A Mighty Girl Best Book of 2020! From debut author Sarah Allen comes a pitch-perfect, heartwarming

middle grade novel about growing up, finding yourself, and loving people with everything you're made of. Twelve-year-old Libby Monroe is great at science, being optimistic, and talking to her famous, accomplished friends (okay, maybe that last one is only in her head). She's not great at playing piano, sitting still, or figuring out how to say the right thing at the right time in real life. Libby was born with Turner Syndrome, and that makes some things hard. But she has lots of people who love her, and that makes her pretty lucky. When her big sister Nonny tells her she's pregnant, Libby is thrilled—but worried. Nonny and her husband are in a financial black hole, and Libby knows that babies aren't always born healthy. So she strikes a deal with the universe: She'll enter a contest with a project about Cecilia Payne, the first person to discover what stars are made of. If she wins the grand prize and gives all that money to Nonny's family, then the baby will be perfect. Does she have what it takes to care for the sister that has always cared for her? And what will it take for the universe to notice?

[Dreaming the Bear](#) - Mimi Thebo 2017-04-11

A vivid sense of the wilderness and nature's power comes through in this intriguing and tension-filled YA novel narrated by a contemporary teen. Perfect for animal lovers, this unusual novel has hints of the quirky charm of Geek Girl and the emotional depth of The Last Leaves Falling. Darcy's dad, a naturalist, moves their family from England to the snowy wilderness of Yellowstone National Park. Mum, Dad, and older brother Jem are all thriving, but Darcy misses her friends, and civilization, including WiFi. She's also sick, getting weaker with each day, and having strange dreams—or are they something else? Then she finds an injured mother bear whose cubs were killed by hunters. The bear is enormous, and powerful, but she doesn't threaten Darcy—she makes Darcy feel alive. The bear needs Darcy just as much as Darcy needs her. Darcy must help her, even though she might not be well enough to take care of the bear, let alone herself. A mystery illness, shifting points of view, and dreamlike sequences make this an unusual and immersive story. Darcy is brave and resourceful, but nothing has prepared her to confront nature's ultimate question: Can a girl and a wild bear triumph over the basic rule of survival: kill or be killed?

And instead of having only one new set of rules to learn, she also has to contend with the unprecedented strangeness of being an entirely new person in an era she knows nothing about. Her teachers think she's slow, the other girls find her odd, and, as she spends more and more time in 1918, Charlotte starts to wonder if she remembers how to be Charlotte at all. If she doesn't figure out some way to get back to the world she knows before the end of the term, she might never have another chance.

A Mouse Called Miika - Matt Haig 2021-11-09

Ratatouille meets Roald Dahl in the funny and fantastical story of a determined mouse on a mission to procure the world's tastiest cheese. From the author of *A Boy Called Christmas*—now a Netflix movie starring Kristen Wiig, Maggie Smith and Henry Lawfull! When Nikolas left the only home he had ever known, it was a mouse named Miika who kept him company, and it was Miika who accompanied him on his journey to the Far North, in search of his father. But before the events of *A Boy Called Christmas*, this little mouse was the hero of his own story. *A Mouse Called Miika* is an epic adventure story on a miniature scale. It's a tale of mice and men (and more mice). It is about one independent mouse who gets fed up with the other mice, and sets out on a quest of his own to prove that cheese exists, and learns to appreciate other creatures. It is also a tale of great love (of cheese) and great danger. And learning the lesson that, with cheese, as with life, what matters most is not how strongly you smell, but how strong you are on the inside. Funny, cheeky, wise, and packed full of Matt Haig's signature warmth. This is set to become a year-round children's favorite.
