**In the Sea There are Crocodiles** - Fabio Geda 2011-08-09

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

*The City of The Sun* - Tommaso Campanella 2020-10-07

"The City of the Sun" is a philosophical work by the Italian Dominican philosopher Tommaso Campanella. It is an important early utopian work. The book is presented as a dialogue between "a Grandmaster of the Knights Hospitaller and a Genoese Sea-Captain". Inspired by Plato's Republic and the description of

Atlantis in Timaeus, it describes a theocratic society where goods, women and children are held in common. One of the most significant aspects of this community is the distribution of work. Once again Campanella engages in an explicit polemic with Aristotle, who had excluded artisans, peasants and those involved in manual labor from the category of full citizenship and from the highest levels of virtue.

The resulting travelogue is one of the funniest and most illuminating books ever written about Japan. And, as Ferguson learns, it illustrates that to travel is better than to arrive.

Japanese Kanji Made Easy - Michael L. Kluemper 2015-04-28

This highly-visual book introduces an effective new method to learn over 1,000 Japanese kanji characters using visual stimuli and pictographs. Learning the fundamental kanji characters used to write Japanese can be challenging, but this book is designed to speed up learning by presenting the 1,000 most common characters using a mnemonic approach. In a fun and accessible way to learn Japanese, each kanji is associated with memorable visual and verbal clues. For example, the Japanese character for person is superimposed over a sketch of a smiling man. The visual clue is "a person standing on two legs". By seeing the distinctive shape of the kanji, learners create a mental image of its meaning. Each character is presented as part of a group of characters which share similar traits. These groups use common root symbols known as radicals; they are also categorized by themes such as colors, numbers, animals, or body parts. Pronunciations, meanings and common vocabulary compounds are provided for each character in the

group. Mnemonic clues are also given for the basic 92 hiragana and katakana phonetic symbols. A free audio CD helps you learn pronunciation for all of the characters and vocabulary in this book. The introduction explains the basic history and structure of the kanji. Key feature of this Japanese kanji book include: Hiragana and katakana phonetic symbols Easy-to-remember drawings and stories for ALL characters Thousands of vocabulary words Audio CD for pronunciation practice

**Una vita di musica** - Mario Castelnuovo-Tedesco 2005

The autobiography by the Florentine Jewish musician and composer was written over a period of twenty-four years from 1942 until 1966, two years before his death. For nineteen years it has remained inedited and only now appears in print for the first time. Part 1, set in Florence at the beginning of the 20th century, covers the period of the author's childhood and youth, his student years and the first affirmations as composer, pianist and musical critic. It closes abruptly in the summer of 1939 with the forced exile brought about by the persecution of Italian Jews through the Fascist racial laws. Part 2, set in America where, in the 1940s, Mario Castelnuovo-Tedesco produced music for films in Hollywood, but where he also taught and composed, the author tells of his life and experiences and of his meetings with many of the great protagonists of musical and cultural life of the 20th century. A final appendix contains a series of reflections and comments by the composer on his mature works. An extensive name index completes the volume. The second volume, arranged chronologically, comprises a complete catalogue of Mario Castelnuovo Tedesco's numbered and unnumbered works and transcriptions; a bibliography of the composer's unpublished and published works and a filmography.
