensible world. Whoever wants to admit only the sensory world will consider this description a vacuous product of the imagination. But whoever wishes to seek the paths that lead out of the world of the senses will soon come to understand that human life acquires value and meaning only if one penetrates with one's eyes into another world. This penetration does not distract man, as many fear, from "real" life. It is only in this way that he learns to stand firm and secure in life. He learns to know its causes, while, if he ignores them, he gropes like a blind man through its effects. Only through knowledge of the supersensible world does the sensible "reality" acquire meaning. Therefore, this knowledge increases, not diminishes, our capacity for life. Only he who understands life can become a truly "practical" man.

Dear Life - Rachel Clarke 2020-01-23

'What a remarkable book this is; tender, funny, brave, heartfelt, radiant with love and life, and with the love of life. It brought me often to laughter and - several times - to tears' Robert Macfarlane From the Sunday Times bestselling author of *Your Life in My Hands* comes this vibrant, tender and deeply personal memoir that finds light and love in the darkest of places. As a specialist in palliative medicine, Dr Rachel Clarke chooses to inhabit a place many people would find too tragic to contemplate. Every day she tries to bring care and comfort to those reaching the end of their lives and to help make dying more bearable. Rachel's training was put to the test in 2017 when her beloved GP father was diagnosed with terminal cancer. She learned that nothing - even the best palliative care - can sugar-coat the pain of losing someone you love. And yet, she argues, in a hospice there is more of what matters in life - more love, more strength, more kindness, more joy, more tenderness, more grace, more compassion - than you could ever imagine. For if there is a difference between people who know they are dying and the rest of us, it is simply this: that the terminally ill know their time is running out, while we live as though we have all the time in the world. *Dear Life* is a book about the vital importance of human connection, by the doctor we would all want by our sides at a time of crisis. It is a love letter - to a father, to a profession, to life itself.

A Clinician's Guide to Dream Therapy - Leslie Ellis 2019-07-24

A Clinician's Guide to Dream Therapy demystifies the process of working with dreams by providing both a grounding in the current science of dreaming as well as a simple, practical approach to clinical dream work. In addition to a survey of the current science and neuroscience of dreaming, this book includes clinical examples of specific techniques with detailed transcripts and follow-up commentary. Chapters cover how to work with PTSD nightmares and how to use experiential dreamwork techniques drawn from current neuroscience to engender lasting change. Readers will be able to discuss their clients' dream material with confidence, armed with an approach that helps them collaboratively tap into the inherent power for change found in every dream. Backed by research, common factors analysis and neuroscience, the approaches described in this book provide a clear map for clinicians and others interested in unlocking the healing power inherent in dreams.

The Powers Latent in Man - Dr. Douglas M. Baker 2014-04-11

The Powers Latent in Man: A minority of psychically gifted people exercises the powers discussed by Dr. Baker in this book, but they are latent in all of us. They include hypnosis, telepathy, psychokinesis and

healing. Dr. Baker presents scientific and "mystical" evidence for the existence of these mysterious but natural forces and documents their operation in contemporary society. Amongst the amazing subjects covered are: super-gifted children; auric manipulation for intellectual power, continued youthfulness and mental brilliance, and much more. Dr. Baker's exciting proposition in this book is that the esoteric and occult truths of the ages are being verified by science.

Journey of Souls - Michael Newton 1994

When reincarnating, do we have a short spell in a disembodied phase? Hypnosis reveals what goes on.

Consciousness Beyond Life - Pim van Lommel 2011-08-09

As a cardiologist, Pim van Lommel was struck by the number of his patients who claimed to have near-death experiences as a result of their heart attacks. As a scientist, this was difficult for him to accept: Wouldn't it be scientifically irresponsible of him to ignore the evidence of these stories? Faced with this dilemma, van Lommel decided to design a research study to investigate the phenomenon under the controlled environment of a cluster of hospitals with a medically trained staff. For more than twenty years van Lommel systematically studied such near-death experiences in a wide variety of hospital patients who survived a cardiac arrest. In 2001, he and his fellow researchers published his study on near-death experiences in the renowned medical journal *The Lancet*. The article caused an international sensation as it was the first scientifically rigorous study of this phenomenon. Now available for the first time in English, van Lommel offers an in-depth presentation of his results and theories in this book that has already sold over 125,000 copies in Europe. Van Lommel provides scientific evidence that the near-death phenomenon is an authentic experience that cannot be attributed to imagination, psychosis, or oxygen deprivation. He further reveals that after such a profound experience, most patients' personalities undergo a permanent change. In van Lommel's opinion, the current views on the relationship between the brain and consciousness held by most physicians, philosophers, and psychologists are too narrow for a proper understanding of the phenomenon. In *Consciousness Beyond Life*, van Lommel shows that our consciousness does not always coincide with brain functions and that, remarkably and significantly, consciousness can even be experienced separate from the body.

Wisdom of Near Death Experiences - Dr. Penny Sartori 2014-02-18

A doctor recounts patient stories from her five-year clinical study of Near-Death Experiences, revealing how this phenomenon is more powerful than we realize. Dr. Penny Sartori is a registered nurse who began researching Near-Death Experiences (NDEs) in 1995 after one of her long-term intensive care patients begged her to let him die in peace. Inspired by this encounter, she went on to research NDEs in a PhD program, where she learned profound spiritual lessons and made startling discoveries that she now shares in *The Wisdom of Near-Death Experiences*. During her academic work, Dr. Sartori studied three samples of ICU patients during a five-year period. Here, she recounts the eye-opening stories of those patients who experienced NDEs and out-of-body experiences (OBEs). In one group, as many as 18% of patients experienced an NDE—though Patient #10 stood out among the others. After being unresponsive, he awoke to report he had experienced an OBE. He was able to describe what happened in the hospital room while he was unconscious and claimed he met not only his deceased father but a Jesus-like figure. Most shocking of all, he had regained the use of his hand—which had been paralyzed since birth. When talking about the biggest takeaways from her research, Dr. Sartori shares how her findings have made her question the common belief that the brain gives rise to consciousness. Most importantly, she has gained a deeper appreciation for death—an experience she now views with less fear and anxiety. In addition to detailing dozens of case studies, *The Wisdom of Near-Death Experiences* also discusses childhood NDEs, the differences in NDEs among different cultures, and the after-effects of NDEs.

How to Read the Akashic Records - Linda Howe 2009-05-01

For thousands of years, mystics, masters, and sages from various world traditions have read the Akashic Records—a dynamic repository that holds information about every soul and its journey. Once reserved for a "spiritually gifted" few, this infinite source of wisdom and healing energy is now available for readers everywhere to answer questions big and small. How can I find freedom from my past? What are my life purposes? With *How to Read the Akashic Records*, healer and teacher Linda Howe offers the first book of its kind to help navigate these timeless "Records of the Soul." Drawing from more than 15 years' experience with the Akashic Records, Howe teaches us: The Pathway Prayer Process—a "password" for admittance into the Records. How to work with your "MTLOs"—your Masters, Teachers, and Loved Ones—for assistance within the Records. Insightful tips to glean the most critical information, whether you're reading for yourself, other individuals, or even your pet. "The time has come for us to be our own spiritual authorities and access this

illuminating, rich source directly," explains Howe. With *How to Read the Akashic Records*, anyone who desires to read the Records now has immediate access to this valuable life resource. "The Akashic Records contain everything that every soul has ever thought, said, and done over the course of its existence—as well as all its future possibilities. This valuable information can help you with any aspect of your life journey. And because the Records are also a dimension of consciousness, they are available anytime and everywhere."? —Linda Howe The universe is alive—and it has a memory just like you. Known as the Akashic Records, this energetic archive of soul information stands ready to lovingly guide you. Once accessible to rare spiritual masters, now the Records are available to anyone—anytime, anywhere. After a lifelong search for truth, master teacher and healer Linda Howe has developed an infallible method for accessing this reservoir of information: the Pathway Prayer Process. By lifting you to a divine level of consciousness, this sacred prayer opens the doors of the Records, where your "soul blueprint"—everything you need to know about your soul's destiny—awaits you. There you will work with your Masters, Teachers, and Loved Ones to cultivate a rich relationship with the Records and ultimately learn to unleash your highest potential. Grounded with the success stories of dozens whose lives have been touched by the Records, this comprehensive guidebook will help you confidently read the Records for yourself—or another—and find inspiration for your own spiritual path. "Accessing the Akashic Records provides an opportunity to align with your soul and develop your own spiritual authority," teaches Linda Howe. Now with *How to Read the Akashic Records* you can learn to connect with this divine source for infinite joy, inner peace, and fulfillment. Linda Howe is the founder and director of The Center for Akashic Studies, an organization dedicated to promoting the study of Akashic Records and other applicable spiritual wisdom. Active in healing arts for more than 20 years, Linda was moved and inspired by the power of the Records within herself and her clients. She began teaching this practice to students in 1996 and, today, she has successfully taught thousands of students to accurately read the Akashic Records.

Knowledge of the Higher Worlds and Its Attainment - Rudolf Steiner 2013-01-25

"Knowledge Of the Higher Worlds And Its Attainment" was originally published in 1938. This inspiring book by Rudolf Steiner offers a wealth of knowledge on the path of esoteric initiation. Included is much information on the higher body, higher planes of existence, and the spiritual encounter with the 'Guardians of the Threshold', as well as basic information on the mystical belief system. This book would be an excellent addition to the bookshelf of anyone with an interest in the subject. Contents Include : How is Knowledge of the Higher World Attained?; The Stages of Initiation; Some Practical Aspects; The Conditions of Esoteric Training; Some Results of Initiation; The Transformation of Dream Life; The Continuity of Consciousness; The Partition of Human Personality During Spiritual Training; The Guardian of the Threshold; The Great or Second Guardian of the Threshold. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.
